
CLEANSPACE HOLDINGS ANNOUNCES APPOINTMENT OF MS BREE GREEFF AS INTERIM CHIEF FINANCIAL OFFICER (“CFO”)

1 August 2023: CleanSpace Holdings Limited (ASX:CSX, “CleanSpace” or the “Company”) an Australian company that designs, manufactures and sells leading respiratory protection solutions for healthcare and industrial markets, today announces the appointment of a new Interim Chief Financial Officer (“CFO”).

Ms Bree Greeff joined CleanSpace in May 2022 as Financial Controller and will step up into the Interim CFO role from 1 August 2023. She succeeds Ms Elizabeth Harvey who announced her resignation on 16 May 2023, with effect 28 August. Ms Harvey will complete the FY23 full year results prior to her departure.

Ms Greeff has previously held finance management roles with Publicis (a creative solutions agency) for 6 years, J Melnick & Co (a diversified brand manager) for 5 years, as well as transport and mining companies, all in South Africa. She holds a B Compt degree in Accounting & Auditing and is a member of the Chartered Institute of Management Accountants (CIMA).

“Bree has demonstrated her aptitude for this role during her time at CleanSpace where she has become an essential member of the team. She will bring deep knowledge of the business to this role, and we anticipate a smooth handover from Elizabeth” said Graham McLean, CEO of CleanSpace.

ABOUT CLEANSPACE

CleanSpace is a Sydney-based designer and manufacturer of respiratory protection equipment for healthcare and industrial solutions, founded by a team of biomedical engineers with experience in respiratory medical devices. CleanSpace is passionate about continually improving health outcomes, safety and standards of care for people who need it most. In the last 20 years, technology has driven unprecedented advances protecting people’s health, and we have brought this to personal respiratory protection. The Company continues to invest in research and development programs resulting in truly differentiated powered air purifying respirators (PAPRs)

CleanSpace has world class leading technology and advanced solutions for large employers and their staff that significantly increases the level of personal protection; improves ease of use and compliance; and achieves material cost savings and sustainability for their operations. Higher protection for frontline workers means better health outcomes for millions of people, now and into the future.
