

30 June 2023

Proactive Investors Interview

Alma Metals Limited (ASX: ALM, “the Company” or “Alma”) advises that Managing Director, Frazer Tabeart, has been interviewed by Proactive Investors following the announcement of final assays from the recently completed drilling campaign at the Briggs Copper Project. Drilling results confirm the extension of Cu-Mo mineralisation to support an upcoming mineral resource update (refer ASX announcement of 28 June 2023).

The interview can be viewed on the Company’s website at <https://almametals.com.au/news>

This announcement is authorised for release by Managing Director, Frazer Tabeart.
