Update to Shareholders

We refer to the appointment of Kathryn Warwick, Hayden White and Daniel Woodhouse, as Joint and Several Administrators (“**Administrators**”) of Panoramic Resources Limited (Administrators Appointed) (Receivers and Managers Appointed) ACN 095 792 288 (“the **Company**”) on 14 December 2023 pursuant to Section 436A of the *Corporations Act 2001* (Cth) (“**the Act**”).

Deferral of Financial Reporting Obligations

The Administrators advise that the Company is relying on the relief set out in ASIC Corporations (Externally-Administered Bodies) Instrument 2015/251 (“the **Instrument**”) in relation to the Company’s financial reporting obligations under Part 2M.3 of the Act. The relief includes but is not limited to obligations under Sections 315(1), 315(4), 316, 319(1) and 320(1) of the Act. The obligations are deferred for a minimum period of six (6) months from the date of appointment of Administrators and up to a maximum of 24 months from the date of appointment.

Subject to the conditions set out within Section 8 of the Instrument, the Company does not have to comply with any of the following obligations under Part 2M.3 of the Act in relation to a financial year or half-year of the Company:

- report to members of the Company under s314 and s315 of the Act;
- send reports to a member in accordance with a request under s316(1) within the time required by s316(2) of the Act;
- send reports to a member in accordance with a request under s316A(1) within the time required by s316A(3) of the Act;
- lodge reports with ASIC under s319(1) within the time required by s319(3) of the Act; and
- lodge half-year reports with ASIC under s320(1) within the time required by that section of the Act.

The Instrument defers the financial reporting obligations of the Company until at least 14 June 2024.

Should the Administration extend beyond 14 June 2024, the relief will extend to the earlier of:

- 24 months from the date of appointment of administrators (14 December 2025);
- if a deed administrator is appointed, the day on which a director has the right to, or is able to, perform or exercise all or most of the management powers or functions of a director under a deed of company arrangement or with consent of the deed administrator; or
- the day on which the Company exits administration,

(“the **Deferral Period**”).

In addition to the relief set out in the Instrument, the Company will also not be lodging quarterly accounts for the period ending 31 March 2024 by the deadline of 30 April 2024. Further, as the Company's securities are suspended from trading and there is a prohibition on trading of the Company's securities pursuant to s437F of the Act, the Administrators believe there is no risk of trading occurring without the market being fully informed of the Company's financial position.

Deferral of Annual General Meeting

The Company is also relying on ASIC's relief pursuant to section 6A of the Instrument. Accordingly, the Company is not required to hold an Annual General Meeting ("AGM") under s250N of the Act.

This relief applies until the last day of the Deferral Period. A company relying on this exemption must hold an AGM within two (2) months after the end of the Deferral Period and provide all outstanding financial reports deferred under Section 8 of the Instrument.

Accordingly, the AGM of the Company is deferred until at least two (2) months from the date the financial reporting relief ceases.
