About Marley Spoon Group SE

Marley Spoon Group SE, through its subsidiary Marley Spoon, is a global direct-to-consumer (DTC) meal-kit company. Our Vision is to “Build a better everyday, just for you, just right”. We started Marley Spoon in 2014 to help our customers to cook for their families and deal with their busy lives. We also felt there should be a more sustainable way to cook at home, reducing food waste that traditional supermarket supply chains generate. Marley Spoon currently operates various brands in three regions: Australia, the United States, and Europe (Austria, Belgium, Germany, Denmark, and the Netherlands). Our meal-kit brands, Marley Spoon, Martha Stewart & Marley Spoon, and Dinnerly, bring pre-portioned fresh ingredients with tasty and simple recipes and other eating solutions reliably to our customers every week. Our customers just decide what to eat, when to eat, and leave behind the hassle of grocery shopping. Chefgood is our direct-to-consumer ready-to-heat (RTH) service that offers premium-priced, high-quality, healthy, and nutritious RTH meals and eating solutions for our wellness and health-focused customers.

Marley Spoon's company culture is defined by autonomy, transparency and accountability. We are driven by our purpose, we are ambitious, and overall we believe in principles over policies. We are proud to have an international, diverse team with a balanced team-member gender ratio, and we continually strive to build the best team.
