Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. Annual Financial Report

The Corporations Act requires that the annual financial statements, Directors' report and Auditor's report of the Company for the year ended 30 June 2023 be tabled at the Meeting. These reports are contained in the 2023 Annual Report which is available on the Company's website, <https://deepyellow.com.au/investor-centre/>, by selecting the 'Annual Reports' link.

Shareholders will be given reasonable opportunity to raise questions on these reports and ask questions of the Auditor.

2. Resolution 1: Adoption of Remuneration Report

2.1 Background

Resolution 1 is an ordinary resolution to approve the Remuneration Report. The Remuneration Report is set out in the Directors' report which forms part of the 2023 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering the remuneration policy of the Company going forward. On that basis, the Company encourages all Shareholders to cast their votes on Resolution 1.

2.2 Corporations Act requirements

Section 250R(2) of Corporations Act requires a listed public company put a resolution to its shareholders that the remuneration report set out in the directors' report for the preceding financial year be adopted. The resolution is advisory only and does not bind the relevant company or its directors.

If 25% or more of votes that are cast on the resolution are voted against the adoption of the remuneration report at two consecutive annual general meetings of a company, its shareholders will be required to vote at the second of those annual general meetings on a resolution (a **Spill Resolution**) that a further meeting be held within 90 days at which all of the offices of director are vacated (other than the office of managing director) and each such office will be put to a vote.

The Remuneration Report for the year ended 30 June 2022 did not receive a vote of 25% or more against its adoption at the Company's 2022 annual general meeting. Accordingly, if 25% or more of the votes cast on Resolution 1 are against adoption of the Remuneration Report, it will not result in a Spill Resolution.

A voting prohibition applies to Resolution on the terms set out in the Notice.

2.3 Directors' recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

3. Resolution 2: Re-Election of Director by Rotation – Chris Salisbury

3.1 Background

Resolution 2 is an ordinary resolution to approve the re-election of Chris Salisbury as a Director.

Mr Salisbury is the non-executive Chair of the Company and was appointed as a Director in May 2021. He was elected as a Director at the Company's 2021 Annual General Meeting held on 29 November 2021.

Mr Salisbury will retire at the Meeting, and being eligible, submits himself for re-election. If Resolution 2 is not passed, Mr Salisbury will not be re-elected as a Director.

3.2 Listing Rule and Constitutional requirements

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors at each annual general meeting. Clause 6.1(f) of the Company's Constitution requires one-third of the directors (excluding the managing director) who are not required to retire under clause 6.1(e) each year to stand for re-election.

3.3 Biography

Mr Salisbury is a highly experienced mining executive, with over 30 years of global experience across senior strategic and operational roles for the Rio Tinto Group. He is a qualified metallurgical engineer and Fellow of the Australian Institute of Company Directors. He brings extensive uranium experience having led operating companies in Australia and in Namibia. He was Chief Executive of Energy Resources Australia (ERA) between 2004 – 2008, a significant global uranium business, and, during his time, an ASX 100 company. Mr Salisbury also served as Non-executive Director of ERA. From 2011-2013 Mr Salisbury was Managing Director/Head of Country for Rio Tinto's Rössing Uranium Mine and was based in Swakopmund Namibia.

During his career, he has worked across a diverse range of commodities including bauxite, alumina, aluminium, coal, uranium, salt, copper, and iron ore. He held a number of senior roles including Chief Executive – Rio Tinto Iron Ore. He has decades of experience in working with international stakeholders across the globe.

Chris has significant board experience in the resources industry and also serves on the board of ASX listed BCI Minerals Ltd.

Mr Salisbury is the Chair of the Nomination and Remuneration Committee and serves on the Audit and Risk Committee.

3.4 Directors' recommendation

The Directors (other than Chris Salisbury) support the election of Mr Salisbury and recommend that Shareholders vote in favour of Resolution 2.

Mr Salisbury declines to make a voting recommendation noting his interest in the Resolution.

4. Resolution 3: Election of Director – Timothy Lindley

4.1 Background

Resolution 3 is an ordinary resolution to approve the election of Timothy Lindley as Director.

Timothy Lindley was appointed as non-executive Director by the Board on 18 May 2023 pursuant to clause 6.1(c) of the Constitution. The Board considers Mr Lindley to be an independent director.

Mr Lindley will retire at the Meeting, and being eligible, submits himself for re-election. If Resolution 3 is not passed, Mr Lindley will not be re-elected to his current directorship position.

4.2 Listing Rule and Constitutional requirements

Listing Rule 14.4 requires that, among other things, a director of an entity appointed to fill a casual vacancy or as an addition to the board must not hold office (without election) past the next annual general meeting of the entity. The rule does not apply to the entity's managing director, unless there is more than one managing director, in which case only one is entitled not to be subject to re-election.

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 6.1(e) of the Constitution substantially reflects Listing Rule 14.4 and provides that a Director appointed by the Board under clause 6.1(d) of the Constitution must retire from office at the next annual general meeting following their appointment.

Clause 6.1(i) of the Constitution provides that a Director who retires under clause 6.1(e) may stand and be elected to the office of a director at a general meeting.

Accordingly, Timothy Lindley must retire at or before the Meeting and, being eligible, will submit himself for re-election.

4.3 **Biography**

Timothy Lindley is an experienced investment banker who brings a proven track record and background in project finance, debt, equity capital markets and M&A. During his 25-year career, Mr Lindley has held several senior and executive roles in both Australia and internationally, including Country Head (Australia) of Barclays Bank and a Managing Director of Morgan Stanley (Australia).

Mr Lindley has led and completed more than 100 financing transactions for resource companies operating across jurisdictions including Africa, Asia and Australia. He led several transactions for the Langer Heinrich mine and Paladin Energy Ltd.

Mr Lindley was previously a non-executive director and chair of the audit and risk committee for Onsite Rentals Group Pty Ltd and Little Wings.

4.4 **Directors' recommendation**

The Directors (other than Timothy Lindley) support the election of Mr Lindley and recommend that Shareholders vote in favour of Resolution 3. Mr Lindley declines to make a voting recommendation noting his interest in the Resolution.

5. **Resolutions 4 and 5: Approval of updated Loan Share Plan and Awards Plan**

5.1 **Background**

(a) **Loan Share Plan and Awards Plan**

The Company currently operates:

- a Loan Share Plan under which employees (including Directors who are employees of the Company) and contractors may be offered Shares (**Loan Shares**) subject to long term performance conditions and where the purchase price payable by participants for the Loan Shares is lent to the participant under a limited recourse loan, which the Company may require to be secured against the Loan Shares; and
- an Awards Plan under which employees and contractors may be offered Options or Performance Rights (**Awards**) subject to performance hurdles or other exercise conditions.

The Loan Share Plan was adopted by Shareholders on 30 November 2016 and was last approved at the Company's 2022 annual general meeting on 25 November 2022. To date, the Loan Share Plan has been used to provide incentives to employees, including Executive Directors, and contractors. The Board considers that the plan aligns the remuneration of participants with the creation of Shareholder value over the long-term.

The Awards Plan was adopted by Shareholders on 5 October 2010 and was last approved at the Company's 2021 annual general meeting on 29 November 2021. The Board considers that the continuation of the Awards Plan will link employee and contractor reward with the achievement of the long-term performance of the Company and enable the Company to attract and retain high calibre individuals who bring expertise to the Company, whilst preserving the Company's cash reserves.

(b) **Limit on issue of Equity Securities**

Shareholders previously approved a limit of:

- 36,577,362 Equity Securities that may be issued under the Loan Share Plan at the Company's 2022 annual general meeting; and
- 17,420,734 Equity Securities that may be issued under the Awards Plan at the Company's 2021 annual general meeting.

Since the respective approvals of each of the plans, the Company has issued 6,694,009 Equity Securities under the Loan Share Plan and 3,182,016 Equity Securities under the Awards Plan.

The Board considers it appropriate to increase the maximum number of Equity Securities which may be issued over the rolling 3-year period (from the date of the Meeting) under:

- the Loan Share Plan, to 37,920,948; and
- the Awards Plan, to 37,920,948,

in order to enable the Company to offer further Equity Securities under the plans and recognising the organisation will grow consistent with the development.

(c) **Legislative amendments and changes to plans**

As a result of the *Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022* (Cth), the Corporations Act was amended to include a new Division 1A into Part 7.12 governing the operation of employee share schemes (**ESS Division**).

The ESS Division came into effect on 1 October 2022. It was initially intended to replace and expand the disclosure, financial services licensing and other relief for employee share schemes in place at that time, including under *ASIC Class Order [14/1000] – Employee incentive schemes: Listed bodies*.

The updated Loan Share Plan and the updated Awards Plan now both provide for offers to eligible participants which rely on the ESS Division and those which do not. Accordingly, the Board considers it appropriate to update the rules of both plans to reflect the legislative changes.

The Loan Share Plan has been amended to:

- to expressly provide for offers both under and outside of the ESS Division; and
- for offers which rely on the ESS Division, generally reflect the requirements of the division;
- include procedures for ‘cleansing’ secondary trading restrictions applicable to shares under the plan.

The Awards Plan has been amended:

- to expressly provide for offers both under and outside of the ESS Division;
- for offers which rely on the ESS Division, generally reflect the requirements of the division;
- to provide for awards issued or transferred under the plan to rely on tax deferral concessions under Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth);
- to expand and clarify the events which constitute a “Change of Control” under the plan; and
- to include procedures for ‘cleansing’ secondary trading restrictions applicable to awards under the plan.

5.2 **Resolutions**

Resolution 4 is an ordinary resolution seeking Shareholder approval of the updated Loan Share Plan, including:

- the provision of financial assistance to participants to acquire shares in the Company, and for the Company to take security over its own shares, for the purposes of sections 259B(2) and 260C(4) of the Corporations Act; and
- to increase the maximum number of Equity Securities which may be issued under the plan to 37,920,948.

Similarly, Resolution 5 is an ordinary resolution seeking Shareholder approval to increase the maximum number of Equity Securities which may be issued under the plan to 37,920,948.

5.3 **Corporations Act requirements**

(a) **Financial assistance**

The Company will provide participants in the Loan Share Plan financial assistance to acquire shares in the Company.

Section 260A of the Corporations Act restricts a company from providing financial assistance for the acquisition of shares in itself, subject to certain exceptions.

Section 260C(4) of the Corporations Act provides an exception to these restrictions where a company provides financial assistance under an employee share scheme (e.g. the Loan Share Plan) approved at a general meeting of the company.

Accordingly, the Company seeks Shareholder approval to provide financial assistance to participants under the Loan Share Plan.

(b) Self-acquisition

Under the Loan Share Plan, the Company may take security over the shares provided to participants to secure payment of the loan provided by the Company for the participant to acquire the shares.

Section 259B(1) of the Corporations Act prohibits a company from taking security over its own shares, subject to certain exceptions.

Section 259B(2) of the Corporations Act provides an exception to this prohibition where a company takes security over its own shares under an employee share scheme (e.g. the Loan Share Plan and the Awards Plan) approved at a general meeting of the company.

Accordingly, the Company seeks Shareholder approval so that it has the ability, if required, to take security over shares issued or transferred to participants under the Loan Share Plan.

5.4 Listing Rule requirements

Listing Rule 7.1 limits the amount of Equity Securities that a listed entity can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period, unless an exception applies.

Listing Rule 7.2 (exception 13(b)) provides an exception to Listing Rule 7.1 for the issue of Equity Securities under an employee incentive scheme (e.g. the Loan Share Plan and the Awards Plan) that has been approved by an entity's shareholders. For a period of 3 years from approval, Equity Securities issued to persons who are not 'related party' of the entity (for the purposes of the Listing Rules) under the employee incentive scheme are not counted in the calculation of the entity's 15% issuing capacity under Listing Rule 7.1.

If Resolution 4 and/or 5 is approved, Equity Securities issued under the Company's Loan Share Plan or Awards Plan (as applicable) to persons who are not a related party of the Company will be excluded from the Company's 15% issuing capacity under Listing Rule 7.1.

However, if either Resolution is not approved, the updated Loan Share Plan or Awards Plan (as applicable) will still have effect, but the Company will need to issue Equity Securities under the relevant plan to persons who are not related parties pursuant to its Listing Rule 7.1 issuing capacity. This will reduce the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 months following the date of the issue of the relevant securities.

5.5 Listing Rule information requirements

The following information is provided in relation to the Loan Share Plan and the Awards Plan, as required by Listing Rule 7.2 (exception 13(b)):

5.6 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolutions 4 and 5. This will give the Board the flexibility to administer the Loan Share Plan and the Awards Plan, including to issue shares and other awards to eligible participants (who are not 'related parties' of the Company for the purposes of the Listing Rules) under the plans without using the Company's issuing capacity under Listing Rule 7.1.

6. Resolutions 6(a) and 6(b): Approval of issue of 2023 Loan Shares and provision of Loan to related parties under Loan Share Plan

6.1 Background

As set out in Section 5.1 above, the Company operates a Loan Share Plan pursuant to which employees (including Directors who are employees of the Company) and contractors may be offered Loan Shares subject to vesting conditions. The purchase price payable by participants for the Loan Shares constitutes a limited recourse loan to the participant, which if required by the Company may be secured against the relevant Loan Shares (**Loan**). The Loan is documented in a Limited Recourse Loan Agreement between the Company and the participant (**Loan Agreement**).

The Board (excluding John Borshoff and Gillian Swaby) considers it highly beneficial to Shareholders for the Company's Executive Directors to receive a portion of their remuneration as Loan Shares under the Loan Share Plan, as this directly aligns their interests with those of Shareholders. Shares under the Loan Share Plan provide for immediate share ownership, linking a significant proportion of rewards for both Executive Directors to ongoing share price performance and returns to Shareholders over the vesting period.

The Company proposes to offer up to 2,029,420 Loan Shares to Managing Director, John Borshoff, and up to 1,066,735 Loan Shares to Executive Director, Gillian Swaby, under the updated Loan Share Plan (**2023 Loan Shares**). John Borshoff and Gillian Swaby both provide services to the Company through their related consulting entities.

6.2 Resolutions

Resolutions 6(a) and 6(b) are separate, ordinary resolutions to approve the issue of 2023 Loan Shares and the provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees), respectively, for the purposes of Listing Rule 10.14.

If Resolutions 6(a) and 6(b) are passed, the Company will be able to proceed with the issue of Loan Shares and provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees), respectively.

If Resolutions 6(a) and 6(b) are not passed, the Company will not be able to proceed with the issue of Loan Shares and provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees) and the Company may need to consider alternative means to remunerate and incentivise John Borshoff and Gillian Swaby.

Notwithstanding this, the Board may decide that Loan Shares will not be compulsorily divested.</p>

6.4 Estimated value of 2023 Loan Shares

The value of the Loan Shares has been determined using a Black Scholes Model for the STI component and Hybrid Multiple Barrier option pricing model – incorporating a Monte Carlo simulation for the LTI component (see worked example below). This model accords with the AASB2 Share Based Payment standard treatment, whereby the Loan Shares are treated as an in-substance option.

Worked Example

The following variables are assumed for this example:

- the Loan amount (“exercise price”) for each Loan Share is \$1.29;
- each Loan Share has an expiry date as noted, and it is assumed that the Loan will be repaid (they will be “exercised”) immediately prior to the expiry date;
- the closing price of Shares traded on ASX on 28 Sep 2023 was \$1.29;
- a risk-free rate of 4.145% has been adopted for STI and LTI purposes for Mr Borshoff and Ms Swaby;
- a volatility factor of 80% has been adopted.

The table below sets out the estimated value of the Loan Shares applying the above valuation, as at 28 September 2023 and the potential estimated financial benefit to be received by Mr Borshoff and Ms Swaby, on the assumption all relevant vesting conditions are met.

Director	Loan Shares	Value per Security	Expiry Date	Total value
J Borshoff	STI	\$0.968	30 Nov 2030	\$439,301
	LTI	\$0.78	30 Nov 2030	\$1,228,966
G Swaby	STI	\$0.968	30 Nov 2030	\$143,613
	LTI	\$0.78	30 Nov 2030	\$716,333

6.5 Corporations Act requirements – related party financial benefits

Section 208 of the Corporations Act (set out in Chapter 2E) requires a public company to obtain the approval of its shareholders before providing a financial benefit to a ‘related party’ of the company for the purposes of the Corporations Act (e.g. a director, an entity controlled by a director), unless giving the financial benefit falls within a prescribed exception. Any financial benefit approved by shareholders must be provided within 15 months of the approval.

The proposed issue of 2023 Loan Shares, and the provision of corresponding Loans, to John Borshoff and Gillian Swaby under Resolutions 6(a) and 6(b) would constitute the giving of a financial benefit for the purposes of section 208 of the Corporations Act.

Section 211 of the Corporations Act provides that shareholder approval is not required to give a financial benefit to a related party of a company in circumstances where the benefit constitutes remuneration which would be reasonable given the company’s and the related party’s circumstances.

The Directors (other than John Borshoff and Gillian Swaby) are of the view that, given the 2023 Loan Shares will be subject to performance and/or service conditions under the Loan Share Plan, and their determination

will be reasonable and in line with commercial fees ordinary accruing and forming part of a remuneration package, the reasonable remuneration exception under section 211 of the Corporations Act applies. Therefore, Shareholder approval under to section 208 of the Corporations Act will not be sought.

6.6 Listing Rule requirements

Listing Rule 10.14 requires an entity to obtain the approval of its shareholders before issuing or agreeing to issue Equity Securities (including Shares) under an employee incentive scheme (e.g. the Loan Share Plan) to a 'related party' of the Company for the purposes of the Listing Rules, subject to certain specific exceptions in Listing Rule 10.16.

None of the exceptions apply to the proposed issue of the 2023 Loan Shares under Resolutions 6(a) and 6(b). Accordingly, Shareholder approval under Listing Rule 10.14 is required.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the 2023 Loan Shares to the Directors, as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of these 2023 Loan Shares will not be included in the calculation of the Company's 15% issuing capacity under Listing Rule 7.1.

6.8 Directors' recommendation

(a) Resolution 6(a)

The Board (excluding John Borshoff and Gillian Swaby) considers that the issue of 2023 Loan Shares and provision of the corresponding Loan to John Borshoff (or his nominee) is appropriate, reasonable, and in the best interest of the Company and its Shareholders. The 2023 Loan Shares provide a strong link between the reward for executive performance and Company performance, both short and long-term. The 2023 Loan Shares are subject to vesting conditions which may give rise to their compulsory divestiture should the conditions not be met.

Mr Borshoff has declined to make a recommendation about Resolution 6(a) as he has a material personal interest in the outcome of the Resolution. ASIC considers that it is good practice for directors to avoid making a recommendation for resolutions about each other's remuneration as there may be a conflict of interest. Whilst Ms Swaby does not have a material personal interest in the outcome of Resolution 6(a), given it is proposed that she also be issued with 2023 Loan Shares under Resolution 6(b), she has declined to make a recommendation about Resolution 6(a) in line with the ASIC guidance.

(b) **Resolution 6(b)**

The Board (excluding Gillian Swaby and John Borshoff) considers that the issue of 2023 Loan Shares and provision of the corresponding Loan to Gillian Swaby (or her nominee) is appropriate, reasonable, and in the best interest of the Company and its Shareholders. The 2023 Loan Shares provide a strong link between the reward for executive performance and Company performance, both short and long-term. The 2023 Loan Shares are subject to vesting conditions which may give rise to their compulsory divestiture should the conditions not be met.

Ms Swaby has declined to make a recommendation about Resolution 6(b) as she has a material personal interest in the outcome of the Resolution. Whilst Mr Borshoff does not have a material personal interest in the outcome of Resolution 6(b), given it is proposed that he also be issued with 2023 Loan Shares under Resolution 6(a), he has declined to make a recommendation about Resolution 6(b) in line with the ASIC guidance referred to in Section 6.8(a) above.

7. Resolutions 7(a) and 7(b): Approval of issue of Top-Up Loan Shares and provision of Loan to related parties under Loan Share Plan

7.1 Background

Following Shareholder approval obtained at the Company's 2022 annual general meeting, the Company issued Loan Shares to John Borshoff and Gillian Swaby on 21 December 2022. The LTI component of these Loan Shares comprised 960,981 Loan Shares that were issued to John Borshoff and 537,271 2022 Loan Shares that were issued to Gillian Swaby (**2022 Loan Shares**).

The value of the 2022 Loan Shares was determined using a Hoadleys Option Pricing Model.

The Company has since determined that the valuation provided for the 2022 Loan Shares, which was provided to Shareholders in the 2022 Notice of Annual General Meeting and Explanatory Statement, was incorrect and overvalued the 2022 Loan Shares. Accordingly, the Company in consultation with its external advisers, BDO Australia, has re-valued the 2022 Loan Shares applying the following key assumptions and variables based on the assessment date at 30 June 2022 and valuation estimate carried out on 13 October 2022:

Variable	LTI
Valuation Model	Hybrid Multiple Barrier option pricing model – incorporating a Monte Carlo simulation
Underlying share price as at 30 June 2022	\$0.595
Strike Price	\$0.606
Volatility	85%
Risk Free Rate	3.66%
Term	10 years

The previous valuation model had determined an estimated value of 2022 Loan Shares (as at 30 June 2022) of \$0.58, based on the revised valuations, **the estimated value of the 2022 Loan Shares should have been \$0.393.**

The table below shows the LTI award value the corrected loan share valuation and the resulting "Top-up" Loan Plan Shares to be issued.

Director	LTI award value	Value for 2022 LTI calculation	LTI Loan Plan Shares Awarded	Corrected Value for 2022 LTI Calculation	Corrected LTI Loan Plan Share Award	Top-up Loan Plan Shares
John Borshoff	\$564,000	\$0.58	960,981	\$0.393	1,435,115	474,134
Gillilan Swaby	\$310,650	\$0.58	537,271	\$0.393	790,458	253,187

Accordingly, the Company proposes to issue a further 474,134 2022 Loan Shares to John Borshoff and 253,187 2022 Loan Shares to Gillian Swaby (**Top-Up Loan Shares**).

7.2 Resolutions

Resolutions 7(a) and 7(b) are separate, ordinary resolutions to approve the issue of Top-Up Loan Shares and the provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees), respectively, for the purposes of Listing Rule 10.14.

If Resolutions 7(a) and 7(b) are passed, the Company will be able to proceed with the issue of Top-Up Loan Shares and provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees), respectively.

If Resolutions 7(a) and 7(b) are not passed, the Company will not be able to proceed with the issue of Top-Up Loan Shares and provision of a Loan to Directors, John Borshoff and Gillian Swaby (or their nominees) and the Company may need to consider alternative means to remunerate and incentivise John Borshoff and Gillian Swaby.

7.3 Details of Top-Up Loan Shares

The Top-Up Loan Shares will be the same as all 2022 Loan Shares, being fully-paid ordinary shares in the Company which, from the time of issue, will rank equally with all other Shares, subject to the terms of the Loan Share Plan and the following conditions:

The Company agrees to limit its recourse against each of Mr Borshoff and Ms Swaby in connection with any amounts payable to it under the Loan Agreement to the proceeds paid or payable on a disposal of the Top-Up Loan Shares and any after-tax dividends or distributions paid or distributed in relation to the Top-Up Loan Shares during the term of the Loan.
Ceasing to be an Eligible Participant	<p>If Mr Borshoff or Ms Swaby cease to be an Eligible Participant under the Loan Share Plan (i.e. become a Leaver) they will retain all their vested Top-Up Loan Shares but all of their unvested Top-Up Loan Shares will be compulsorily divested in accordance with the process outlined below, unless the Board exercises its discretion to deem the unvested Top-Up Loan Plan Shares to be vested. In circumstances of fraud, dishonesty or wilful breach, the Board may also require vested Top-Up Loan Shares to be compulsorily divested.</p>
Compulsory Divestiture	<p>Compulsory divestiture may involve a buy-back of the Top-Up Loan Shares by the Company, a sale of the Top-Up Loan Shares or any other dealing at the Board's discretion.</p> <p>In addition to compulsory divestiture when becoming a Leaver, it may take place if the Board determines vesting conditions cannot be satisfied, if a participant becomes insolvent, there is a failure to repay the Loan on the due date for repayment, there is a material breach of the Loan Share Plan or the Loan Agreement that is not remedied within 20 business days of the Company giving notice. Notwithstanding this, the Board may decide that Top-Up Loan Shares will not be compulsorily divested.</p>

7.4 Estimated value of Top-Up Loan Shares

The value of the Top-Up Loan Shares for the purposes of this Notice has been determined using a Hybrid Multiple Barrier option pricing model – incorporating a Monte Carlo simulation for the LTI award (See Worked Example below). This model accords with the AASB2 Share Based Payment standard treatment, whereby the Loan Shares are treated as an in-substance option.

Worked Example

The following variables are assumed for this example:

- the Loan amount (“exercise price”) for each Loan Share is \$1.29;
- each Loan Share has an expiry date as noted, and it is assumed that the Loan will be repaid (they will be “exercised”) immediately prior to the expiry date;
- the closing price of Shares traded on ASX on 28 Sep 2023 was \$1.29;
- a risk-free rate of 4.445% has been adopted for STI and LTI purposes for Mr Borshoff and Ms Swaby;
- a volatility factor of 80% has been adopted.

The table below sets out the estimated value of the Top-Up Loan Shares applying the above valuation, as at 28 September 2023 and the potential estimated financial benefit to be received by Mr Borshoff and Ms Swaby, on the assumption all relevant vesting conditions are met.

Director	Loan Shares	Value per Security	Expiry Date	Total value
J Borshoff	LTI	\$0.926	30 Nov 2033	\$439,048
G Swaby	LTI	\$0.926	30 Nov 2033	\$234,451

7.5 Corporations Act requirements – related party financial benefits

A summary of section 208 of the Corporations Act is set out at Section 6.4 above.

The proposed issue of Top-Up Loan Shares to John Borshoff and Gillian Swaby under Resolutions 7(a) and 7(b) respectively would constitute the giving of a financial benefit for the purposes of section 208 of the Corporations Act.

The Directors (other than John Borshoff and Gillian Swaby) are of the view that the issue of Top-Up Loan Shares under Resolutions 7(a) and 7(b) is reasonable and appropriate in the circumstances. The Top-Up Loan Shares will be subject to the same performance and service conditions under the Loan Share Plan as existing 2022 Loan Shares, and determination of which was considered to be reasonable and in line with commercial fees ordinary accruing and forming part of a remuneration package. The purpose of the Top-Up Loan Shares is to ensure that John Borshoff and Gillian Swaby receive the Shares that ought to have been issued to them following the 2022 annual general meeting had the valuation been correct.

Therefore, Shareholder approval under to section 208 of the Corporations Act will not be sought on the basis that the reasonable remuneration exception under section 211 of the Corporations Act (see Section 6.4 above) applies.

7.6 Listing Rule requirements

A summary of Listing Rule 10.14 is set out at Section 6.6 above.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Top-Up Loan Shares to the Directors, as approval is being obtained under Listing Rule 10.14.
