In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

If you sign and return a Proxy Form and do not nominate a person to act as your proxy, the Chair will be appointed as your proxy by default.

By way of summary, pursuant to sections 250BB and 250BC of the Corporations Act:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

### **Proxy vote if appointment specifies way to vote**

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

### **Transfer of non-Chair proxy to Chair in certain circumstances**

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and

- the appointed proxy is not the Chair of the meeting; and
- at the meeting, a poll is duly demanded on the question that the resolution be passed; and
- either of the following applies:
  - if a record of attendance is made for the meeting and the proxy is not recorded as attending the meeting; or
  - the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

### 1. RESOLUTIONS 1 AND 2 – ISSUE OF PLACEMENT SECURITIES AND SPP SECURITIES

#### 1.1 Background

On 31 August 2023, the Company announced a revised production plan for the Ross & Kendrick production areas within the Lance Project in Wyoming USA (**Lance Project**) in order to position the Company as a fully independent, end-to-end producer of dry yellowcake. The Company's revised production strategy for the Lance Project, as detailed in the ASX announcement dated 31 August 2023 "Lance Production to Restart in 2024 under Revised LOM Plan", is targeting production commencing in late CY 2024.

Under the revised Ross & Kendrick Life of Mine plan and considering all corporate level sources and uses, the Company will require additional funding of US\$95 million to achieve sustainable positive cash flows between July 2023 (commencement period of the revised Life of Mine plan) and the point where the project is forecast to generate sustainable positive cash flows (estimated to be September 2025).

On 20 November 2023, the Company announced a capital raising comprising a placement and security purchase plan to raise gross funds of A\$60 million to, as described in the announcement, partially finance the Company's additional funding requirements in relation to the development and production schedules under the revised Life of Mine plan for the Lance Project (**Capital Raising**).

Under the placement component of the Capital Raising, the Company proposes issue:

- (a) 666,666,667 new Shares to sophisticated or professional investors (**Placement Recipients**) at an issue price of A\$0.075 per Share (**Placement Shares**); and
- (b) up to 333,333,334 free attaching Options on the basis of one Option for every two Placement Shares subscribed for (**Placement Options**),

the Placement Shares and the Placement Options together comprise the **Placement Securities** (the **Placement**).

Under the security purchase plan component of the Capital Raising, the Company proposes to issue:

- (a) 133,333,334 new Shares at an issue price of A\$0.075 per Share (**SPP Shares**); and
- (b) up to 66,666,667 free attaching Options on the basis of one Option for every two SPP Shares subscribed for (**SPP Options**),

the SPP Shares and the SPP Options together comprise the **SPP Securities** (the **Security Purchase Plan**).

The Placement and Security Purchase Plan are each subject to Shareholder approval as sought pursuant to Resolution 1 and Resolution 2, respectively.

The SPP Securities will be offered under a disclosure document pursuant to Chapter 6D of the Corporations Act (**Prospectus**), to be lodged with ASIC and ASX on or around 10 January 2024. Eligible Shareholders (as defined below) may apply for SPP Securities under the Prospectus.

Further details of the SPP Options to be issued under the Security Purchase Plan (including terms and conditions) are set out in Schedule 1 and will also be provided to Eligible Shareholders (as defined below) in the Prospectus.

Proceeds from the Placement and Security Purchase Plan, together with existing cash balance and inventory will be used to fund Pre-production CAPEX, Pre-production OPEX at the Lance Project and for group corporate costs and working capital. For further details including a breakdown of Sources and Uses of Funds from the Placement and Security Purchase Plan refer to the Investor Presentation released on ASX on 20 November 2023 “Peninsula Energy Poised to be Largest U.S Uranium Producer - A\$60m Institutional Placement and SPP”.

## 1.2 Dependency on Resolution 1

If Resolution 1 is not passed, neither the Placement nor the Security Purchase Plan will proceed.

If Resolution 1 is passed and Resolution 2 is not passed, the Placement will proceed but the Security Purchase Plan will not proceed.

### 1.3 Resolution 1 – Approval to Issue Placement Securities

Resolution 1 is an ordinary resolution and seeks Shareholder approval for the issue of up to 666,666,667 Placement Shares and 333,333,334 Placement Options for the purposes of Listing Rule 7.1 (and for all other purposes).

### 1.4 Listing Rule 7.1 – Placement Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Placement does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Shareholders under Listing Rule 7.1.

If Resolution 1 is passed, the Company will be able to issue the Placement Securities during the three-month period after the Extraordinary General Meeting (or a longer period, if allowed by ASX), without eroding the Company's annual 15% placement capacity under Listing Rule 7.1.

The intended date for issue of the Placement Securities is on or around 11 January 2024. The Company will not apply for quotation of the Placement Options, and they will be unlisted.

If Resolution 1 is not passed, the Company will be not be able to proceed with the Placement.

Reasons to vote in favour of Resolution 1 are set out in paragraph 1.9 below.

### 1.5 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the Placement:

<b>Securities to be issued under the Placement</b>	
<b>Maximum number of securities to be issued:</b>	666,666,667 fully-paid ordinary Placement Shares and 333,333,334 Placement Options
<b>Date by which the Company will issue the Placement Securities:</b>	The Placement is expected to be completed and the Placement Securities allotted and issued on or around 11 January 2024 and no later than three months after the date of this Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
<b>Issue Price:</b>	<p>The Placement Shares will be issued at the price of A\$0.075 per Share.</p> <p>The Placement Options will be issued at a nil issue price as the Placement Options are free attaching Options issued on the basis of one Option for every two Placement Shares subscribed for under the Placement.</p>
<b>Allottees:</b>	<p>The Placement Shares will be allotted to the Placement Recipients.</p> <p>The Placement Options will be allotted to Placement Recipients who have applied for Placement Options under the Prospectus.</p>

<b>Terms of issue:</b>	<p>The Placement Shares and the Shares issued on the exercise of the Placement Options will be issued on the same terms as, and will rank equally with, all existing Shares in the Company on issue.</p> <p>The Placement Options will each have an exercise price of A\$0.10 and expire on 31 March 2025. The terms and conditions of the Placement Options are set out in Schedule 1. Refer to the Prospectus for further details on the Placement Options.</p>
<b>Use of funds:</b>	<p>The funds raised by the Placement are intended to be used to partially finance the Company's additional funding requirements in relation to the development and production schedules under the revised Life of Mine Plan for the Lance Project. For a breakdown Sources and Uses of Funds from the Placement and Security Purchase Plan refer to the Investor Presentation released on ASX on 20 November 2023 "Peninsula Energy Poised to be Largest U.S Uranium Producer - A\$60m Institutional Placement and SPP".</p> <p>Peninsula will augment funding with other sources including term debt, offtake prepayment, working capital facilities and potential proceeds from exercise of the options to facilitate ramp-up.</p>
<b>Voting exclusion statement:</b>	<p>A voting exclusion statement has been included under Resolution 1 in this Notice.</p>

## 1.6 Resolution 2 – Approval to Issue SPP Securities

Resolution 2 is an ordinary resolution and seeks Shareholder approval for the issue of up to 133,333,334 SPP Shares and 66,666,667 SPP Options pursuant to the Security Purchase Plan for the purpose of Listing Rule 7.1 (and for all other purposes).

Further information regarding the SPP Shares to be issued under Security Purchase Plan (including terms and conditions) will be provided to Eligible Shareholders (as defined below) in the Prospectus. The indicative timetable for the Security Purchase Plan is outlined in section 1.1 above.

## 1.7 Listing Rules 7.1 and 7.2 – SPP Securities

A summary of Listing Rule 7.1 is set out in paragraph 1.4 above.

In conjunction with the Placement, the Company announced on 20 November 2023 a proposed Security Purchase Plan offer to Eligible Shareholders (as defined below) to raise a further A\$10 million (before costs) by the issue of up to 133,333,334 SPP Shares. The Security Purchase Plan will enable Shareholders of the Company who are registered as holders of Shares as at the record date of 17 November 2023 (**Eligible Shareholders**) to have the opportunity to apply for up to A\$30,000 worth of SPP Shares (subject to scale back at the Company's absolute discretion). The purpose of the Security Purchase Plan is to provide Eligible Shareholders with the opportunity to apply for Shares at the same issue price as the Placement, provided that the Placement proceeds.

The Company will also issue to Eligible Shareholders who apply under the Prospectus free attaching Options on the basis of one Option for every two Shares subscribed for under the Security Purchase Plan (each with an exercise price of A\$0.10 and expiring on 31 March 2025).

Listing Rule 7.2 exception 5 provides an exception to Listing Rule 7.1 for certain security purchase plans that satisfy the conditions in *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (ASIC Instrument)*. However, the offer of SPP Options under the Security Purchase Plan does not fall within the parameters set by the ASIC Instrument and accordingly does not meet the criteria of Listing Rule 7.2 exception 5.

Furthermore, Listing Rule 7.2 exception 5 is only available once in any 12 month period and if, amongst other matters, the issue price of the SPP Shares is greater than 80% of the VWAP of Shares calculated over the last five days on which sales in shares were recorded the day before the Security Purchase Plan was announced.

The VWAP of the Company's Shares for the last five days on which sales in shares were recorded prior to the date of the announcement of the Security Purchase Plan (being 20 November 2023) was A\$0.11, with 80% of this VWAP being A\$0.088. The price of an SPP Share is A\$0.075, which is a 31.8% discount to the relevant VWAP prior to the date of the announcement of the Security Purchase Plan. Accordingly, Listing Rule 7.2 exception 5 does not apply to the issue of the SPP Shares.

Finally, the issue of the SPP Securities does not fall within any of the other exceptions under Listing Rule 7.2 and, as such, exceeds the Company's available 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

If Resolutions 1 and 2 are passed, the Company will be able to issue the SPP Securities during the three-month period after the Extraordinary General Meeting (or a longer period, if allowed by ASX), without eroding the Company's annual 15% placement capacity under Listing Rule 7.1.

The intended date for issue of the SPP Securities is on or around 31 January 2024. The Company will not apply for quotation of the SPP Options, and they will be unlisted.

If Resolution 2 is not passed, or if Resolution 2 is passed but Resolution 1 is not passed, the Company will not proceed with the Security Purchase Plan or the issue of the SPP Securities.

Reasons to vote in favour of Resolutions 1 and 2 are set out in paragraph 1.9 below.

The Company has sought from ASX a waiver from Listing Rule 7.3.9 to the extent necessary to permit the Company to not include in Resolution 2 a voting exclusion statement that excludes the votes of persons who may participate in the Security Purchase Plan, on the condition that the Security Purchase Plan is not underwritten.

## 1.8 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the Security Purchase Plan:

<b>Securities to be issued under the Security Purchase Plan</b>	
<b>Maximum number of securities to be issued:</b>	133,333,334 fully-paid ordinary SPP Shares and 66,666,667 SPP Options
<b>Date by which the Company will issue the SPP Securities:</b>	The Security Purchase Plan is expected to be completed and the SPP Securities allotted and issued on or around 31 January 2024 and, in any event, no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
<b>Issue Price:</b>	The SPP Shares will be issued at the price of A\$0.075 per Share.

	<p>The SPP Options will be issued at a nil issue price as the SPP Options are free attaching Options issued on the basis of one Option for every two SPP Shares subscribed for under the Security Purchase Plan.</p>
<b>Allottees:</b>	<p>The SPP Shares will be allotted to Eligible Shareholders who have elected to participate in the Security Purchase Plan.</p> <p>The SPP Options will be allotted to Eligible Shareholders who have elected to participate in the Security Purchase Plan and who have applied for SPP Options under the Prospectus.</p>
<b>Terms of issue:</b>	<p>The SPP Shares and the Shares issued on the exercise of the SPP Options will be issued on the same terms as, and will rank equally with, all existing Shares in the Company on issue.</p> <p>The SPP Options will each have an exercise price of A\$0.10 and expire on 31 March 2025. The terms and conditions of the SPP Options are set out in Schedule 1. Refer to the Prospectus for further details on the SPP Options.</p> <p>A summary of the terms of the Security Purchase Plan is detailed in paragraphs 1.6 and 1.7 above.</p>
<b>Use of funds:</b>	<p>The funds raised by the Security Purchase Plan are intended to be used to partially finance the Company’s additional funding requirements in relation to the development and production schedules under the revised Life of Mine Plan for the Lance Project. For a breakdown Sources and Uses of Funds from the Placement and Security Purchase Plan refer to the Investor Presentation released on ASX on 20 November 2023 “Peninsula Energy Poised to be Largest U.S Uranium Producer - A\$60m Institutional Placement and SPP”.</p> <p>Peninsula will augment funding with other sources including term debt, offtake prepayment, working capital facilities and potential proceeds from exercise of the options to facilitate ramp-up.</p>
<b>Voting exclusion statement:</b>	<p>The Company has sought a waiver from ASX in respect of Listing Rule 7.3.9 to permit Resolution 2 to not include a voting exclusion statement that excludes any person who may participate in the Security Purchase Plan on the condition that the Security Purchase Plan is not underwritten.</p>

## 1.9 Reasons to vote in favour of Resolutions 1 and 2

The Board is of the view that a significant advantage of approving Resolutions 1 and 2 is that the Company will receive funds to advance the Lance Project. If approved, funds from the Placement and Security Purchase Plan will enhance the Company’s balance sheet position and support the Company’s

additional funding requirements in relation to the development and production schedules under the revised Life of Mine Plan for the Lance Project.

Peninsula will augment funding with other sources including term debt, offtake prepayment, existing cash balance and inventory, working capital facilities and potential proceeds from exercise of the options to facilitate ramp-up.

These funds will enable the Company to deliver production into a rising uranium price environment.

The main potential disadvantage of approving Resolutions 1 and 2 is that Shareholders' interests in the Company will be diluted. Under the Placement and Security Purchase Plan, 666,666,667 Placement Shares will be issued to Placement Recipients and 133,333,334 SPP Shares will be issued to Eligible Shareholders who elect to participate in the Security Purchase Plan. The Company will issue additional Shares on the exercise of the 333,333,334 Placement Options and 66,666,667 SPP Options. The issue of these securities will have a dilutionary effect on the holdings of Shareholders, as set out in the below table:

Number of Shares on issue		Dilution (percentage that the newly issued Shares represent of the total issued Shares)
Current Shares on issue	1,260,505,340	---
Following issue of Placement Shares and SPP Shares	2,060,505,341	38.83%
Following issue of Shares on exercise of Placement Options and SPP Options	2,460,505,342	48.77%

#### 1.10 Directors' recommendations

The Board is of the opinion that the potential advantages of voting in favour of Resolutions 1 and 2 significantly outweigh the potential disadvantages and unanimously recommend that Shareholders vote in favour of Resolutions 1 and 2.
