ASX RELEASE

1 March 2023

Delay in lodgement of Appendix 4D and Interim Financial Report

Energy World Corporation Limited (ASX:EWC) (Energy World or the Company) advises that there will be a delay in the lodgement of the Appendix 4D and the Interim Financial Report for the half year ended 31 December 2022.

The delay is to allow the Company's auditor in Indonesia, adequate time to finalise its review. While the Company had anticipated that the audit would be finalised to allow for the release of the Appendix 4D and Interim Financial Report by 28 February 2023, the steps taken to ensure the thoroughness of the audit process have caused further delay.

Trading in the Company's shares has been suspended by the ASX and will be until the Appendix 4D and the audited Interim Financial Report is released to the ASX. We are working with the auditor in Indonesia to expedite the auditing process and will use all best endeavours to lodge the Appendix 4D and the Interim Financial Report within the next 14 days.

Yours sincerely,
For and on behalf of
Energy World Corporation Ltd.

Brian Allen
Executive Director
