To vote by proxy, please complete and sign the enclosed Proxy Form and return it by the time and in accordance with the instructions set out on the Proxy Form or vote online. Proxy forms and online voting are available at <https://investorcentre.linkgroup.com/> by logging into your account.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

If you sign and return a Proxy Form and do not nominate a person to act as your proxy, the Chair will be appointed as your proxy by default.

By way of summary, pursuant to sections 250BB and 250BC of the Corporations Act:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the Chair of the meeting; and
- at the meeting, a poll is duly demanded on the question that the resolution be passed; and
- either of the following applies:
 - if a record of attendance is made for the meeting and the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Important information concerning proxy votes on Resolutions 1, 5 and 6.

Shareholders appointing a proxy for Resolutions 1, 5 and 6 should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the remuneration report, or a Closely Related Party of such a member as your proxy:

You must direct your proxy how to vote on Resolutions 1, 5 and 6. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on Resolutions 1, 5 and 6.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the remuneration report, or a Closely Related Party of such a member):

You ***do not*** need to direct your proxy how to vote on Resolutions 1, 5 and 6. However, if you do not direct the Chair how to vote, you ***must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though Resolutions 1, 5 and 6 are connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy:

You ***do not*** need to direct your proxy how to vote on Resolutions 1, 5 and 6, and you ***do not*** need to mark any further acknowledgement on the Proxy Form.

Returning Proxy Forms

The proxy form and the power of attorney or other authority (if any) under which it is signed (or a certified copy) must be received by the Share Registry, Link Market Services Limited, no later than 1.00pm (WST) on 26 November 2023 (that is, at least 48 hours before the Meeting). EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at BDO, Jarrah Room, Level 9, Mia Yellagonga Tower 2, 5 Spring Street, PERTH WA 6000 and virtually at <https://meetings.linkgroup.com/PEN23> using the Link Group online meeting platform, at 1.00pm (WST) on 28 November 2023.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the remuneration report and the auditor's report.

In accordance with amendments to the Corporations Act, the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. These amendments may result in reducing the Company's printing costs.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.pel.net.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for a financial year.

The Chair of the Meeting must allow a reasonable opportunity for Shareholders to ask questions about or make comments on the remuneration report at the Meeting.

2.2 Voting consequences

Under the Corporations Act, a listed company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF MR JOHN HARRISON AS A DIRECTOR

3.1 General

Article 47 of the Constitution requires that a Director must retire from office no later than the longer of the third annual general meeting of the Company or three years, following that Director's last election or appointment.

A Director who retires by rotation under Article 47(b) of the Constitution is eligible for re-election.

Pursuant to Listing Rule 14.5, an entity which has directors must hold an election of directors at each annual general meeting.

As required by the Constitution and the Listing Rules, Mr John Harrison retires by rotation and, being eligible, offers himself for re-election.

Mr Harrison was appointed as an independent Non-Executive Director of the Company on 1 September 2014. In a subsequent Board restructure, he stepped up into the role of independent Non-Executive Chairman on 26 April 2016 and was re-elected on 30 November 2020.

Mr Harrison brings to Peninsula a wealth of broking and corporate finance experience acquired over a 45-year career, including 20 years of investment banking in London. During this time, Mr Harrison developed an extensive international contact base advising companies across a range of commodities (including uranium), as well as related engineering and service businesses, in both an M&A and Equity Capital markets context. He acted for numerous companies quoted on the Main List and the Alternative Investment Market of the London Stock Exchange, as well as the Australian, Johannesburg and Toronto Exchanges. During his investment banking career, Mr Harrison was the Managing Director at Numis Securities in London in charge of the Corporate Finance resources sector and subsequently UK Chairman of specialist Anglo-Australian resources advisory and broking business RFC Ambrian. He was founding Chairman of UK coking coal development company West Cumbria Mining Ltd.

3.2 Director's recommendation

The Board (save for Mr Harrison) recommends Shareholders vote in favour of Resolution 2. Mr Harrison did not participate in the Board's deliberations with respect to their recommendation for re-election and in forming their recommendation, the Board considered the experience of Mr Harrison. Mr Harrison declines to make a recommendation to Shareholders in relation to Resolution 2 due to his material personal interest in the outcome of the Resolution.

4. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY – SHARES

4.1 General

Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval by special resolution passed at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity for the reasons set out in Section 4.2.

If Shareholders approve Resolution 3, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out in Section 4.2 below).

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had at the start of that period.

Under Listing Rule 7.1A, however, an Eligible Entity can seek Shareholder approval, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an Eligible Entity for these purposes as it is not included in the S&P/ASX 300 Index and had a market capitalisation of \$138.4 million on 17 October 2023.

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one quoted class of Equity Securities on issue, being Shares (ASX Code: PEN).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue at the commencement of the relevant period:
- (A) plus the number of Shares issued in the relevant period under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
 - (B) plus the number of Shares issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (I) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (II) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;
 - (C) plus the number of Shares issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (I) the agreement was entered into before the commencement of the relevant period; or

- (II) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;
- (D) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or 7.4. This does not include an issue of Shares under the Company's 15% placement capacity without Shareholder approval;
- (E) plus the number of partly paid Shares that became fully paid in the relevant period; and
- (F) less the number of Shares cancelled in the relevant period.

Note: "Relevant period" means the 12 month period immediately preceding the date of the issue or agreement.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that has not been subsequently approved by Shareholders under Listing Rule 7.1 or 7.4.

4.3 Technical information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) **Date of issue**

If Resolution 3 is passed, the Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date of the approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(b) **Minimum price**

The minimum price at which the Equity Securities may be issued is 75% of the VWAP of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in Section 4.3(b)(i), the date on which the Equity Securities are issued.

(c) **Purpose of issue under 10% Placement Capacity**

The Company may only issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised to further progress its portfolio of uranium projects towards production, including resource extension drilling, delineation drilling, completion of studies, preparation activities for return to operations, process plant modifications and expansion, wellfield conversion and expansion, and for working capital purposes that may also include purchases of uranium concentrate.

(d) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on issue (variable 'A' in Listing Rule 7.1A.2)	Dilution			
	Issue price (per Share)	\$0.055 (50% decrease in current issue price)	\$0.11 (Current issue price)	\$0.165 (50% increase in current issue price)
1,257,798,186 (Current variable A)	Shares issued	125,779,819	125,779,819	125,779,819
	Funds raised	\$6,917,890	\$13,835,780	\$20,753,670
1,886,697,279 (50% increase in variable A)*	Shares issued	188,669,728	188,669,728	188,669,728
	Funds raised	\$10,376,835	\$20,753,670	\$31,130,505
2,515,596,372 (100% increase in variable A)*	Shares issued	251,559,637	251,559,637	251,559,637
	Funds raised	\$13,835,780	\$27,671,560	\$41,507,340

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 1,257,798,186 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX of \$0.11 on 17 October 2023.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4.

5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 or ratification under Listing Rule 7.4.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
9. The table above does not include the effect of the proposed issue of 4,744,391 RSUs to Company personnel as detailed in the Proposed Issue of Securities lodged with ASX on 4 October 2023.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of approval under Listing Rule 7.1A; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation under the 10% Placement Capacity

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be Related Parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 25 November 2021 (**Previous Approval**). The Company withdrew the proposed resolution to, and did not, seek approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 29 November 2022.

The Company issued 96,060,811 Equity Securities pursuant to the Previous Approval.

Details of the issues of Equity Securities by the Company during the 12-month period preceding the date of the Meeting are set out in Schedule 1.

(g) **Compliance with Listing Rules 7.1A.4 and 3.10.3**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of the allottees of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.3 for release to the market.

4.4 Voting exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

5. RESOLUTION 4 - RATIFICATION OF SHARE ISSUE

5.1 General

On 2 December 2022, the Company issued 244,278,810 fully paid ordinary shares at an issue price of A\$0.131 per share (**Placement Shares**). 148,217,999 of such Placement Shares were issued pursuant to the Company's remaining placement capacity under Listing Rule 7.1 (**LR7.1 Placement Shares**) and 96,060,811 of such Placement Shares were issued pursuant to the Company's Listing Rule 7.1A placement capacity (**LR7.1A Placement Shares**).

The Placement Shares were issued to sophisticated and professional investors.

5.2 Listing Rule 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issued without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the LR7.1 Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks Shareholder approval for the issue of the Placement Shares under and for the purposes of Listing Rule 7.4.

If Resolution 4 is passed, the issue of the LR 7.1 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval.

If Resolution 4 is not passed, the issue of the LR 7.1 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval.

5.3 Technical information required by Listing Rule 7.5

(a) **Persons to whom the shares were issued to**

The shares were issued to sophisticated and professional investors.

(b) **Equity Securities issued**

(d) **Consideration received**

The Placement Shares were issued at an issue price of \$0.131 per Share. The total consideration received by the Company for the Placement Shares was \$32,000,524.11. \$19,416,557.90 total consideration was received by the Company for the LR7.1 Placement Shares.

(e) **Purpose of issue**

As set out in the Company's 24 November 2022 announcement, the proceeds received for the issue of the Placement Shares are to be used to complete the ongoing works programme of transitioning Lance to the low-pH ISR process, to restart production operations within the Ross Production Area, and for the advancement of the Kendrick Production Area.

(g) **Voting exclusion statement**

A voting exclusion statement is included in this Notice.

6. RESOLUTIONS 5 & 6 - APPROVAL FOR THE ISSUE OF RESTRICTED SHARE UNITS TO MR WAYNE HEILI AND MS RACHEL REES UNDER THE LONG-TERM INCENTIVE PLAN

6.1 Summary

The remuneration framework for executives provides a mix of fixed remuneration (salary, superannuation and allowances) and variable "at risk" incentive remuneration of both a short term (e.g. cash bonuses) and long term (i.e. the long term incentive plan) nature. The main objective is to ensure that all executive and senior management remuneration is directly and transparently linked with strategy and performance by aligning short term incentives and long term incentives with achievement of the Company's short term and long term strategic objectives and longer term Shareholder return.

The Board considers that a long term incentive should form a key component of total annual remuneration of executives and senior management which can be achieved by setting a significant portion of total annual remuneration "at risk" to better align interests with those of Shareholders to encourage the production of long term sustainable growth and to assist with retention.

6.2 General

Restricted Share Units (**RSU**) that are granted vest as fully paid ordinary shares over a 3 year period following the date of earning, with one third vesting each year. After the date of grant, an Eligible Participant must remain employed by or contracted to the Company on each annual vesting date to enable granted RSUs to vest. Upon an RSU vesting, an Eligible Participant is invited to subscribe for the equivalent number of fully paid ordinary shares. No consideration is payable by the Eligible Participant at the time of subscription of fully paid ordinary shares at the time of vesting.

The Company has conditionally agreed, subject to obtaining Shareholder approval, to issue up to

- (a) 1,352,140 RSUs to Mr Wayne Heili; and
- (b) 360,035 RSUs to Ms Rachel Rees,

under the Company's long term incentive plan (**LTIP**) and on the terms and conditions set out below.

No RSUs the subject of this resolution will vest to Mr Heili or Ms Rees prior to 1 July 2024.

Further details of the LTIP and the RSUs proposed to be issued to Mr Wayne Heili and Ms Rachel Rees are set out below and in the summary of the LTIP in Schedule 2.

6.3 Related Party transaction

For a public company, or an entity that the public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Mr Heili and Ms Rees are each a Related Party of the Company. The issue of RSUs to each of Mr Heili and Ms Rees requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit, unless an exception applies.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- (a) a director of the company;
- (b) an associate of a director; or
- (c) a person whose relationship with the company or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained,

unless it obtains the approval of its shareholders.

The issue of RSUs to each of Mr Wayne Heili and Ms Rachel Rees falls within Listing Rule 10.14.1, as Mr Heili and Ms Rees are each a director of the Company.

In addition, Listing Rule 10.11 also requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a Related Party, or a person whose relationship with the entity or a Related Party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

Listing Rule 10.12 Exception 8 provides that an issue under an employee incentive scheme to a Related Party is permitted without Shareholder approval under Listing Rule 10.11 if Shareholder approval is obtained under Listing Rule 10.14. Accordingly, Shareholder approval for the purposes of Listing Rule 10.14 is sought for the issue of the RSUs to each of Mr Heili and Ms Rees (or their nominee) under Resolutions 5 and 6.

It is the view of the Company that the exceptions set out in Listing Rule 10.16 do not apply in the current circumstances. Therefore the Company seeks Shareholder approval for the purposes of Listing Rule 10.14 of the Corporations Act for the issue of the RSUs to Mr Heili and Ms Rees.

The Company takes the view that the exceptions set out in sections 210 to 216 of the Corporations Act do apply in the current circumstances as the Company considers that the proposed issue is reasonable remuneration to each of Mr Heili and Ms Rees given the circumstances of the Company and the number and value of the RSUs. As such, the Company considers that the proposed issue falls within the exception set out in section 211 of the Corporations Act. Therefore, the Company does not consider it necessary to seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act for the issue of the RSUs to Mr Heili and Ms Rees.

If Resolutions 5 and 6 are passed, the Company will be able to proceed with the issue of RSUs to each of Mr Wayne Heili and Ms Rachel Rees under the LTIP.

If Resolutions 5 and 6 are not passed, the Company will not be able to proceed with the issue of RSUs to Mr Wayne Heili or Ms Rachel Rees under the LTIP and the Company will be required to obtain Shareholder approval for the issue of RSUs to each of Mr Wayne Heili and Ms Rachel Rees under Listing Rule 10.11.

6.4 Calculation of the Value of RSUs

On 30 August 2023, the Board resolved to conditionally grant long term incentives to each of Mr Heili and Ms Rees, subject to regulatory approvals, that have been calculated as set out below. Mr Heili and Ms Rees did not vote on the Board resolutions in which they were the subject and recipient of long term incentives due to their material personal interest in the outcome of the resolution.

The fixed remuneration of Mr Heili for the year ended 30 June 2023 was US\$390,000 per annum (exclusive of superannuation or retirement benefits or medical insurance benefits). The annual long term incentive dollar value of RSUs to be issued to Mr Heili, subject to Shareholder approval under Resolution 5, has been set by reference to the level permitted under his remuneration of up to a maximum of 80% of this figure, being up to US\$312,000 per annum and vesting in equal tranches over a three-year vesting period following the date of allocation, subject to Mr Heili remaining employed by the Company.

Ms Rees transitioned to an Executive role on 30 January 2023 and had a fixed remuneration for the year ended 30 June 2023 of A\$450,000 per annum (exclusive of superannuation or retirement benefits). The annual long term incentive dollar amount of RSUs to be issued to Ms Rees, subject to Shareholder approval under Resolution 6, has been set by reference to the level permitted under her remuneration of up to a maximum of 60% of this figure, pro rata for service, being up to A\$112,438 per annum and vesting in equal tranches over a three-year vesting period following the date of allocation, subject to Ms Rees remaining employed by the Company.

The grant of RSUs for the year ending 30 June 2023 to each of Mr Heili and Ms Rees were subject to the achievement of Board approved key performance indicators for each of Mr Heili and Ms Rees which were set at the beginning of the year.

No RSU shall be earned or paid in the event of a fatality within the boundaries of the Company's mine/exploration sites in the United States. No such fatality occurred and as such the Board has resolved to grant RSUs to Mr Heili.

The Board reviewed the actual outcomes for Mr Heili against the approved key performance indicators for the 2023 Financial Year and assessed a 50.5% achievement.

The Board reviewed the actual outcomes for Ms Rees against the approved key performance indicators for the 2023 Financial Year and assessed a 55.5% achievement.

The quantity of RSUs to be issued was determined using the 30-day Volume Weighted Average Price of Peninsula shares at 30 June 2023 and the USD:AUD exchange rate at 30 June 2023.

Therefore Resolutions 5 and 6 are seeking approval for the issue of RSUs for the year ending 30 June 2023 as follows for Mr Heili and Ms Rees:

2023 RSU Grant	Wayne Heili RSU US\$ Value	Wayne Heili RSU Quantity¹	Rachel Rees RSU US\$ Value	Rachel Rees RSU Quantity¹
2023 RSU Grant	157,560	1,352,140	41,954	360,035
Vesting Dates				
1 July 2024	52,520	450,713	13,985	120,011
1 July 2025	52,520	450,713	13,985	120,012
1 July 2026	52,520	450,714	13,985	120,012

¹For the purposes of calculating the number of RSUs that may be issued to Mr Heili and Ms Rees, the 30 day volume weighted average price for the period up to 30 June 2023 was used, being \$A0.1755. An USD/AUD exchange rate of 1.5060 was used for the purposes of determining the RSU quantity for Mr Heili and Ms Rees.

6.5 Technical information required by Listing Rule 10.15 and section 219 of the Corporations Act

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and Listing Rule 10.15, the following information is provided in relation to the proposed issue of RSUs to each of Mr Heili and Ms Rees:

- (a) Mr Wayne Heili and Ms Rachel Rees are each a Related Party of the Company by virtue of being a Director;

- (c) if vesting milestones attached to the RSUs are met, a total of 1,352,140 Shares would be issued to Mr Wayne Heili under Resolution 5, and a total of 360,035 Shares would be issued to Ms Rachel Rees under Resolution 6. This would not increase the number of Shares on issue as post Meeting, these RSUs are to be issued into the Peninsula Energy LTIP trust, subject to the approval being sought under this Resolution;
- (d) Mr Heili's fixed remuneration for the year ended 30 June 2024 is US\$403,650 per annum (exclusive of superannuation or retirement benefits or medical insurance benefits) and his prior year remuneration is set out in Section 6.4. Ms Rees's fixed remuneration for the year ended 30 June 2024 is A\$457,875 per annum (exclusive of superannuation or retirement benefits) and her prior year remuneration is set out in Section 6.4;
- (e) Mr Heili has previously been issued 7,113,971 RSUs under the LTIP, which were granted to him for nil consideration. Ms Rees has not previously been issued any RSUs under the LTIP;

- (i) the terms and conditions of the RSUs to be issued to each of Mr Heili and Ms Rees were approved by the Board within the current remuneration framework as detailed in Section 6.2;
- (ii) the Board considers that long term incentive should form a key component of total annual remuneration of executives which can be achieved by setting a significant portion of total annual remuneration “at risk” to better align interests with those of Shareholders to encourage the production of long term sustainable growth and to assist with retention, while preserving the Company’s cash reserves; and
- (iii) the value of the RSUs and the pricing methodology is set out in Section 6.4;
- (g) the RSUs are to be issued to the Peninsula Energy LTIP trust as soon as practicable after the conclusion of the Meeting, subject to the approval being sought under this Resolution, and will vest to each of Mr Heili and Ms Rees as described in Section 6.4;
- (h) the RSUs (being the nature of the financial benefit) will be granted to each of Mr Heili and Ms Rees for nil consideration and will vest for no consideration;
- (i) a summary of the material terms of the LTIP is set out in Schedule 2;
- (j) no loans will be made in relation to, and no funds will be raised from, the issue of the RSUs;
- (k) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Meeting is as follows:

Highest (closing price)	\$0.195 on 13 and 21 June 2023

Last (closing price)	\$0.11 on 17 October 2023

- (l) the RSUs are granted upon achievement of key performance indicators set out in Section 6.4 above. Subject to each of Mr Heili and Ms Rees remaining employed by the Company, RSUs that are granted to each of Mr Heili and Ms Rees will vest in equal tranches on 1 July in each of the three years following the date of grant. The Shares to be issued upon the vesting of the RSUs shall rank pari passu with existing Shares;
- (m) Mr Heili and Ms Rees currently have an interest in the following securities in the Company:

- (n) as at the date of this Notice, Mr Wayne Heili, Mr John Harrison, Mr Harrison Barker, Mr Mark Wheatley, Ms Rachel Rees and Mr Brian Booth are the only Directors referred to in Listing Rule 14 entitled to participate in the LTIP;
- (o) the Board believes that the grant of the RSUs is cost effective consideration to each of Mr Heili for his ongoing commitment to the Company in his role as a Managing Director / Chief Executive Officer and Ms Rees for her ongoing commitment to the Company in her role as Executive Director / Finance & Corporate Affairs. Given this purpose, the

Board does not consider that there are any opportunity costs to the Company or benefits foregone by the Company in issuing the RSUs upon the terms proposed;

- (p) details of any securities issued under the LTIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Ms Rachel Rees declines to make a recommendation to Shareholders in relation to Resolution 6 due to her material interest in the outcome of the Resolution. The other Directors, who do not have an interest in the outcome of Resolutions 5 or 6, recommend that Shareholders vote in favour of Resolutions 5 and 6 for the reasons set out in Sections 6.5(f)(ii) and 6.5(o) above.

In forming their recommendations, each Director considered the experience of Mr Heili and Ms Rees and current market practices when determining the number of RSUs to be issued.

SCHEDULE 2 – KEY TERMS OF PENINSULA ENERGY LIMITED LONG TERM INCENTIVE PLAN

The full terms of the LTIP may be inspected at the registered office of the Company during normal business hours. A summary of the key terms of the LTIP is set out below.

1. GENERAL

1.1 The Board may invite eligible employees (including executive directors) of the Company and its related bodies corporate and other persons determined by the Board to participate in a grant of Awards upon the terms set out in the LTIP upon such additional terms, including vesting conditions (if any) as the Board determines (**Invitations**).

1.2 The Invitations will be in such form and content and with such terms and conditions as the Board determines, including:

- (a) the number of Awards being offered or the method by which the number will be calculated;
- (b) whether the Awards are in the form of options, performance rights, RSUs or share awards or a combination;
- (c) the date the Company or the Trustee (defined below) allocates the entitlements to the participant;
- (d) the period or periods during which Awards may vest;
- (e) any applicable vesting conditions;
- (f) the exercise price for an Award granted as an option or the method by which that exercise price will be calculated;
- (g) the acquisition price (if any) for an Award granted as a share award or the method by which that acquisition price will be calculated;
- (h) the period or periods in which an Award granted as an option may be exercised;
- (i) the dates or circumstances in which Awards may lapse;
- (j) the amount (if any) that will be payable by the participant upon the grant of an Award;
- (k) whether the Awards carry an entitlement to a dividend equivalent payment;
- (l) whether cashless exercise is permitted for an Award granted as an option;
- (m) the circumstances (if any) in which Shares allocated to the participant may be forfeited;
- (n) any restrictions (including the period of restriction) on dealing in a Share allocated to the participant upon vesting or exercise of an Award;
- (o) any other terms or conditions to be attached to either or both the Award and Shares allocated to the participant; and
- (p) in the case of a share award, whether the Shares to be allocated are to be acquired, delivered and/or held by the trustee of the Trust (defined below).

- 1.3 The operation of the LTIP will involve a trust established to acquire Shares which will be held on behalf of participants or transferred to participants for the purposes of the LTIP (**Trust**). The trustee of the Trust (**Trustee**) will act in accordance with instructions issued by the Board and subject to the terms and conditions of the Trust Deed.
- 1.4 Where the Trustee holds Shares for the benefit of a participant in accordance with an Invitation, the Company will issue the participant with one RSU for each Share held by the Trustee. The Company will direct the Trustee to:
- (a) pay to participants any dividends attributable to the underlying Shares; and
 - (b) accept instructions from participants to vote the underlying Shares in a particular manner at a general meeting of the Company,
- in accordance with the Trust Deed.
- 1.5 RSUs will be cancelled by the Company when the underlying Shares vest in a participant and are transferred to the participant by the Trustee, or when the Trustee sells (or otherwise deals with) Shares and pays the proceeds of such sale or dealing to the participant, or where a Share which relates to an RSU is forfeited under the LTIP.
- 1.6 Awards cannot be transferred without the prior consent of the Board (except by force of law upon death or bankruptcy) and where a participant purports to deal with an Award in breach of the LTIP, the Award will immediately lapse unless the Board determines otherwise.
- 2. OPTIONS AND PERFORMANCE RIGHTS**
- 2.1 Options and/or performance rights (as the case may be) will only vest and be exercisable if the applicable vesting conditions have been satisfied, waived by the Board or are deemed to have been satisfied under the LTIP.
- 2.2 Each vested option and each vested performance right entitles the participant to subscribe for, or be transferred, one Share, in the case of an Option, on payment of the exercise price (if any).
- 2.3 A participant who holds options and/or performance rights under the LTIP is not entitled to:
- (a) notice of, or to vote at or attend, a meeting of Shareholders unless and until the options and/or performance rights are exercised and the participant holds Shares; or
 - (b) receive any dividends declared by the Company in respect of such options and/or performance rights.
- 2.4 Where the terms of an Award permit, the Board may exercise its discretion to make a cash payment to a participant in lieu of an allotment, issuance or transfer of Shares equivalent to the value of the performance rights that have vested or the options that have been exercised. The amount of cash payment will be calculated by multiplying the number of performance rights that have vested or the number of options that have been exercised (as applicable) by the volume weighted average price of Shares over the five Business Days commencing on the date on which the Share would otherwise have been allotted, issued or transferred to a participant, less in the case of options, any exercise price of those options which has not been paid by the participant to the Company.
- 2.5 The Board may also determine at the time an Invitation is made that a participant who becomes entitled to receive an allotment, issuance or transfer of Shares (or a cash payment in lieu) following vesting of a performance right or exercise of an option will also be entitled to receive a dividend equivalent payment. The dividend equivalent payment will be approximately equal to the number of dividends that would have been payable to a participant if he or she had been the registered holder of the Shares that have

vested from the first day of the financial year in which the Awards are granted (excluding any dividends actually paid in respect of those Shares). The dividend equivalent payment may be satisfied by the issuance of Shares or payment in cash.

- 2.6 If the terms of an option specify that, amongst other things, cashless exercise is permitted, and the market value of the Shares on the date of exercise of the options is greater than the exercise price of the options, the Company must allot, issue or transfer that number of Shares in accordance with a formula that takes into account the exercise of the options whereby the number of Shares the participant is entitled to is reduced by the value of the exercise price which would have otherwise been payable in cash by the participant.

3. SHARE AWARDS

- 3.1 The Board may at its discretion make an offer to eligible employees to acquire share awards and the Board will determine the acquisition price (if any) for each share award and may be nil.
- 3.2 Where share awards are subject to vesting conditions, the participant's share awards are subject to the restrictions set out in paragraph 1.6 above unless and until the applicable vesting conditions have been satisfied, waived by the Board or are deemed to have been satisfied.
- 3.3 Once the vesting conditions have been satisfied, waived by the Board or are deemed to have been satisfied, the share awards will no longer be subject to the restrictions set out in paragraph 1.6 above and may be transferred or sold by the participant subject to compliance with any applicable laws and the terms of the LTIP.

4. ADJUSTMENTS TO AWARDS

- 4.1 Subject to the terms and conditions of the Invitation, all of the unvested entitlements of a participant are to vest on such date as the Board determines that the entitlements of a participant have vested or on the occurrence of any of the accelerated vesting events which are set out in the LTIP.

5. LAPSE OF AWARDS

- 5.1 An unvested Award will lapse upon the earliest to occur of:
- (a) the dates or circumstances in which Awards may lapse as specified in the Invitation;
 - (b) failing to meet the vesting conditions applicable to the Award within the specified period; or
 - (c) where in the opinion of the Board, a participant has acted fraudulently or dishonestly.

There are certain prescribed circumstances in which an unvested Award will lapse, for example, if the Award is dealt with by the participant in breach of the LTIP.

6. RIGHTS ATTACHING TO SHARES AND SHARE AWARDS

- 6.1 Any share awards or Shares allotted, issued or transferred by the Company to a participant under the LTIP will rank equally with all existing Shares on and from the date of allotment, issue or transfer, including in respect of all rights and bonus issues, dividends declared and voting rights.
- 6.2 If Shares of the same class as those issued on the vesting or exercise of an Award are quoted on ASX, the Company will apply for quotation of Shares allotted, issued or transferred under the LTIP (if not already quoted on ASX) within the period required by ASX.

7. DISPOSAL RESTRICTIONS

7.1 When making an invitation the Board may determine that Shares issued under an Award may not be disposed of or dealt with until the end of the period determined by the Board when making the Invitation, or where the Participant is no longer employed by the participant's employer, the Company or any related body corporate.

7.2 The disposal restrictions imposed under the LTIP are subject to any disposal required by law.

8. FORFEITURE

8.1 While Awards held by a Participant, or by the Trustee on behalf of a Participant, are subject to vesting conditions which have not yet been satisfied or waived, or subject to a disposal restriction, if:

- (a) those Awards have not become vested by the end of any applicable vesting period or the Board determines that the vesting conditions are incapable of being satisfied by the end of the vesting period; or
- (b) 30 days after the participant has ceased to be employed by a group member and the Board has not made a determination that entitlements have vested,

the Board may declare that the participant shall forfeit any right or interest in the Awards or other entitlements of the participant under the LTIP and, where applicable, the Board shall notify the Trustee accordingly.

8.2 The Board, in its discretion, may determine that forfeited Share Awards are to be sold, transferred or otherwise disposed of or allocated to other existing or new participants and may, where applicable, give the Trustee such directions as it determines to give effect thereto including how any proceeds from the sale of forfeited Share Awards are to be applied.

8.3 A participant will have no rights in respect of the proceeds from a sale or other disposal of any forfeited Share Awards and releases and shall hold harmless the Trustee (where applicable), the Company, each director, each related body corporate and the Board from and indemnify the Trustee (where applicable), the Company, each director, each related body corporate and the Board against any claim or liability in respect thereof and from any claim that might otherwise arise from the forfeiture of a share award or other entitlement of a participant under the LTIP.

9. TAKEOVERS AND CHANGE OF CONTROL

9.1 In the event of a takeover event or a change of control, the Board must consider whether, and may determine that, all or a specified number of a participant's unvested Awards vest and in the case of options, may be exercised, having regard to all the relevant circumstances, including whether performance is in line with the vesting condition over the period from the date of grant of the Award to the date of the relevant takeover event.

9.2 If the Board determines that only some of a participant's unvested Awards will vest, or the Board does not make a determination, all unvested Awards will lapse, unless the Board determines otherwise.

10. RESTRICTIONS ON PLAN

10.1 Subject to the terms of the LTIP, the Company may not issue any Shares under an Invitation if, at the time of making the Invitation, the Company has reasonable grounds to believe that the number of Shares that have or may be issued in any of the following circumstances would exceed 5% of the number of Shares on issue:

- (a) the number of Shares that may be issued under the Invitation; and

- (b) the number of Shares issued or that may be issued as a result of offers made at any time during the previous three years pursuant to an employee or share option scheme extended to either or both employees and directors of the Company and its related bodies.

11. PARTICIPANTS BASED OVERSEAS

11.1 When an Award is granted under the LTIP to a person who is not a resident of Australia, the provisions of the LTIP apply subject to such alterations or additions as the Board determines having regard to any applicable or relevant laws, matters of convenience and desirability and similar factors which may have application to the participant or to the Company in relation to the Award.

11.2 If a participant is transferred to work for a related body corporate outside Australia and, as a result of that transfer, the participant would:

- (a) suffer a tax disadvantage in relation to their Awards which is demonstrated to the satisfaction of the Board;
- (b) become subject to restrictions on their ability to deal with the Awards, or to hold or deal in the Shares or the proceeds of the Shares acquired on vesting or exercise, because of the laws (including securities or exchange control laws) of the country to which he or she is being transferred,

then, if the participant continues to hold an office or employment with a related body corporate, the Board may decide that the Awards will vest or in the case of options may be exercised on a date the Board determines before or after the transfer takes effect. The Awards will vest to, or on behalf of, the participant to the extent permitted by the Board and will not lapse as to the balance. The options may be exercised to the extent permitted by the Board.
