Mr Lees is anticipated to commence with GOZ by 1 July 2024. Mr Collyer will continue with GOZ until July 2024 to ensure a smooth transition.

Ross brings over 20 years of real estate investment management experience and a deep understanding of commercial property markets, funds management, asset management, mergers and acquisitions and equity capital markets. Prior to this he was Fund Manager of Centuria Industrial REIT (ASX:CIP) and oversaw its re-positioning from a small cap REIT to Australia's largest pure play industrial REIT, delivering significant investment outperformance.

GOZ Chair, Andrew Fay said: "On behalf of the Board, we are delighted to announce the appointment of Ross as the next CEO and Managing Director of GOZ. Under Ross' leadership, the Board is confident GOZ will be well-positioned to continue the strong performance of its directly owned assets, build on its funds management growth plans and maximise value for securityholders over the long term. The Board conducted a comprehensive search process and believes Ross has outstanding leadership qualities and strategic capabilities, along with an exemplary track record in the Australian REIT and funds management sectors".

A short biography of Ross is included in Annexure A.

Ross said: "It is an honour to be appointed CEO and Managing Director of GOZ. GOZ has an excellent portfolio of office and industrial assets with high quality tenants, an impressive history, and a funds management platform with prospects for future growth. I look forward to working with the Board, Executive Management Team, and employees to drive value for GOZ's securityholders."

Mr Fay continued: "On behalf of the Board, I would like to thank Tim again for his leadership of GOZ since 2009. Tim has made an outstanding contribution to GOZ, successfully leading it through a period of significant growth. He leaves a positive legacy for Ross to build upon and we wish him all the best for the future."

Mr Collyer said: "GOZ has a strong team and a great culture which has driven the growth of the business from a \$650 million industrial fund to a diversified business with a \$4.6 billion portfolio and a \$1.7 billion funds management business, through acquisitions, mergers and acquisitions and development. I thank the GOZ Board, the GOZ team, securityholders and other stakeholders for their support of the business and me over the many years. I would like to congratulate Ross on his appointment as CEO and Managing Director and I am confident that GOZ will continue to grow under his leadership."
