Board Appointment

Bravura Solutions Limited (ASX: BVS) (Bravura or the Company) announces the appointment to its Board of Mr Charles Crouchman as an independent non-executive director effective immediately.

Charles has deep technical knowledge to advise on the technical and operational plans presented by the Company's CTO organisation for its wide-ranging product portfolio. He has been responsible for leading a global product organisation including product management, product engineering, test engineering and product support. He recently spent 9 years as Chief Product Officer and Chief Technology Officer of Turbonomic, a cloud management tools business and remained with the business after its acquisition by IBM, as Head of Strategy, IT Automation.

Matthew Quinn, Bravura's Chairman commented: "It is great to welcome Charles to the Bravura Board. He brings deep technical knowledge and experience which will bring value as we continue the transformation of our Company"
