MONADELPHOUS SECURES SHELL PRELUDE FLNG MAINTENANCE CONTRACT

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has been awarded a major long-term maintenance and minor construction services contract associated with Shell Australia Pty Ltd’s (Shell) Prelude Floating Liquefied Natural Gas (FLNG) facility.

The seven year contract will commence in November 2024 at the expiry of the Company’s existing contract with Shell.

Under the contract Monadelphous will continue providing onshore project management and planning services at Shell’s head office in Perth, Western Australia (WA), and offshore maintenance services at Prelude FLNG, located in the Browse Basin, approximately 475 kilometres north-northeast of Broome, WA.

Monadelphous Managing Director Zoran Bebic said Monadelphous had provided services to Shell on Prelude FLNG over the past nine years.

“We are delighted to continue delivering services to Shell on the Prelude FLNG facility. Renewing this significant contract demonstrates Monadelphous’ leadership position in the Australian energy maintenance market, both onshore and offshore,” he said.
