Explanatory Notes

1. Annual Financial Report and Directors' and Auditor's Reports

The Financial Report, Directors' Report and Auditor's Report for the Company in relation to the year ended 30 June 2023 will be laid before the Meeting. There is no requirement for shareholders to approve these reports. However, the Chair of the Meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the business and management of the Company.

Shareholders will also be given a reasonable opportunity to ask questions about, or make comments on, the management of the Company and the Remuneration Report. The Company's external auditor will also attend the Meeting and the Chair of the Meeting will provide a reasonable opportunity for shareholders to ask questions of the auditor relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company and the independence of the auditor.

2. Adoption of the Remuneration Report

The Remuneration Report explains the Company's remuneration policy for directors, chief executive officer and other key management personnel. The Remuneration Report forms part of the Directors' Report.

The vote on this resolution is advisory only and will not bind the directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

Under the Corporations Act, if 25% or more of votes are cast against the adoption of the remuneration report at two consecutive annual general meetings, shareholders will be required to vote at the second of those annual general meetings on a resolution (**spill resolution**) that another meeting of the Company's shareholders be held within 90 days at which all of the Company's directors (other than the managing director) will cease to hold office immediately before the end of that meeting but may stand for re-election at that meeting.

Voting Exclusion Statement

In accordance with the Corporations Act, the Company will disregard any votes cast on this resolution:

- by or on behalf of any member of the key management personnel of the Bega Group (**KMP**) whose remuneration details are included in the 2023 Remuneration Report and any closely related party of such member; and
- as proxy, by a person who is a member of the KMP at the date of the Meeting or their closely related parties,

unless the vote is cast as proxy for a person who is entitled to vote on this resolution:

- in accordance with a direction on how to vote provided by that person; or
- by the Chair of the Meeting, provided that the proxy appointment expressly authorises the Chair to exercise the proxy even though the resolution is connected with the remuneration of a member of the KMP. The Voting Form prepared by the Company includes this authorisation to enable the Chair to vote undirected proxies.

Key management personnel of the Bega Group are the directors of Bega Cheese Limited and other persons having authority and responsibility for planning, directing and controlling the activities of the Bega Group (being Bega Cheese Limited and its subsidiaries), directly or indirectly.

Board recommendation

The Board unanimously recommends that shareholders support the adoption of the Remuneration Report.

The Chair of the Meeting intends to vote all available proxies in favour of this resolution.

3. Re-Election of directors – Mr Peter Margin and Mr Terry O'Brien

Peter Margin and Terry O'Brien, who were last elected to the Board at the 2020 AGM offer themselves for re-election at this year's AGM.

Mr Terrence O'Brien (Item 3(a))

Terrence (Terry) O'Brien, who retires in accordance with the Company's Constitution, offers himself for election. Terry is the Chair of the Nomination Remuneration People and Capability Committee and also a member of the Audit Committee. He is an independent director.

Terry was appointed to the Board on 18 September 2017 and re-elected at the 2020 Annual General Meeting and is pleased to offer himself for re-election.

Terry brings a wealth of experience in the food industry, including a period of the Chairmanship of the Australian Food and Grocery Council and has been responsible for leading growth and acquisition strategies over many years in the industry.

Terry was, from 2001 until 2017, the Managing Director of Simplot Australia Pty Limited, the US owned, but Australian centric, food processor and marketer managing leading Australian brands including Birds Eye, Edgell and John West. Since announcing his retirement in early 2017, Terry has transitioned to a portfolio career and sits on a number of Australian Company Boards. An accountant by training, Terry has been active in finance and management roles in the textile industry for ten years and in the food industry for over 30 years.

Terry currently serves as Chairman of Bundaberg Brewed Drinks Pty Limited.

Board recommendation

The directors, other than Mr O'Brien, recommend that shareholders vote in favour of the election of Mr O'Brien, having regard to his years of experience in the food industry and financial acumen which complements the composition of the Board.

The Chairperson of the Meeting intends to vote undirected proxies in favour of the election of Mr O'Brien.

Mr Peter Margin (Item 3(b))

Peter Margin was previously a director of the Company during the period from June 2011 to January 2019 when he retired due to the demands of his roles with other companies. Peter was re-appointed as a director in September 2020. In accordance with the Constitution, he ceases to hold office at the Meeting and offers himself for election.

Peter has many years of leadership experience in major Australian and international food companies, including Chief Executive of Goodman Fielder Ltd and before that Chief Executive and Chief Operating Officer of National Foods Ltd. Peter has also held senior executive roles in Simplot Australia Pty Ltd, Pacific Brands Ltd, East Asiatic Company and HJ Heinz Company Australia Ltd and in 2020 completed a 4-year transformation role as Executive Chairman at Asahi Beverages Australia.

Peter is currently a Non-executive director of Costa Group Holdings Ltd and Nufarm Limited., and in recent years has also served as a Non-executive director of several prominent ASX listed Agricultural, Food and Industrial manufacturing companies.

Peter has a deep understanding of the dairy industry and is a passionate advocate of the journey Bega Group is currently on to create a great Australian food company.

Board recommendation

The Directors, other than Mr Margin, recommend that shareholders vote in favour of the election of Mr Margin, having regard to his valuable experience in the dairy, food and beverage sectors and his familiarity with the Company's business. He will be an independent director.

The Chairperson of the Meeting intends to vote undirected proxies in favour of the election of Mr Margin.

4. Modifications to the Constitution

Background

When the Company was listed on the ASX in 2011, the Constitution included provisions that required the Board to comprise at least four (4) Supplier Directors. A Supplier Director is a Director who is, or is the representative of a body corporate that is, a dairy farmer that supplies milk to the Company. This requirement is stated in Rule 9.1(a) and is reflective of the Company's co-operative heritage and its business at the time it listed.

Since 2011 the Bega Group has transitioned through acquisitions and organic growth into a much larger and diverse business in which most of its products are sold in retail outlets under well-known brands. While the acquisition of milk from farmers remains an important component of the Bega Group's business, it is part of the Bega Group's focus on the production and sale of branded food products. In order to align with this broader business, the Board considers that it is appropriate to make more Board positions available for Directors with appropriate specialist skills including marketing, supply chain, risk management and financial management.

Proposed amendment

As noted above, the existing Rule 9.1(a) of the Constitution requires the Board to include four (4) Supplier Directors. The current Directors who qualify as Supplier Directors are Barry Irvin, Rick Cross, and Harper Kilpatrick, with a casual vacancy for one Supplier Director position currently existing. The tenure of these three existing Directors will not be affected if the proposed change to Rule 9.1(a) is approved by special resolution of shareholders.

The proposed change to Rule 9.1(a) will reduce the number of Supplier Directors required to be included on the Board from four (4) to two (2). The following summarises the reasons why the Board thinks that this change should be made.

- The change will remove the need to fill the current casual vacancy on the Board with a Supplier Director and make that position available for a new Director with other skills and qualifications.

- In the longer term, the change will enable the achievement of a balance of skills at Board level that is more appropriate to the Bega Group's business.
- As Supplier Directors are not classified as independent directors for the purposes of the ASX Corporate Governance Principles and Recommendations, a reduction in the number of Supplier Director positions will enable the Company to increase the number of independent Directors.
- The inclusion of at least two (2) Supplier Directors on the Board will enable the provision of their valuable input to be retained, including their input on long term milk supply strategy, farmer relationships and milk procurement.

While the Board recommends that shareholders vote in favour of the proposed changes to the Constitution for the above reasons, some shareholders may also consider that the following arguments relevant in reaching their decision on how to vote.

- The inclusion of the current number of Supplier Directors on the Board has contributed to the success of Bega Group and therefore the number of Supplier Directors should not be changed.
- Given the growth of the Bega Group business since 2011, there is no longer any need for the Board to include a separate category of Supplier Directors.

The proposed changes to the Constitution also include the deletion of the definitions of "Merger Agreement", "TMI", "TMI Merger Period", "TMI Supplier" and "TMI Supplier Director". These terms were included in the Constitution to reflect the Company's agreement that, for a period of two years after its acquisition of all of the shares in its subsidiary Tatura Milk Industries, two dairy farmer supplier representatives of Tatura Milk Industries would be included on the Board. This two year period expired some years ago and therefore the definitions as well as the reference to TMI Supplier Directors in Rule 9.1(a) are no longer relevant.

Board recommendation

The Board unanimously recommends that shareholders support the proposed modifications to the Constitution.

The Chair of the Meeting intends to vote all available proxies in favour of the special resolution.
