

ASX ANNOUNCEMENT

ANAGENICS LIMITED (ASX: AN1) – Q4 F23 BUSINESS ACTIVITY REPORT

- **Continued revenue growth and business transformation**
- **Strong customer sales performance from BLC business (up 14% on pcp)**
- **New brand distribution agreement**

SYDNEY, Monday 31 July 2023

Commentary on Q4 F23 performance

Total revenue and other income across the Group for Q4 F23 was \$2.2M¹ (Q4 F22: \$3.0M). Excluding Advangen Japan (a business sold in July 2022) total underlying sales revenue improved by 4.4% on the pcp.

The BLC business recorded total revenue and other income in the quarter of \$1.8M (Q4 F22: \$1.6M). This was primarily across the key professional brands (Thalgo, Lightstim and Inika Organic) but also a growing contribution from USPA (a brand recently acquired by Anagenics in December 2022). Direct to consumer sales (D2C) continued to improve in the current quarter (up 35% on pcp) across all major categories, including our patent hair loss brand - Evolis. The business continues to invest in the D2C channel as more customers choose to transact online.

Net operating cash outflows for the Group in Q4 F23 improved on the prior quarter to \$0.5M (19%). This was due to sustaining revenue (despite difficult trading conditions) and the continuation of cost savings arising from the business transformation projects designed to drive efficiencies across key business functions. These savings were mainly in the form of reduced corporate headcount and timing of advertising expenditure but also a reduction in legal and professional costs associated with the capital raising which was completed in Q3 F23.

Payments to related parties in Q4 F23 totalled \$134K and were in relation to remuneration paid to AN1 Directors.

BLC Cosmetics Growth

Pleasingly, the continued prioritisation and investment into BLC is compounding returns as the business grew a further 14% on pcp, solidifying the benefits the AN1 platform is providing. In addition to this growth, BLC has recently signed a 3-year exclusive distribution agreement for salon & professional channel across Australian & New Zealand with Australian skincare brand Alpha H.

Approved for release by the Board of Directors.

¹ All figures quoted in the Business Activity Report are subject to final audit adjustments, if any.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
