About Aussie Broadband Limited

Aussie Broadband is an Australian operated telecommunications and technology company that formed in 2008 in Morwell, Victoria.

The Company provides a broad range of solutions to residential, business, enterprise and government customers, and provides wholesale services to other telecommunications companies and managed service providers.

The Company is the 5th largest provider of broadband services in Australia and is one of only five tier 1 voice providers in Australia.

Aussie Broadband is focused on building market share in the business, enterprise & government and wholesale segments through its range of data, voice, cloud and managed solutions, whilst continuing to build share in the residential segment.
