**JOHNS LYNG GROUP – RESULTS OF SHARE PURCHASE PLAN**

Johns Lyng Group Limited ("**Johns Lyng Group**" or "**JLG**") is pleased to announce the results of its previously announced Share Purchase Plan ("**SPP**") which closed at 5.00pm (Sydney time) on Wednesday, 26 July 2023.

The SPP, which sought to raise up to A\$5.0m, was strongly supported by eligible shareholders with JLG receiving applications totalling approximately A\$16.0m at an issue price of A\$5.15 per fully paid ordinary share in JLG (**Share**), which was the same issue price applicable to the Placement launched on Wednesday, 5 July 2023.

The strong interest has required a scaling back of valid applications as the Board has determined to cap the SPP at A\$5.0m. As foreshadowed in JLG's earlier announcements, the scale back was applied having regard to the pro-rata shareholding of eligible shareholders (as at 7.00pm (Sydney time) on the record date being Tuesday, 4 July 2023) who applied for Shares under the SPP, rounded down to reflect a whole number of Shares.

Any excess funds as a result of the scale back will be returned to applicants without interest as soon as practicable. As a result, approximately 970,873 Shares will be issued on Wednesday, 2 August 2023, representing approximately 0.4% of JLG's shares on issue.

Holding statements are expected to be dispatched and trading of the new Shares on ASX is expected to commence on Thursday, 3 August 2023. Refunds for scaled back applications (as well as late and invalid applications) are also expected to be made from Thursday, 3 August 2023.

New Shares will rank equally with existing Shares from their date of issue.
