

THE STAR

## ASX Announcement

21 August 2023

### RESULTS DATE AMENDMENT

The Star Entertainment Group's FY23 results will be released on 29 August 2023. This date change (from 24 August) has been made to provide additional time to finalise the Group's accounts, specifically the conclusion of an impairment process which will include consideration of the recent NSW casino duty rates announcement.

The Group advises it does not expect its underlying earnings for the reporting period to differ from the guidance previously announced on 19 April 2023, namely for:

*"FY23 EBITDA to be in the order of \$280 million to \$310 million.....The FY23 underlying EBITDA excludes provisions for fines, costs associated with the ongoing regulatory reviews (legal, consultant and other costs) and any one-off costs associated with the Group's cost initiatives, all of which will be treated as significant items".*
