**About Audinate Group Limited**

Audinate Group Ltd (ASX:AD8) was founded with a vision to pioneer the future of AV. Audinate's award-winning Dante IP networking solution is the worldwide leader and used extensively in the professional live sound, commercial installation, broadcast, public address, and recording industries. Dante replaces traditional analogue cables by transmitting perfectly synchronised AV signals across large distances to multiple locations at once, using nothing more than an Ethernet cable. Audinate is headquartered in Australia and has regional offices in the United States, United Kingdom, Belgium, and Hong Kong. Dante technology powers products available from hundreds of leading audio and video partners around the world. The Company's ordinary shares are traded on the Australian Securities Exchange (ASX) under the ticker code AD8.
