ASX RELEASE

20 March 2023

Delay in lodgement of Appendix 4D and Interim Financial Report with ASIC

As announced on 1 March 2023, the lodgement of Energy World Corporation Limited (ASX:EWC) (Energy World or the Company) Appendix 4D and Interim Financial Report for the half-year ended 31 December 2022 (**Half Yearly Report**) has been delayed.

Despite the Company taking prompt action and endeavours to mitigate the impact of the circumstances outside of its control, the Half Yearly Report has still not been completed.

EWC understands its continuing obligations to lodge the Half Yearly Report, and the Company and its relevant advisers are working as quickly as possible to finalise the review.

Trading in the Company's shares will remain suspended by the ASX until the Appendix 4D, and the Half Yearly Report are released to the ASX. EWC is working with the accounting team in Indonesia to expedite the process and to lodge the Appendix 4D and Half Yearly Report as soon as possible, which it expects to be within the next month.

Yours sincerely,
For and on behalf of
ENERGY WORLD CORPORATION LTD.

Brian Allen
Executive Director
