ASX RELEASE

21 August 2023

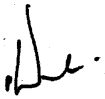

ASX Operations
Level 40 Central Park
152-158 St George's Terrace
PERTH WA 6000*Via Email***TRADING HALT REQUEST**

In accordance with ASX Listing Rule 17.1 and as instructed by the ASX, 4DS Memory Limited (**Company**) requests that its securities be placed into an immediate trading halt.

In accordance with ASX Listing Rule 17.1, the Company advises that:

1. After additional testing cycles to guarantee a comprehensive analysis of the Fourth Platform Lot, the Company requests a trading halt whilst it undertakes a review of the newly compiled data.
2. The Company requests that the trading halt remains in place until the earlier of the release of an announcement or commencement of trading on Wednesday, 23 August 2023; and
3. The Company is not aware of any reason why this trading halt request should not be granted.

This request is authorised by the Board.

Peter Webse
Company Secretary

About 4DS

4DS Memory Limited (ASX: 4DS), with facilities located in Silicon Valley, is a semiconductor development company of non-volatile memory technology, pioneering Interface Switching ReRAM for next generation gigabyte storage in mobile and cloud. Established in 2007, 4DS owns a patented IP portfolio, comprising 34 USA patents granted which have been developed in-house to create high-density Storage Class Memory. 4DS has a joint development agreement with Western Digital subsidiary HGST, a global storage leader, which accelerates the evolution of 4DS' technology. 4DS also collaborates with imec, a world-leading research and innovation hub in nanoelectronics and digital technologies. The combination of imec's widely acclaimed leadership in microchip technology and profound software and information and communication technology expertise makes them unique.
