LETTER FROM THE CHAIR

ROBERT COLE

CHAIR

Dear Shareholders,

I am pleased to invite you to attend the 2023 Annual General Meeting of Perenti Limited (**Meeting**), which will be held at 11.00am (AWST) on Friday 13 October 2023 at The Westin Hotel, 480 Hay St, Perth, Western Australia and online via Link's online meeting platform. Registration will be available from 10.30am (AWST).

The Meeting provides an opportunity for you to ask questions and hear from your Board and Group Executive Committee.

This Notice of Meeting describes the business that will be proposed and sets out the procedures for your participation and voting.

To enable participation by Shareholders in the Meeting without physical attendance, the Company has arranged virtual access to the Meeting via <https://meetings.linkgroup.com/PRN23>.

Shareholders do not need to attend the Meeting physically in order to cast their votes or to participate in the Meeting. The Company therefore recommends that Shareholders who do not wish to attend the Meeting in person, but who wish to vote, do so by:

1. participating in the virtual meeting (further details below) and casting a vote online; or
2. appointing the chair of the Meeting as their proxy (and where desired, directing the chair how to vote on a Resolution) by completing and returning the Proxy Form.

It is recommended that Shareholders log in to the online platform at least 15 minutes prior to the scheduled start time for the Meeting by navigating to <https://meetings.linkgroup.com/PRN23> on a supported web browser on your computer or online device.

To register to vote on the online platform, you will need your Shareholder Reference Number (SRN) or Holder Identification Number (HIN), which is printed at the top of your Proxy Form, and your postcode.

Proxyholders will need a proxy code. This will be provided by the share registry, Link Market Services, via email within 24 hours prior to the Meeting.

As would be the case when attending a meeting in person, Shareholders will be able to view proceedings live, ask questions or make comments (either in writing or orally) via the platform and vote at the appropriate times while the Meeting is in progress.

All Resolutions will be conducted by poll. More information regarding online attendance at the Meeting (including how to vote, comment and ask questions virtually during the Meeting) is available in the Virtual Meeting Online Guide, which is attached at Annexure B.

Your Directors are unanimously of the opinion that all of the Resolutions proposed in this Notice are in the best interests of Shareholders and of the Group. Accordingly, they recommend (except where your Directors have abstained from making a recommendation due to having an interest in the outcome of the resolution) that you vote in favour of all of the Resolutions.

I look forward to your participation at the Meeting and thank you for your continued support.

Yours sincerely

However, a person (the "voter") may cast a vote as a proxy where the vote is not cast on behalf of such a member or a closely related party of such a member and the voter is either:

- a. appointed as a proxy by writing that specifies how the proxy is to vote on Resolution 1; or

To consider and, if thought fit, to pass the following as an ordinary resolution:

"That, for the purposes of ASX Listing Rule 10.17 and Article 65.1 of the Company's Constitution and for all other purposes, the maximum annual aggregate remuneration that may be paid to the Company's non-executive directors for their ordinary services as directors is increased by \$200,000 from \$1,200,000 per annum to \$1,400,000 per annum."

Voting exclusion statement

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for Shareholders to outline information concerning the Resolutions, and to assist Shareholders to assess the merits of approving the Resolutions contained in the Notice.

It contains important information.

The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Resolution 1 – Adopt Remuneration Report

The Remuneration Report is included in the Directors' Report from pages 72 to 93 of the Company's 2023 Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of key management personnel and the Company's performance; and
- sets out the remuneration arrangements in place for the Directors and other key management personnel.

Section 250R(2) of the Corporations Act requires a resolution that the Remuneration Report be adopted be put to the vote at the Company's AGM. In accordance with the Corporations Act, the vote is advisory only and does not bind the Directors or the Company.

The Board will consider the outcome of the vote and comments made by Shareholders on this Resolution at the AGM when reviewing the Company's remuneration policies.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if 25% or more of the votes cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution (spill resolution) that another meeting be held within 90 days at which all of the Company's Directors (not including the Managing Director) must be up for re-election.

At the Company's last AGM, the votes cast against the Remuneration Report represented less than 25% of the total votes cast. A spill resolution will therefore not be required at this AGM.

Key management personnel details of whose remuneration are included in the Remuneration Report and their closely related parties are prohibited from voting on Resolution 1, except in the circumstances described in the voting exclusion statement set out in the Notice.

The Company encourages all eligible Shareholders to vote in favour of adopting the Remuneration Report.

Resolutions 2 to 3 – Re-election of Directors

Mr Timothy Longstaff and Mr Robert Cole will retire at the Meeting under the director rotation provisions of Article 60 of the Company's Constitution.

Mr Longstaff and Mr Cole, being eligible, each offer themselves for re-election as directors at the Meeting.

The Board (other than Mr Longstaff and Mr Cole, who each abstained in relation to their own re-election) unanimously recommends to Shareholders the re-election of Mr Longstaff and Mr Cole.

The Board's recommendation in respect of the re-election of existing Directors is not automatic and is contingent

on their past performance, contributions to the Company, and the current and future needs of the Board and the Company. The Board is required to have a process in place to undertake an annual review of the Board and the individual Directors.

On the basis of its evaluations, and on the basis of the observations of Directors during the financial year, the Board considers that each of Mr Longstaff and Mr Cole:

- has demonstrated commitment to his role;
- makes a valuable contribution to the quality of the Board's decision making; and
- contributes to the Board having an appropriate mix of skills, backgrounds, knowledge, experience and diversity to effectively execute the Company's strategy.

Further details in relation to Mr Longstaff and Mr Cole are set out below and in the Directors' Report in the Company's 2023 Annual Report.

Resolution 2 – Re-election of Mr Timothy Longstaff

Mr Longstaff was appointed as a non-executive director of Perenti on 16 August 2021.

Through his career in Australia and overseas, Mr Longstaff brings a depth of experience in finance, strategy formulation, acquisitions and divestments, debt and equity capital markets, and investor engagement amongst asset-intensive industrial companies.

Mr Longstaff holds a Bachelor of Economics degree, is a Fellow of the Institute of Chartered Accountants in Australia and New Zealand, a Graduate of the Australian Institute of Company Directors, and a Senior Fellow of the Financial Services Institute of Australia.

Mr Longstaff started his career in the audit division of Price Waterhouse. He then had a 25-year career in investment banking, with many years in Managing Director and senior executive roles at top-tier global firms. He has been a strategic partner and advised the Boards and CEOs of leading Australian and international companies on transformational M&A and capital markets transactions.

More recently, Mr Longstaff served as Senior Advisor to the Federal Minister for Finance and Leader of the Government in the Senate, and the Federal Minister for Trade, Tourism and Investment. Through this experience Mr Longstaff brings valuable global geo-political perspectives and insights into the workings of Government.

Mr Longstaff is also a non-executive director of ASX-Listed Ingham's Group Limited; ASX-Listed Aurizon Holdings Limited; Aurizon Network Pty Ltd; Snowy Hydro Limited; and of the George Institute for Global Health. Mr Longstaff is also a member of the Australian Government's Takeovers Panel and a member of Chifley Associates.

As at the date of this Notice, Mr Longstaff has been a Director of the Company for approximately 2 years and 1 month. Mr Longstaff is Chair of the Safety and Sustainability Committee and is a member of the Audit and Risk Committee and the Nomination Committee.

The Board considers that Mr Longstaff's independence has not been impaired during his tenure and he is therefore considered to be an independent Director.

The Board considers that Mr Longstaff's extensive experience in finance, strategy formulation, acquisitions and divestments, debt and equity capital markets, and investor engagement amongst asset-intensive industrial companies deepens the Board's existing skills and expertise.

The Board (other than Mr Longstaff, who abstains) unanimously recommends that Shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Mr Rob Cole

Mr Robert Cole was appointed as a non-executive director on 14 July 2018 and was appointed as Chair on 8 May 2021.

Mr Cole has over 35 years' experience in the energy and resources industry. He is a former executive director on the board of Woodside Petroleum Limited and a former managing director of Beach Energy Limited. He is also former Chair of Synergy, Southern Ports, Landgate and the Australian Petroleum Production and Exploration Association. Prior to joining the oil and gas industry, Mr Cole was a partner in the law firm now known as King & Wood Mallesons.

Mr Cole is currently Chair of Iluka Resources Limited, Chair of Perth Airport Pty Ltd and a member of the Council of Curtin University.

Mr Cole holds Bachelor of Science and Bachelor of Laws degrees from the Australian National University in Canberra. He has also completed the Harvard Business School Advanced Management Program.

As at the date of this Notice, Mr Cole has been a Director of the Company for approximately 5 years and 2 months.

Mr Cole is a member of the People and Remuneration Committee, the Audit and Risk Committee, the Nomination Committee and was a member of the Safety and Sustainability Committee until January 2023.

The Board considers that Mr Cole's independence has not been impaired during his tenure and he is therefore considered to be an independent Director.

The Board considers that Mr Cole's extensive legal and commercial experience deepens the Board's existing skills and expertise.

The Board (other than Mr Cole, who abstains) unanimously recommends that Shareholders vote in favour of Resolution 3.

Resolution 4 – Issue of Performance Rights to Mr Mark Norwell – FY2024 long term incentive

The Company is proposing to grant and issue 1,086,903 Performance Rights under the Incentive Rights Plan to the Managing Director of the Company, Mr Mark Norwell, or his nominee (the **Proposed FY24 Issue**).

Listing Rule 10.14 provides that a listed company must not permit a director (or certain other persons) to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders.

The Proposed FY24 Issue falls within Listing Rule 10.14 and therefore requires the approval of Shareholders.

If Resolution 4 is not passed, the Company will not be able to proceed with the Proposed FY24 Issue.

If Resolution 4 is passed, the Company will be able to proceed with the Proposed FY24 Issue. The proposed grant of Performance Rights constitutes Mr Norwell's long-term incentive for the financial year ending 30 June 2024 and Performance Rights for this tranche will vest based on performance over the period 1 July 2023 to 30 June 2026 (**FY24 Performance Period**).

The 1,086,903 Performance Rights proposed to be issued under this Resolution 4 will (if not vested) lapse at the end of the FY24 Performance Period.

The Company notes that the Incentive Rights Plan has been updated for compliance with the new Australian regulatory regime for employee share schemes that came into effect in October 2022, and to ensure it remains compliant with relevant tax laws. Please refer to Annexure A for detailed information about the Incentive Rights Plan, including vesting conditions for Performance Rights issued under the Incentive Rights Plan. Under the Incentive Rights Plan, the Board retains the right to vary or waive any vesting conditions in its discretion.

Mr Mark Norwell, as Managing Director of the Company, is entitled to participate in the Incentive Rights Plan.

The Board considers that the issue of Performance Rights to Mr Norwell (or his nominee) under the Incentive Rights Plan is in the Company's interests as it further aligns the interests of Mr Norwell as the Managing Director with the interests of Shareholders in order to maximise Shareholder value.

Further, the issue of Performance Rights provides cost effective remuneration to Mr Norwell in his role as Managing Director of the Company.

The number of Performance Rights was calculated with input from an independent remuneration advisor who has indicated that the total remuneration package (including the grant of Performance Rights) for Mr Norwell's role is within the range of market practice for similar roles in comparable ASX listed and private companies, and is therefore reasonable remuneration. The Directors are therefore comfortable that the grant of the Performance Rights would constitute reasonable remuneration for the purposes of section 211 of the Corporations Act and no separate approval is being sought under Chapter 2E of the Corporations Act in relation to the grant of Performance Rights to Mr Norwell.

No exercise price is payable on exercise of the Performance Rights and the Company will not raise any funds from the grant of the Performance Rights to Mr Norwell (or his nominee) or on their exercise.

It is proposed that further grants of Performance Rights will be made to Mr Norwell each year as a long term incentive.

Information required by Listing Rule 10.15

Listing Rule 10.15 sets out the information that must be provided to Shareholders in order to obtain Shareholder approval under Listing Rule 10.14. The following information is provided in accordance with Listing Rule 10.15:

- i. The person to acquire Performance Rights under the Incentive Rights Plan is Mr Mark Norwell, the Managing Director of the Company (or his nominee).
- ii. Mr Norwell, being a director of the Company, falls within Listing Rule 10.14.1. His nominee (if applicable) would fall within Listing Rule 10.14.2 as an associate of Mr Norwell.
- iii. Mr Norwell's current total remuneration package is (subject to any review in the ordinary course):
 - \$1,110,000 in salary and superannuation and \$42,155 in non-monetary benefits;
 - a short term incentive maximum opportunity of up to \$1,110,000 (with award payable two thirds in cash and one third in STI Rights); and
 - a long term incentive maximum opportunity of up to \$1,332,000 in Performance Rights (being the 1,086,903 Performance Rights the subject of Resolution 4).
- iv. Mr Norwell (or his nominee) will acquire a maximum of 1,086,903 Performance Rights under the Incentive Rights Plan for the financial year ending 30 June 2024, which Performance Rights may vest into a maximum of 1,086,903 Shares if stretch performance targets are met.
- v. A summary of the material terms of the Incentive Rights Plan, the Performance Rights to be issued under the Incentive Rights Plan and the vesting conditions attached to the Performance Rights are set out in Annexure A.
- vi. The Performance Rights are being used as an incentive, motivation and retention tool for Mr Norwell, to link remuneration to performance, and to provide cost effective remuneration for Mr Norwell. Performance Rights are used because they provide greater alignment with Shareholders' interests by enabling participants to

acquire Shares provided performance hurdles are met over a period of time. Use of Performance Rights also provides the Board with the opportunity to consider clawback or malus requirements when approving vesting at the time when the Performance Rights become eligible to vest.

- vii. The indicative total value of the Performance Rights to be issued to Mr Norwell is \$1,332,000 based on a maximum grant value of 120% of Mr Norwell's salary and superannuation (being \$1,110,000) at \$1.2255 per Performance Right, which is the 10-day volume weighted average share price up to and including 23 June 2023. This period is being used rather than the 10-trading day VWAP up to and including 30 June 2023 to ensure that the VWAP reflects undisturbed trading rather than being influenced by the announcement of the proposed acquisition of DDH1 Limited on 26 June 2023.
- viii. The Performance Rights will be issued to Mr Norwell (or his nominee) for nil cash consideration (in line with the terms of the Incentive Rights Plan), as part of his remuneration package.
- ix. As at the date of this Notice, 6,169,868 Performance Rights and 967,831 STI Rights have previously been issued to Mr Norwell under the Incentive Rights Plan for nil cash consideration.
- x. A voting exclusion statement in respect of Resolution 4 is set out in the Notice.
- xi. No loan will be provided in relation to the acquisition of the Performance Rights.
- xii. It is proposed that Mr Norwell (or his nominee) will be issued the Performance Rights as soon as practicable (and in any event within 3 years) after the date of the Meeting.
- xiii. Details of any Performance Rights issued under the Incentive Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- xiv. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Incentive Rights Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.

If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1.

The Directors (with Mr Norwell abstaining) believe that the future success of the Company depends on the skills and motivation of the people engaged in the management of the Company's operations. It is therefore important that the Company is able to retain people of the highest calibre, such as Mr Norwell.

The Directors (excluding Mr Norwell) consider that the issue of the Performance Rights to Mr Norwell is an appropriate form of remuneration for Mr Norwell and is part of a reasonable remuneration package (taking into account the Company's and Mr Norwell's circumstances).

The Board (other than Mr Mark Norwell, who abstains) unanimously recommends that Shareholders vote in favour of Resolution 4.

Resolution 5 – Issue of STI Rights to Mr Mark Norwell – FY2023 short term incentive

The Company is proposing to grant and issue up to a maximum of 284,463 STI Rights under the Incentive Rights Plan to the Managing Director of the Company, Mr Mark Norwell, or his nominee (the **Proposed STI Issue**). Mr Norwell, as Managing Director of the Company, is entitled to participate in the Incentive Rights Plan.

Listing Rule 10.14 provides that a listed company must not permit a director (or certain other persons) to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders.

The Proposed STI Issue falls within Listing Rule 10.14 and therefore requires the approval of Shareholders.

The proposed grant of STI Rights constitutes one third of Mr Norwell's short-term incentive for the financial year ended 30 June 2023, for which STI hurdles have already been met. The STI Rights are therefore not subject to further performance hurdles.

The STI award comprises a portion of Mr Norwell's variable remuneration and is subject to performance measures.

The STI performance measures focus on a mix of financial and non-financial measures, which are assessed at a Company and individual level via the use of a business scorecard modified by an individual outcome.

Achievement of each STI performance measure is on a continuum from threshold through to target, through to stretch. Threshold performance achievement provides for 33.5% of maximum STI opportunity, target achievement paying at 67% of maximum STI opportunity, and stretch achievement paying at 100% of maximum STI opportunity.

The FY2023 STI scorecard for Mr Norwell is set out in the Remuneration Report in the Company's 2023 Annual Report.

The STI Rights proposed to be issued under this Resolution 5 will vest 12 months after the date they are granted in accordance with the terms of the Incentive Rights Plan.

If Resolution 5 is passed, the Company will be able to proceed with the Proposed STI Issue. The Board considers that the issue of STI Rights to Mr Norwell (or his nominee) under the Incentive Rights Plan is in the Company's interests as it further aligns the interests of Mr Norwell as the Managing Director with the interests of Shareholders in order to maximise Shareholder value. Further, the issue of STI Rights under the Proposed STI Issue provides cost effective remuneration to Mr Norwell in his role as Managing Director of the Company.

If Resolution 5 is not passed, the Company will not be able to proceed with the Proposed STI Issue, and the remaining balance of Mr Norwell's short term incentive will be paid to Mr Norwell in cash rather than in the form of STI Rights.

The value of STI Rights granted was calculated with input from an independent remuneration advisor who has indicated that the total remuneration package (including the grant of STI Rights) for Mr Norwell's role is within the range of market practice for similar roles in comparable ASX listed and private companies, and is therefore reasonable remuneration. The Directors are therefore comfortable that the grant of the STI Rights would constitute reasonable remuneration for the purposes of section 211 of the Corporations Act and no separate approval is being sought under Chapter 2E of the Corporations Act in relation to the grant of STI Rights to Mr Norwell.

No exercise price will be payable in relation to the STI Rights when the STI Rights vest and the Company will not raise any funds from the grant of the STI Rights to Mr Norwell (or his nominee).

It is proposed that further STI Rights will be granted to Mr Norwell in future years if STI hurdles for that year are met.

Information required by Listing Rule 10.15

Listing Rule 10.15 sets out the information that must be provided to Shareholders in order to obtain Shareholder approval under Listing Rule 10.14. The following information is provided in accordance with Listing Rule 10.15:

- i. The person to acquire the STI Rights under the Incentive Rights Plan is Mr Mark Norwell, the Managing Director of the Company (or his nominee).
- ii. Mr Norwell, being a director of the Company, falls within Listing Rule 10.14.1. His nominee (if applicable) would fall within Listing Rule 10.14.2 as an associate of Mr Norwell.
- iii. Mr Norwell's current total remuneration package (subject to any review in the ordinary course) is:
 - \$1,110,000 in salary and superannuation and \$42,155 in non-monetary benefits;
 - a short term incentive maximum opportunity of up to \$1,110,000 (with award payable two thirds in cash and one third in STI Rights); and
 - a long term incentive maximum opportunity of up to \$1,332,000 in Performance Rights (being the 1,086,903 Performance Rights the subject of Resolution 4).
- iv. Mr Norwell (or his nominee) will acquire up to a maximum of 284,463 STI Rights under the Incentive Rights Plan, which may vest into a maximum of 284,463 Shares after 12 months.
- v. A summary of the material terms of the Incentive Rights Plan and other material terms of the STI Rights to be issued under the Incentive Rights Plan are set out in Annexure A.
- vi. The STI Rights are being used as an incentive, motivation and retention tool for Mr Norwell, to link remuneration to performance, and provide cost effective remuneration for Mr Norwell. STI Rights are used because they provide greater alignment with Shareholders' interests by requiring that the STI Rights are held for 12 months before vesting into Shares. Use of STI Rights also provides the Board with the opportunity to consider clawback or malus requirements when approving vesting at the time when the STI Rights become eligible to vest.
- vii. The indicative total value of the STI Rights to be issued to Mr Norwell is \$348,609, being one third of Mr Norwell's short term incentive award of \$1,045,828, based on a value per STI Right of \$1.2255, which is the 10-day volume weighted average share price up to and including 23 June 2023. This period is being used rather than the 10-trading day VWAP up to and including 30 June 2023 to ensure that the VWAP reflects undisturbed trading rather than being influenced by the announcement of the proposed acquisition of DDH1 Limited on 26 June 2023.
- viii. The STI Rights will be issued to Mr Norwell (or his nominee) for nil cash consideration (in line with the terms of the Incentive Rights Plan), as part of his remuneration package.
- ix. As at the date of this Notice, 6,169,868 Performance Rights and 967,831 STI Rights have previously been issued to Mr Norwell for nil cash consideration under the Incentive Rights Plan.
- x. A voting exclusion statement in respect of Resolution 5 is set out in the Notice.
- xi. No loan will be provided in relation to the acquisition of the STI Rights.
- xii. It is proposed that Mr Norwell (or his nominee) be issued the STI Rights as soon as practicable (and in any event within 3 years) after the date of the Meeting.

xiii. Details of any STI Rights issued under the Incentive Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

xiv. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Incentive Rights Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.

If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1.

The Directors (with Mr Norwell abstaining) believe that the future success of the Company depends on the skills and motivation of the people engaged in the management of the Company's operations. It is therefore important that the Company is able to retain people of the highest calibre, such as Mr Norwell. The Directors (excluding Mr Norwell) consider that the issue of the STI Rights to Mr Norwell is an appropriate form of remuneration for Mr Norwell and is part of a reasonable remuneration package (taking into account the Company's and Mr Norwell's circumstances).

The Board (other than Mr Mark Norwell, who abstains) unanimously recommends that Shareholders vote in favour of Resolution 5.

Resolution 6 – Increase to non-executive director remuneration cap

Article 65.1 of the Company's Constitution allows the Company in general meeting to determine the aggregate maximum yearly amount to be paid to the non-executive directors as remuneration for their ordinary services as directors. This resolution seeks shareholder approval to increase that amount (**Fee Pool**) from \$1,200,000 to \$1,400,000 (an increase of \$200,000).

ASX Listing Rule 10.17 requires shareholder approval for any increase to the Fee Pool. Under the ASX Listing Rules, the term "directors' fees" means all fees payable by the entity or its child entities to a non-executive director for acting as a director of the entity or any child entity and includes committee fees, superannuation contributions and fees which a director sacrifices for other benefits, but does not include reimbursement of genuine out-of-pocket expenses, genuine "special exertion" fees or securities issued to non-executive directors with approval of Shareholders in accordance with the ASX Listing Rules.

The Company's Fee Pool has remained unchanged at the current level of \$1,200,000 per annum since it was last increased following Shareholder approval at the Company's 2019 Annual General Meeting.

The Board has reviewed the current maximum aggregate fee limit for non-executive directors, particularly in light of the expected upcoming Board changes.

As announced to the ASX on 26 June 2023, the Company proposes to acquire 100% of the shares in DDH1 Limited (**DDH1**) by way of a scheme of arrangement transaction (**Scheme**), subject to satisfaction of all conditions precedent to the Scheme.

Following implementation of the Scheme, Diane Smith-Gander AO (current chair of DDH1) and Andrea Sutton (current non-executive director of DDH1) will join the Board. If the Scheme is implemented, Mark Hine (who has served as a Director of the Company for 9 years) will take the opportunity to retire from the Board.

This means the Board will, after implementation of the Scheme, increase in size to 8, being the maximum number of Directors permitted by Article 57 of the Company's Constitution. Such an increase would result in the Company having aggregate non-executive director remuneration which is very close to the existing Fee Pool.

The Company therefore seeks Shareholder approval to increase the Fee Pool by \$200,000.

The Board does not intend to fully utilise the entire increase in the maximum aggregate Fee Pool immediately. Rather, the increase in the Fee Pool is to accommodate an enlarged Board (should the Scheme be implemented) while leaving some excess capacity to ensure that the Company maintains the ability to pay non-executive directors remuneration at levels commensurate with market rates and as necessary to attract and retain directors of the highest caliber.

No securities have been issued to any non-executive director of the Company under ASX Listing Rules 10.11 or 10.14 at any time within the last 3 years.

Additional information regarding the remuneration paid to each non-executive director for the financial year ended 30 June 2023, and the Company's approach to the remuneration of non-executive directors, is set out in the Remuneration Report.

A voting exclusion statement in respect of Resolution 6 is set out in the Notice.

Given the interest of the non-executive directors in this Resolution, the Board makes no recommendation in relation to Resolution 6.

ANNEXURE A

Summary of Incentive Rights Plan and Performance/Vesting Hurdles.

PLAN TERMS

- Eligible executives (or their nominees) will be offered incentive rights that entitle the holder to receive one fully paid share in the Company per incentive right. The incentive rights will be offered as Performance Rights, STI Rights or Retention Rights.
- Incentive rights granted will vest when the Board determines that the conditions in the Plan and the applicable offer invitation have been met.
- Except in the case of STI Rights, the participant must be an employee at the time the incentive rights are eligible to vest and the relevant participant must not have resigned or have been given notice of termination of employment by the Company or a member of the Group.
- Incentive rights carry no entitlements to shares or dividends or other benefits unless and until they vest and shares are issued or transferred to the participant.
- The Board may determine that some or all unvested incentive rights should vest: if a person acquires a relevant interest in more than 50% of the Company's issued capital; if a takeover bid is made to acquire more than 50% of the Company's issued share capital; if a person becomes bound or entitled to acquire shares under section 414, Chapter 6A or section 444GA of the Corporations Act; if a court orders a meeting to consider (or shareholders approve) a scheme of arrangement which would result in a person holding more than 50% of the Company's issued share capital; if the Company is wound up; if the Company is delisted or disposes of all or substantially all of its business or assets; or if the participant ceases to be employed because of circumstances beyond the participant's control.
- Offers under the Plan are made under Division 1A of Part 7.12 of the Corporations Act.
- The Company may arrange for a trustee to subscribe for or purchase shares to be held on trust on behalf of present and future participants.
- The Board has an ongoing discretion to deem unvested incentive rights to have lapsed, and to deem any vested Plan shares to be forfeited, in certain circumstances of fraud, dishonesty, breach of obligation, breach of policy or misconduct (of the participant or any other employee).
- Incentive rights may not be transferred, encumbered or subject to any hedging or derivative instrument intended to limit the economic risk of holding them.
- If the Company reconstructs or reorganises its capital, the incentive rights will be adjusted to the extent necessary to comply with the ASX Listing Rules.
- Subject to the Plan, the ASX Listing Rules and all applicable laws, the Board may amend, add to or waive (including retrospectively) any rule of the Plan, or any restriction or other condition relating to any incentive right granted under the Plan.
- Subject to the Plan, the Board may at any time by written notice to a participant vary or waive a vesting condition.

PERFORMANCE/VESTING HURDLES

- **STI Rights:** STI Rights will become eligible to vest on the date which is 12 months after the date they are granted, irrespective of whether the relevant participant remains employed by the Group at that time, provided that person is not a "bad leaver" as defined in the relevant invitation. STI Rights are not subject to further performance hurdles because STI Rights will only be granted where applicable STI hurdles have already been met. It is intended that one third of each relevant executive's STI award will be granted as STI Rights (which will have the effect of deferring receipt of that component of the award until the STI Rights vest after 12 months).
- **Retention Rights:** Retention Rights will only vest if the participant remains employed by the Group on a particular date. No approvals are being sought in respect of offers of Retention Rights.
- **Performance Rights:** Performance Rights will be divided into three separate tranches, each of which will usually be tested over a three year period ("**Performance Period**") but will be subject to different performance hurdles. Up to 50% of the Performance Rights will vest if the TSR Vesting Condition specified below is met ("**TSR Performance Rights**"), up to 30% of the Performance Rights will vest if the ROE Vesting Condition specified below is met ("**ROE Performance Rights**"), and up to 20% of the Performance Rights will vest if the Strategic Initiatives set out below are met ("**Strategic Initiative Performance Rights**").

Should the acquisition of DDH1 Limited (by way of scheme of arrangement ("**Scheme**")) be implemented, the Board will undertake a review of the vesting conditions to ensure they remain appropriate following the acquisition (and vesting conditions may be adjusted accordingly).

Perenti Share Price

For the purposes of the FY24 long term incentive rights to be issued under the Plan (the subject of Resolution 4), the Share price at the start of the Performance Period is the VWAP for Perenti Shares over the last 10 trading days up to and including 23 June 2023. This period is being used rather than the 10-trading day VWAP up to and including 30 June 2023 to ensure that the VWAP reflects undisturbed trading rather than being influenced by the announcement of the proposed acquisition of DDH1 Limited on 26 June 2023. Unless otherwise determined by the Board, the Share price at the end of the Performance Period is the VWAP for Perenti Shares over the last 10 trading days of the Performance Period.

TSR Vesting Condition

The TSR Performance Rights (being 50% of the Performance Rights issued to a participant) are subject to a performance based Vesting Condition based on relative total shareholder return, or TSR (the "**TSR Vesting Condition**"), details of which are specified below.

Testing

The TSR Vesting Condition will be measured over the Performance Period and will not be retested. If, at the end of the Performance Period, the TSR hurdle (as set out in the table below) is not met then all TSR Performance Rights will lapse (unless otherwise determined by the Board).

TSR Vesting Condition

The Company will measure its relative TSR against a Comparator Group (defined below). The Company's threshold hurdle will locate it at the 50th percentile, its target hurdle at the 62.5th percentile and its stretch hurdle at the 75th percentile of this group. The base TSR of the Comparator Group will be determined as at the commencement of the Performance Period. All TSR Performance Rights will be eligible to vest if the stretch hurdle is achieved in respect of the Performance Period (subject to also meeting the other conditions of the Plan such as continued employment at the end of the Performance Period).

At lower rates of TSR performance, a portion of the TSR Performance Rights may still be eligible to vest as set out in the table below. Therefore, in respect of the TSR Performance Rights (and measured over the Performance Period):

The Company's relative TSR Performance (over Performance Period measured against a base at commencement of Performance Period)	Proportion of TSR Performance Rights that are eligible to vest
Less than 50th percentile (when compared to TSR of Comparator Group) at end of Performance Period.	0%
At 50th percentile (when compared to TSR of Comparator Group) at end of Performance Period.	50%
Between 50th and 75th percentile (when compared to TSR of Comparator Group) at end of Performance Period.	50% plus a straight line increase in % award until Stretch TSR (being TSR at or above 75th percentile) is achieved.
At or above 75th percentile (when compared to TSR of Comparator Group) at end of Performance Period.	100%

Measuring TSR

TSR measures the return to a shareholder over a period taking into account share price growth and dividends paid over the Performance Period. More specifically, the formula for calculating TSR (expressed as a percentage) is:

$$\text{TSR} = \frac{\left(\begin{array}{c} \text{Share price at end} \\ \text{of Performance} \\ \text{Period} \end{array} - \begin{array}{c} \text{Share price at start} \\ \text{of Performance} \\ \text{Period} \end{array} + \begin{array}{c} \text{Dividends per} \\ \text{Share paid during} \\ \text{the Performance} \\ \text{Period} \end{array} \right)}{\begin{array}{c} \text{Share price at start of} \\ \text{Performance Period} \end{array}} \times 100$$

In this regard:

- The Share price at the start and end of the Performance Period is as set out under the heading "Perenti Share Price" above.
- The Company's TSR performance will be measured against those in the Comparator Group. For these purposes, "Comparator Group" means the group of companies selected by the Board for this purpose (while those companies remain listed on ASX), or any successor or acquiring entities listed on ASX or any other recognised securities exchange, as determined by the Board from time to time (with such adjustments as appropriate in the circumstances). As at the date of this Notice, those companies are:
 - Boart Longyear Group Limited; DDH1 Limited; Emeco Holdings Limited; Imdex Limited; Macmahon Holdings Limited; Mader Group Limited; Monadelphous Group Limited; NRW Holdings Limited; and SRG Global Limited.
- At the end of the Performance Period, TSR may be adjusted for the Company, or any entity in the Comparator Group, for changes in the capital structure of the relevant entity that have occurred during the Performance Period (including but not limited to any consolidation, share-split, bonus issue, capital reduction or distribution or spin-out of assets) as determined by the Board.
- If any entity in the Comparator Group ceases to be listed during the Performance Period (for example, in the case of the insolvency of that entity), then in measuring the TSR for the Comparator Group, the TSR for that entity is to be taken into account in the manner determined by the Board.

Determining the number of TSR Performance Rights eligible to vest

After the end of the Performance Period, the Board will determine the extent to which the Company's TSR performance has satisfied the TSR Vesting Condition and the subsequent proportion of the TSR Performance Rights that will be eligible to vest.

As noted above, should the Scheme be implemented, the Board will undertake a review of the TSR Vesting Condition post-implementation of the Scheme to ensure it remains appropriate (and the TSR Vesting Condition may be adjusted accordingly).

ROE Vesting Condition

The ROE Performance Rights (being 30% of the Performance Rights issued to a participant) are subject to a performance based Vesting Condition based on return on equity, or ROE (the "ROE Vesting Condition"), details of which are specified below.

Testing

The ROE Vesting Condition will be measured over the Performance Period and will not be retested. If, at the end of the Performance Period, the ROE hurdle (as set out in the table below) is not met then all ROE Performance Rights will lapse (unless otherwise determined by the Board).

ROE Vesting Condition

The Company will measure its ROE over the Performance Period. The Company's threshold hurdle for the grants of ROE Performance Rights contemplated by Resolutions 3 and 4 is a minimum of 6.0% ROE over the Performance Period, its target is 6.0% to 6.8% ROE over the Performance Period and its stretch hurdle is greater than 6.8% ROE over the Performance Period. ROE over the Performance Period will be calculated as the simple average of the ROE calculations for each of the three relevant financial years.

All ROE Performance Rights will be eligible to vest if the stretch hurdle is achieved in respect of the Performance Period (subject to also meeting the other conditions of the Plan such as continued employment at the end of the Performance Period). At lower rates of ROE growth, a portion of the ROE Performance Rights may still be eligible to vest as set out in the table below.

Therefore, in respect of this grant of the ROE Performance Rights (and measured over the Performance Period):

The Company's ROE (over Performance Period)	Proportion of ROE Performance Rights that are eligible to vest
Less than 6.0% ROE over Performance Period.	0%
6.0% ROE over Performance Period.	30%
Between 6.0% and 6.8% ROE over Performance Period.	30% plus a straight-line increase in % award until Stretch ROE (being >6.8% ROE) is achieved.
Greater than 6.8% ROE over Performance Period.	100%

Issues of Performance Rights in future years may be made subject to different target and stretch hurdles.

Measuring ROE

For these purposes ROE is defined as:

$$\frac{\text{Underlying NPAT(A)}}{\text{Average Shareholder Equity}}$$

Where:

- **“Underlying NPAT(A)”** means the underlying consolidated net profit after tax (but before non-cash amortisation of customer related intangibles) of the Group over the Performance Period attributable to the Company’s Shareholders, normalised for foreign exchange gains or losses and for non-recurring or irregular items (such as transaction costs related to M&A, restructuring costs and other items deemed by the Board to be non-recurring/irregular); and
- **“Average Shareholder Equity”** means the average adjusted consolidated shareholders’ capital and reserves of the Group attributable to the Company’s Shareholders,

each as determined by the Board for this purpose in its absolute discretion.

For consistency, non-controlling interests are excluded in respect of the earnings and shareholders’ equity.

As noted above, the ROE will be calculated for each financial year of the Performance Period, with the ROE over the Performance Period calculated as the simple average of the ROE calculations for each of the three relevant financial years.

Determining the number of ROE Performance Rights eligible to vest

After the end of the Performance Period, the Board will determine the extent to which the Company’s ROE performance has satisfied the ROE Vesting Condition and the subsequent proportion of the ROE Performance Rights that will be eligible to vest.

A number of strategic decisions may be made by the Board during the Performance Period that may impact the ROE. In instances where there is an impact, favourable or unfavourable, the Board will determine on a case by case basis the applicability of that impact to the ROE calculation for the purposes of assessing the proportion of ROE Performance Rights that will be eligible to vest.

It will also review movements in the Company’s gearing ratio and/or the use of share buy-backs or payment of dividends to ensure that these have not unduly influenced an improved ROE outcome. If the Board determines that they have, it can take those factors into account in determining the proportion of ROE Performance Rights that will be eligible to vest.

As noted above, should the Scheme be implemented, the Board will undertake a review of the ROE Vesting Condition post-implementation of the Scheme to ensure it remains appropriate (and the ROE Vesting Condition may be adjusted accordingly).

Strategic Initiative Vesting Condition

The Strategic Initiative Performance Rights (being 20% of the Performance Rights to a participant) are subject to a performance based Vesting Condition based on achieving specific strategic initiatives, the details of which are specified below.

Testing

The Strategic Initiative Vesting Condition will be measured over the Performance Period and will not be retested. If, at the end of the Performance Period, the Strategic Initiatives have both not met threshold performance, then all Strategic Initiative Performance Rights will lapse (unless otherwise determined by the Board).

Strategic Initiative Vesting Condition

The Vesting Conditions for the Strategic Initiative Performance Rights are as set out below. The Board will measure performance over the Performance Period and review performance against each of the Strategic Initiatives at the end of the Performance Period.

Strategic Initiative	Measure / expected outcome	Proportion of Strategic Initiative Performance Rights that are eligible to vest
1	Strategically shift the culture of the organisation to ensure a psychologically safe and inclusive work environment.	50%
2	Maintaining debt leverage below 1.0 times (1.0x), excluding the effect of any acquisitions or other Board approved strategic initiatives. Debt leverage is defined as net debt divided by underlying EBITDA.	50%

Determining the number of Strategic Initiative Performance Rights eligible to vest

After the end of the Performance Period, the Board will determine (at its absolute discretion) the extent to which the Company’s performance has satisfied the Strategic Initiatives Vesting Conditions and the subsequent proportion of the Strategic Initiative Performance Rights in each category that will be eligible to vest.

As noted above, should the Scheme be implemented, the Board will undertake a review of the Strategic Initiative Vesting Condition post-implementation of the Scheme to ensure it remains appropriate (and the Strategic Initiative Vesting Condition may be adjusted accordingly).
