

ASX Announcement

Victorian Regulatory Reforms

Sydney: Monday, 17 July 2023

Endeavour Group (ASX:EDV) acknowledges the announcement made by the Victorian Government on Sunday, 16 July 2023 regarding reforms for poker machines in the State. We welcome the opportunity to work closely with the Government via participation in government-nominated working groups as they determine timelines and models for these proposed changes.

There is still a great deal of detail to work through including implementation timelines - and so it is very difficult to speculate on the impact of these reforms at this time. However it is worth noting that if introduced, these reforms would be consistent with measures either already in place or being considered by several other states, including some of which Endeavour Group is already working with Governments and regulators to help trial and introduce.

The release of this announcement was authorised by the Disclosure Committee.
