ASX RELEASE

Alliance Aviation Services Limited (“Alliance”) (ASX: AQZ)

Alliance Executes a Five-Year Contract with BHP Nickel West

Alliance is delighted to announce that it has executed a new contract with BHP Nickel West Pty Ltd (“Nickel West”) for a five-year term.

Nickel West was Alliance’s first client in Western Australia with services commencing in 2006. Alliance has operated continuously for Nickel West since that date and by the time this contract concludes, will have been operating for Nickel West for a period of 23 years.

Under the new contract, Alliance will be the primary air charter services provider for the Nickel West operations.

Alliance owns, operates, and maintains a fleet of 13 jet aircraft in Perth and directly employs 204 staff in Western Australia. An additional three aircraft will be added to the Perth based fleet during the remainder of this financial year.

This contract award is further evidence of Alliance being regarded by its clients as the pre-eminent contract charter operator in Australia.

Alliance’s Managing Director Scott McMillan said, “We are delighted to be able to continue to supply air services to our first ever client in WA, BHP Nickel West. This contract award is further evidence of Alliance’s history of outstanding customer retention and proof that our staff continue to deliver safe and industry leading on time air charter services.”
