The Remuneration Report is contained in the Company’s 2023 Annual Report (available at www.readytech.com.au).

Please note that, in accordance with section 250R(3) of the Corporations Act 2001 (Cth) (**Corporations Act**), the vote on this resolution is advisory only and does not bind the Directors or the Company.

However, a person described above may cast a vote on Resolution 2 as a proxy if the vote is not cast on behalf of a person described above and either:

- a. the proxy appointment is in writing that specifies the way the proxy is to vote on the resolution; or

In accordance with section 250BD of the Corporations Act, a vote must not be cast on Resolution 2 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

“Key management personnel” and “closely related party” have the same meaning as set out in the Corporations Act.

Resolution 3. ReadyTech Equity Incentive Plan

To consider and, if thought fit, pass the following as an ordinary resolution of the Company:

“That for the purpose of ASX Listing Rule 7.2, exception 13 and all other purposes, the ReadyTech Equity Incentive Plan, as described in the Explanatory Memorandum accompanying the Notice of Meeting be approved for the issue of securities under the ReadyTech Equity Incentive Plan.”

In accordance with section 250BD(1) of the Corporations Act, a vote must not be cast on Resolution 4 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared in relation to the business to be conducted at ReadyTech's 2023 AGM to be held at 11.00am (AEDT) on **Tuesday, 21 November 2023**.

The purpose of this Explanatory Memorandum is to provide shareholders of ReadyTech with information that is reasonably required by shareholders to decide how to vote upon the resolutions being put forward at the 2023 AGM.

The Chair of the 2023 AGM intends to vote all available undirected proxies in favour of each resolution.

Resolutions 1, 3 and 4 are ordinary resolutions, which require a simple majority of votes cast by shareholders entitled to vote on the resolution.

Resolution 2, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolution 5 is to be voted on as a special resolution. For a special resolution to be passed, at least 75% of the votes cast by shareholders present and entitled to vote on the resolution must be in favour of the resolution.

Resolution 1. Re-election of Mr Timothy Ebbeck

Mr Timothy Ebbeck retires in accordance with Rule 60.4 of the Constitution and seeks re-election in accordance with Rule 60.5.

Mr Ebbeck was appointed to the Board on 8 March 2019 as an Independent Non-Executive Director and is also the Chair of the Remuneration and Nomination Committee and a member of the Audit and Risk Committee.

Mr Ebbeck has over 35 years of board, executive and advisory experience across a breadth of industries including technology, media, consulting and finance industries.

Mr Ebbeck's executive experience includes roles as Chief Executive Officer of SAP (ANZ), Chief Commercial Officer of SAP Asia Pacific Japan, Managing Director of Oracle (ANZ) and Chief Commercial Officer of NBN Co, as well as Chief Financial Officer of Compaq (ANZ), Unisys (ANZ) and TMP Worldwide (APJ).

Mr Ebbeck's board roles have included being a non-executive director of Indara Digital Infrastructure Limited, Xpon Technologies Ltd (ASX: XPN), Central Coast Local Health District, Museum of Applied Arts and Sciences, CPA Australia, Nextgen Distribution, and Insite Organisation and as Independent Chair of The Yield Technology Solutions.

Mr Ebbeck is currently Principal of Ebbeck TIG Consulting and advisor to emerging technology companies.

Mr Ebbeck's extensive experience has been of great benefit to the Company, particularly Mr Ebbeck's management and technology experience.

Prior to submitting himself for re-election, Mr Ebbeck has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports Mr Ebbeck's re-election as a Non-Executive Director as Mr Ebbeck provides a valuable contribution to the Board and Company, specifically in relation to management and technology matters, and therefore is recommended to shareholders for re-election.

The Directors, with Mr Timothy Ebbeck abstaining, unanimously recommend that shareholders vote in favour of Resolution 1.

Resolution 2. Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) (**Corporations Act**) requires that the section of ReadyTech's Directors' Report dealing with the remuneration of the key management personnel (**Remuneration Report**) be put to the vote of shareholders for adoption by way of a non-binding vote.

Key management personnel (**KMP**) are those persons having authority and responsibility for planning, directing and controlling the activities of ReadyTech including any executive or non-executive director.

Broadly, the Remuneration Report:

- discusses ReadyTech's policy in relation to remuneration of the KMP;
- discusses the relationship between the Board's remuneration policy and Company performance;
- details any performance conditions attached to KMP remuneration; and
- sets out remuneration details for each KMP.

Shareholders can view the full Remuneration Report on ReadyTech's website at www.readytech.com.au.

Following consideration of the Remuneration Report, the Chair of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. A resolution that the Remuneration Report be adopted will then be put to the vote. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration in setting remuneration policy for future years.

Noting that each Director has a personal interest in their own remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that shareholders vote in favour of adopting the Remuneration Report.

Resolution 3. ReadyTech Equity Incentive Plan

The ASX Listing Rules

The ASX Listing Rules generally restrict listed companies from issuing more than 15% of their issued share capital in any 12 month period without shareholder approval.

However, there are exceptions to this restriction, one of which states that general Listing Rule requirements for shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, shareholders approve the issue of securities under the scheme as an exception to the rule.

If the ReadyTech Equity Incentive Plan is approved by shareholders, issues under the ReadyTech Equity Incentive Plan over the next three years will fall under this ASX Listing Rule exception and will not affect the Company's ability to separately issue up to 15% of its total ordinary securities in any 12 month period (without having to obtain further shareholder approval). However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

If shareholders do not approve Resolution 3, the issue of securities under the ReadyTech Equity Incentive Plan will be included in calculating the Company's 15% capacity in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue of the securities.

The purpose of the ReadyTech Equity Incentive Plan

The ReadyTech Equity Incentive Plan is:

- a long term incentive plan established to assist in the motivation, retention and reward of senior management; and

- designed to align the interests of Executives and senior management with the interests of shareholders by providing an opportunity for the participants to receive an equity interest in the Company.

Terms of the ReadyTech Equity Incentive Plan

The terms of the Ready Tech Equity Incentive Plan are set out in the Plan Rules. The key elements of the ReadyTech Equity Incentive Plan are included in Attachment A of this Explanatory Memorandum.

The Company last received shareholder approval of the Equity Incentive Plan at its AGM held on 18 November 2020.

For the purposes of ASX Listing Rule 7.2 exception 13(b), the following information is provided;

- A summary of the key terms of the ReadyTech Equity Incentive Plan are included in Attachment A of this Explanatory memorandum.
- A total of 2,650,025 performance rights have been issued under the ReadyTech Equity Incentive Plan since it was last approved at the Company's AGM on 18 November 2020.
- Subject to shareholder approval, the maximum number of equity securities proposed to be issued under the Equity Incentive Plan over the next three years is 5,838,742 which is 5% of the current number of fully paid ordinary shares on issue.

The Directors unanimously recommend shareholders vote in favour of this Resolution.

Resolution 4. Issue of Performance Rights under the ReadyTech Equity Incentive Plan – Marc Washbourne

This resolution deals with the proposed grant of performance rights (**Performance Rights** or **Rights**) under the Equity Incentive Plan (**Plan**) to Mr Marc Washbourne, Chief Executive Officer and a Director of the Company.

The Plan is intended to align the interest of Mr Washbourne with the interests of shareholders and is governed by the rules of the ReadyTech Equity Incentive Plan.

Awards under the Plan are structured as a Performance Right to receive Shares in the Company at a future date subject to satisfaction of the applicable vesting conditions.

The Company has agreed, subject to obtaining shareholder approval to grant a total of 100,334 Performance Rights to Mr Washbourne.

The ASX Listing Rules and the Corporations Act set out a number of regulatory requirements which must be satisfied. These are summarised below.

Listing Rule 10.14 requires the approval of ordinary shareholders to issue securities under an employee incentive scheme to a Director of the Company. Accordingly, approval for the grant of the Performance Rights to Mr Washbourne is required.

Approval of this resolution will result in the grant of Performance Rights to Mr Washbourne falling within exception 14 in Listing Rule 7.2 (in addition to exception 13). Therefore, the issue of securities to Mr Washbourne will not be included in the 15% calculation for the purposes of Listing Rule 7.1. The issue of Shares in the Company on the exercise of the Performance Rights will also be excluded from Listing Rule 7.1.

If shareholders do not approve this Resolution, the proposed issue of 100,334 Performance Rights to Mr Washbourne will not proceed, and the Board may need to consider alternative remuneration arrangements. The Board considers it is important for ReadyTech to offer incentives to its executives that are in line with market practice so that it can drive executive performance, attract and retain the right talent and align Mr Washbourne's interests with those of shareholders.

Purpose of the Plan

The Company has established the Plan to assist in the motivation, retention and reward of senior executives.

The Plan is designed to align the interests of senior executives with shareholders by providing an opportunity for the participants to receive an equity interest in the Company.

Calculation of the Proposed Number of Performance Rights

The number of Performance Rights to be granted has been calculated by dividing the total value of the award by \$2.69 (which is \$2.99 with a 10% discount), which is volume weighted average price (**VWAP**) for the three months prior to the commencement of the Performance Period (so 1 April 2023 to 30 June 2023), with a 10% discount. The value of the award is \$270,000, which is 60% of Mr Washbourne's base salary.

It is proposed that Mr Washbourne be granted 100,334 Performance Rights. If approved, the Performance Rights will be granted to Mr Washbourne for nil financial consideration.

Vesting period

The Performance Period is from 1 July 2023 to 30 June 2026.

100% of the Performance Rights awarded will be tested against the performance conditions and vest (subject to performance against the applicable vesting conditions) in Year 3 (so after 30 June 2026).

Performance conditions

Vesting of the Performance Rights will be subject to:

- an earnings per share (**EPS**) compounded annual growth rate performance condition – applicable to 50% of the Performance Rights (**EPS CAGR Hurdle**); and
- a recurring revenue per share compound annual growth rate performance condition – applicable to 50% of the Performance Rights (**Recurring Revenue CAGR Hurdle**).

EPS CAGR Hurdle – applicable to 50% of the Performance Rights

The EPS CAGR Hurdle has been determined with reference to the macroeconomic environment, relevant benchmarks and the Company's strategy.

No Rights will vest if the compound annual growth rate is below 13%.

Tranche 1 of the Rights will vest subject to a compound annual growth rate in EPS of between a threshold target of 13% and a stretch target of 17%.

Calculation of the CAGR of the EPS and achievement against the EPS Hurdle will be determined by the Remuneration and Nomination Committee of the Company in its absolute discretion, having regard to any matters that it considers relevant.

The use of the EPS CAGR hurdle is considered appropriate as it measures the Company's ability to increase its earnings stream on an individual Shareholder basis.

The percentage of Rights that vest in the EPS tranche, if any, will be determined by reference to the following vesting schedule, subject to any adjustments for abnormal or unusual profit items that the Board, in its discretion, considers appropriate:

EPS Hurdle	Percentage of Performance Rights vesting
Compound annual growth rate of 17% or more	100%
Compound annual growth rate between 13% and below 17%	Pro-rata vesting of the Performance Rights between 50% and 100%
Compound annual growth rate of 13%	50%
Compound annual growth rate of less than 13%	0%

Recurring Revenue CAGR Hurdle – applicable to 50% of the Performance Rights

50% of the Performance Rights are based on a recurring revenue performance condition tested over the period commencing 1 July 2023 and ending on 30 June 2026.

The Recurring Revenue per share CAGR Hurdle has been determined with reference to the macroeconomic environment, relevant benchmarks and the Company's strategy.

No Rights will vest if the compound annual growth rate is below 13%.

Tranche 1 of the Rights will vest subject to a compound annual growth rate in Recurring Revenue per share of between a threshold target of 13% and a stretch target of 17%.

The percentage of Rights that vest in the recurring revenue per share CAGR tranche, if any, will be determined by reference to the following vesting schedule, subject to any adjustments for abnormal or unusual items that the Board, in its discretion, considers appropriate:

Recurring Revenue Hurdle	Percentage of Performance Rights vesting
Compound annual growth rate of 17% or more	100%
Compound annual growth rate between 13% and below 17%	Pro-rata vesting of the Performance Rights between 50% and 100%
Compound annual growth rate of 13%	50%
Compound annual growth rate of less than 13%	0%

Testing of the EPS CAGR Hurdle and Recurring Revenue Hurdle will occur shortly after the end of the relevant performance period and release of the Company's full year audited results for the preceding financial year, and the number of Performance Rights that vest (if any) will be determined.

Additional Terms of the Performance Rights

- Performance Rights do not carry any dividend or voting rights prior to vesting.
- In respect of vested Performance Rights, the Board may in its absolute and unfettered discretion determine to make a cash payment in lieu of allocating some or all of the Shares (**Cash Equivalent Value**) and any Cash Equivalent Value paid will be calculated in accordance with the Plan Rules.

- The Company's obligation to allocate Shares on vesting of the Performance Rights may be satisfied by issuing new shares, procuring the transfer to, or procuring the setting aside for the participant the number of shares in respect of which Performance Rights have vested.
- The Plan contains provisions which give the Board the ability, in certain circumstances, to impose clawback, including the lapse of unvested Performance Rights and forfeit of shares allocated upon vesting of Performance Rights (e.g. in the event of fraud, dishonesty or material breach of obligations to the Group).
- The Performance Rights will be tested against the performance conditions and vest (subject to performance against the applicable vesting conditions) in Year 3 (so after 30 June 2026).
- Performance will be tested at the end of each relevant period (in years 2 and 3) to determine the extent to which ReadyTech has satisfied the performance conditions.
- In the event, in the Board's opinion, there is the likely result of a change in the control (as defined in the Plan rules) of the Company, the Board has discretion to determine that all or a specified number of the Performance Rights vest. The Board has absolute discretion to deal with the Performance Rights and any Shares issued under the Plan in any way it determines and may also determine to lapse all or any of the Performance Rights for nil consideration in the event of a control event or other takeover/control event.

Resolution 4 is an ordinary resolution, which requires a simple majority of votes cast by shareholders present and entitled to vote on the resolution.

The Directors, with Mr Marc Washbourne abstaining, unanimously recommend shareholders vote in favour of the Resolution.

The Directors (apart from Mr Washbourne), who do not have an interest in the outcome of the relevant resolution, unanimously recommend that shareholders vote in favour of this Resolution for the reasons set out below:

- *The Directors consider that it is important for the Company to be able to attract and retain experienced Chief Executive Officer and that the proposed grant of Performance Rights to Mr Washbourne is appropriate taking into account his level of experience and contribution to the Company.*
- *The Directors consider that the proposed number of Performance Rights to be granted to Mr Washbourne is appropriate to:*
 - *motivate Mr Washbourne to pursue long-term growth and success of the Company (within an appropriate control framework);*
 - *align the interests of key leadership with the long-term interests of the Company's shareholders; and*
 - *ensure a clear correlation between performance and remuneration, in accordance with the Company's remuneration policy.*
- *The ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) note that equity-based remuneration can be an effective form of remuneration for executives when linked to hurdles that are aligned to short, medium and longer-term objectives.*

Resolution 5. Renewal of Proportional Takeover Provisions

Clause 25 of the Company's Constitution provides that the Company must not register a transfer of shares which would give effect to a contract, resulting from the acceptance of an offer made under a proportional takeover bid unless shareholders, in a general meeting, approve the offer.

Under the *Corporations Act 2001* (Cth) and Clause 25.8 of the Constitution, Clause 25 ceases to have effect at the end of three years from when they were adopted or on the date that they were last renewed.

The proposed resolution seeks to reinstate the provision of Clause 25 of the Constitution for three years from the date of approval of the proposed resolution.

The Directors consider that it is in the interests of shareholders for the Company to include a proportional takeover rule and approval is therefore being sought to renew Rule 25 of the Constitution. A copy of the Constitution is available on the Company's website at (<https://investors.readytech.com.au/investor-centre/?page=corporate-governance>).

What is a proportional takeover bid?

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company.

Why are the proportional takeover approval provisions required?

A proportional takeover bid means that control of a company may pass without shareholders having the chance to sell all of their shares to the bidder. In addition, this means the bidder may take control of a company without paying an adequate amount for gaining control.

In order to deal with this possibility, the *Corporations Act 2001* (Cth) permits a company, in certain circumstances to provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote at a general meeting on whether to accept or reject the offer.

The majority decision of shareholders present and voting at the meeting will be binding on all shareholders.

The benefit of the provision is that shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

If the offer does proceed, individual shareholders can then make a separate decision as to whether they wish to accept the bid for their shares.

What is the effect of the proportional takeover approval provisions?

If a proportional takeover bid is made, the Directors must ensure that shareholder vote on a resolution to approve the bid at least 14 days before the last day of the bid period. The vote is decided on a simple majority.

Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities, is entitled to vote, but the bidder and its associates are not allowed to vote (and if they do vote, their votes must not be counted).

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. Any contracts formed by acceptances will be rescinded. If the bid is approved (or taken to have been approved), the transfers must be registered provided they comply with the *Corporations Act 2001* (Cth) and the Company's Constitution.

If the resolution is not voted on before the 14 day deadline specified in the *Corporations Act 2001* (Cth), the bid will be taken to have been approved.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for 3 years from that date of their renewal pursuant to Resolution 5. The provisions may again be renewed by a special resolution of shareholders.

No present acquisition proposals

At the date this Notice of Meeting was prepared, no Director is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages

While the renewal of Clause 25 will allow the Board to ascertain shareholders' views on a proportional takeover bid, the Directors consider that the proportional takeover approval provisions have no potential advantages or disadvantages for them. They remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover approval provisions for shareholders include:

- the provisions give all shareholders (other than the offeror and its associates) an opportunity to consider the terms of a proportional takeover proposal to determine whether it is in their best interests that it proceed and, on that basis, enables shareholders to decide whether or not to accept the offer;
- the provisions may discourage the making of a proportional takeover bid which may be considered to be opportunistic and may prevent control of the Company passing without the payment of an appropriate control premium;
- the provisions may assist shareholders in not being locked in to a minority interest in the Company;
- the provisions may increase shareholders' bargaining power and may assist in ensuring that any future proportional takeover offer is structured so as to be attractive to a majority of independent shareholders; and
- knowing the view of the majority of shareholders may assist each individual shareholder in assessing the likely outcome of the proportional takeover scheme bid and whether to approve or reject that bid.

The potential disadvantages for shareholders include:

- proportional takeover bids for shares in the Company may be discouraged and may reduce any speculative element in the market price of the Company's shares arising from a takeover offer being made;
- shareholders may lose an opportunity of selling some of their shares at a premium;
- the chance of a proportional takeover bid being successful may be reduced due to the delay, cost and uncertainty in convening a General Meeting; and

- the renewal of Clause 25 may also be considered an additional restriction on the ability of shareholders to deal freely with their shares.

The Board considers that the potential advantages for shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

There were no full or proportional takeover bids for the Company while the provisions were in operation, nor at any time since. Accordingly, there are no actual examples against which to assess the advantages or disadvantages of the proportional takeover provisions for the Directors and shareholders of the Company.

Board recommendation

The Directors recommend that shareholders vote in favour of this resolution to approve the renewal of proportional takeover provisions.
