About Adherium (ASX: ADR)

Adherium Limited (ASX: ADR) is a digital health company providing solutions for improving patient treatment with remote monitoring and data solutions. Its Hailie® system is transforming management of chronic respiratory conditions, especially asthma and chronic obstructive pulmonary disease. Hailie improves patient health through better adherence and self-management while enabling doctors to be paid for remote work and saving costs across health systems by avoiding hospital admissions. Adherium’s clinically proven sensors, app and powerful data platform provide remote, real-time, personalised information to patients and clinicians. Adherium is increasing sales in US and other markets by pursuing partnerships with major hospital systems, medical groups and insurers. For more information, visit <https://www.adherium.com/>
