

6 March 2024

Superloop Leadership Team Update

Superloop Limited (**ASX:SLC**) ("**Company**" or "**Group**") is pleased to announce that Mr Dean Tognella has been appointed as the Chief Financial Officer (CFO) effective 6 March 2024, a role he has acted in since 23 October 2023.

Mr Tognella was identified as being the preferred candidate to support the continued success of the Company's 'Double Down' strategy. With more than 25 years' experience in telecommunications and technology companies, Mr Tognella has previously held senior roles within SingTel, Optus, NBN Co, IBM and PwC. Mr Tognella is a Fellow of the Institute of Chartered Accountants and holds an MBA from the Australian Graduate School of Management (UNSW) in Sydney and a Bachelor of Business from Swinburne University of Technology.

Paul Tyler, Managing Director and Chief Executive Officer said, "The Board and I want to thank Dean for his incredible enthusiasm and impact whilst in the Acting CFO role. During this time, Dean led the 1H FY24 results process, demonstrating his deep knowledge of the business and industry, strong leadership and financial acumen, contributing significantly to the Company's financial success and growth."

As announced on 23 October 2023, Mr Tognella's previous role as Group Executive Business & Wholesale was assumed on an acting basis by Ms Daisey Stampfer, Superloop's Group Executive Strategy & Transformation. Ms Stampfer has been appointed to the Group Executive Business & Wholesale role on a permanent basis, also effective today.

Ms Stampfer has more than 15 years' experience in technical and non-technical leadership roles in tier 1 organisations such as Bosch, Thales, Telstra and more recently, NBN Co where she was the GM of Sales Enablement and Client Services for business service delivery. Leveraging her education in Robotics Engineering, Computer Science, Software and Law, Ms Stampfer's passion lies in solving business challenges with Superloop's modern day solutions, enabling customers to succeed in their pursuits.

ENDS

Authorised for release by the Managing Director / Chief Executive Officer of Superloop limited.

About Superloop

Founded in 2014, and listed on the ASX since 2015, Superloop's purpose is to enable better internet for Australian homes and businesses. We enable challenger retail brands (including Superloop and Exetel brands) to take a larger share of the market, leveraging Superloop's Infrastructure-on-Demand platform. Superloop provides connectivity and services to customers in three segments of the market: consumer, business and wholesale. Our offerings leverage Superloop's investments in physical infrastructure assets that include fibre, subsea cables and fixed wireless, as well as Superloop's software platforms. Hundreds of thousands of homes and businesses rely on Superloop and Exetel every day for their connectivity needs.
