Dear Lewis

REQUEST FOR TRADING HALT

Pursuant to Listing Rule 17.1, Frontier Energy Limited (ASX: FHE), (the “**Company**”) requests an immediate trading halt in the trading of the Company's securities pending an announcement regarding debt finance for the Stage One development of the Company's Waroona Renewable Energy Project.

In accordance with Listing Rule 17.1, the Company provides the following information in connection with this request:

- The Company requests that the trading halt remains in place until the earlier of the commencement of normal trading on Wednesday 24 July 2024 or the release of an announcement in relation to the above;
- The Company is not aware of any reason why the trading halt should not be granted; and
- The Company is not aware of any further information necessary to inform the market about the trading halt.

Yours sincerely,

Stuart McKenzie
Company Secretary

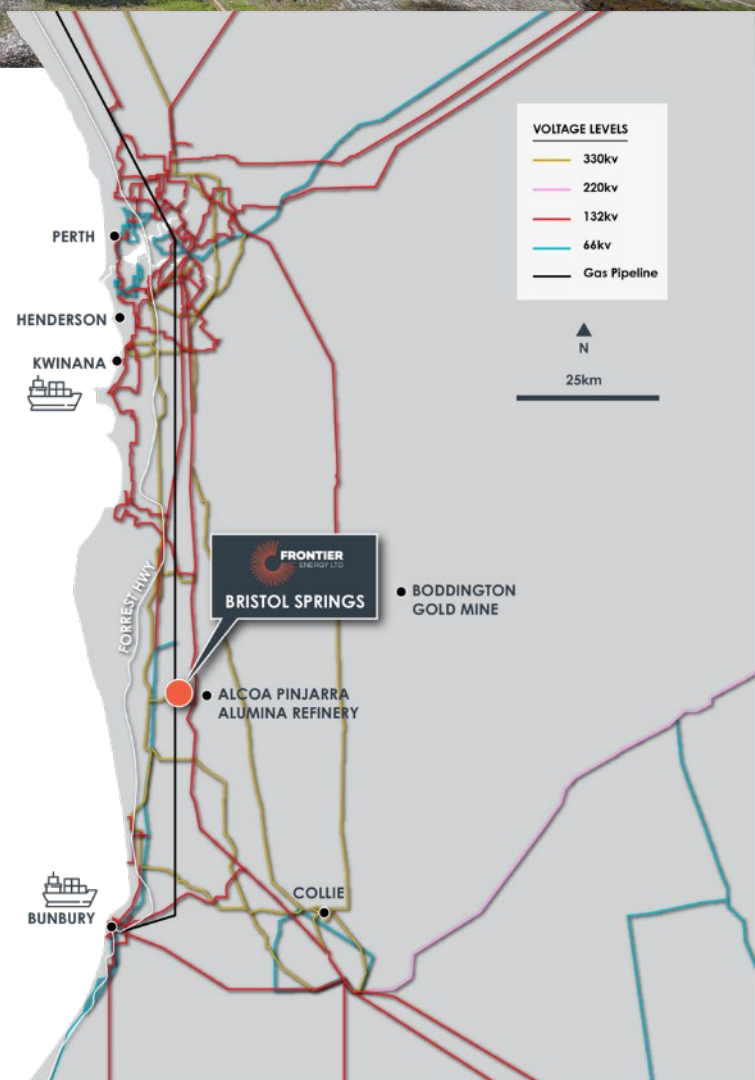

About Frontier Energy

Frontier Energy Ltd (ASX: FHE; OTCQB: FRHYF) is developing the Waroona Renewable Energy Project (the Project) located 120km from Perth in Western Australia.

Waroona has potential to become one Australia's largest standalone renewable energy projects, as the Company controls 868ha of adjoining freehold land whilst also having approvals in place for a connection onto the WA electricity network (SWIS) with a terminal adjacent to the Project.

The Company released a highly positive DFS on Stage One development that consists of a 120MW solar farm and 80MW 4-hour battery which is now advancing towards a Final Investment Decision in 2024.

Frontier is fully committed to making the Project one of WA's major renewable energy hubs, incorporating multiple value-adding initiatives including batteries and green hydrogen, with full renewable energy potential of more than 1GW based on connection capacity.
