## Judo achieves \$9 billion lending book

Judo Bank (ASX:JDO) today provided an update on its loan book ahead of its FY23 financial results.

Judo recorded its strongest ever month of growth in June, with \$478 million growth in Gross Loans and Advances (GLAs). Momentum in settlements has continued into the new financial year, and as of 14 July the bank's balance of GLAs exceeded \$9 billion, consistent with the Group's FY23 guidance.

Judo's balance for GLAs on 30 June 2023 was \$8.91 billion, representing 46% growth for the FY23 financial year. In addition to GLAs, at balance date Judo had undrawn lines of credit of \$241 million, against which the bank is required to hold regulatory capital and loss provisions, and subsequently derives fee income.

Judo's CEO Joseph Healy said "We are very pleased to have reached a lending book of over \$9 billion whilst maintaining strong credit underwriting standards. The bank's AAA (applications, accepted and approved) pipeline of loans also remains strong at \$1.5 billion.

"We believe our unique relationship-based approach to SME banking, underpinned by our strong team of experienced bankers, positions us well in the current environment to continue our progress towards being a scale player in Australian banking."

Judo's financial results for FY23 will be reported on 24 August 2023.
