### On-Market Share Buy-Back Program update

FleetPartners Group Limited (**FPR** or **Group**) refers to the Group's 1H23 results announcement today in relation to its on-market share buy-back program.

The Group's on-market share buy-back program is scheduled to re-commence on Wednesday, 10 May 2023, subject to customary conditions including ongoing compliance with ASX Listing Rules and no superior alternative uses of capital emerging. Please refer to the Group's ASX Release and Investor Presentation dated 8 May 2023 for further details.

In the interests of ensuring that the market is fully informed prior to re-commencing the on-market share buy-back program, the Group notes that it has been informed by a strategic party that the party is considering acquiring a significant minority equity interest, potentially through market purchases within permitted limits. However, the Group notes that there is no certainty that the party will proceed.
