About Intelligent Monitoring Group Limited

Intelligent Monitoring Group Limited (ASX: IMB) provides monitored security and IOT solutions that ensure the safety and protection of Australian businesses, homes and individuals 24 hours a day, 365 days a year.

The Company operates with the highest security accreditation from its two-significant monitoring centres.

GROWTH STRATEGY

The Australian security industry remains highly fragmented, with no clear market leader.

Given its stable revenue streams and fixed infrastructure cost model, the industry remains conducive to selective consolidation at attractive returns.

TECHNOLOGY A KEY DRIVER FOR CHANGE

Technology change (IOT & Ai) has created substantial opportunities to profitably extend the Company's existing skills into new complementary market areas and customer opportunities.

The use of Smart, High Resolution cameras, with monitoring capability will create substantial opportunities for growth in many industries over the coming decade. **'Cameras as alarms'**
