## **ALS releases 2024 Sustainability Report**

**ALS Limited** (ASX Code: ALQ) is proud to release its Sustainability Report for 2024.

The report provides an overview of ALS's sustainability initiatives, activities, and achievements over the 2024 financial year ended 31 March 2024.

Highlights from the 2024 report include:

- Achieved a record-low Total Recordable Injury Frequency Rate (TRIFR) of 0.94\*.
- Delivered a >15% reduction in scope 1 and 2 carbon emissions and commenced implementation of our roadmap to reach Net Zero by 2050.
- Purchased >95% renewable electricity across global operations.
- Continued support of 4 key charities through corporate partnerships and workplace giving programs.
- Delivered a total economic contribution of AUD 2.58 billion.

ALS CEO and Managing Director Malcolm Deane said, "Our purpose is to help make the world a better place through science, assurance and sustainability – a deliberate strategic choice to integrate sustainability into our fundamentals, targets, development and decision-making. I'm pleased to share this year's sustainability report, highlighting the significant progress we've made in FY2024."
