

ASX Release

11 May 2023

2023 Investor Technology Day

Appen Ltd (ASX: APX) (Appen) advises that its 2023 Investor Technology Day will be held on Friday 26 May 2023, from 2:00pm to 4:00pm AEST.

The event will feature presentations by Appen's CEO & President Armughan Ahmad and members of the management team who will outline Appen's strategy refresh with a focus on generative AI.

A live webcast (audio with slides) can be accessed through the investor relations section of Appen's website. A replay of the webcast and related presentation materials will be available following the presentation on the website.

Authorised for release by Mr Armughan Ahmad, Chief Executive Officer, President and Managing Director.

About Appen

Appen is a global market leader in data for the AI Lifecycle. With over 25 years of experience in data sourcing, data annotation, and model evaluation by humans, we enable organisations to launch the world's most innovative artificial intelligence systems.

Our expertise includes a global crowd of more than 1 million skilled contractors who speak over 235 languages, in over 70,000 locations and 170 countries, and the industry's most advanced AI-assisted data annotation platform. Our products and services give leaders in technology, automotive, financial services, retail, healthcare, and governments the confidence to launch world-class AI products.

Founded in 1996, Appen has customers and offices globally.
