About Respiri Limited – A Revolutionary Remote Healthcare Solutions Provider

Respiri Limited (ASX:RSH, OTCQB:RSHUF) is leading the charge in transforming healthcare delivery in the US. As an innovator in medical devices and MedTech, we combine state-of-the-art technologies with unparalleled clinical expertise. Partnering with healthcare providers and organisations we empower our clients to extend exceptional care into the community, making a real difference to patients' lives.

We're revolutionising healthcare one patient at a time with our disruptive business model, which provides personalised and responsive care. Our cutting-edge R&D sets us apart, offering comprehensive Care Management programs for all major chronic conditions, including our exclusive remote wheeze detection for respiratory disorders.

Through strategic partnerships, we seamlessly integrate our advanced solutions into existing systems and workflows, boosting efficiency and significantly reducing overall healthcare costs. Our data-driven programs and superior clinical expertise position us at the forefront of chronic disease management, ensuring patients' healthcare needs are met consistently and effectively across the continuum of care.

About the wheezo® Medical Device

wheezo®, a world-first FDA-approved Class II medical device, is the sole WheezeRate detector capable of integrating into RPM programs. Developed by Respiri, wheezo® utilises innovative technology to analyse breath sounds for wheeze. The device works with the user-friendly respiri™ app, enabling users to log symptoms and triggers. The wheezo® system creates a comprehensive and individualised patient profile, fostering informed dialogues between patients and physicians. For details on our US offering, visit <https://respiri.co/us> or for [wheezo®](https://wheezo.com)

Respiri Limited is headquartered in Melbourne with offices in New York City and Miami.

Respiri Limited | ABN 98 009 234 173 | Suite 1, Level 9, 432 St Kilda Road, MELBOURNE VIC 3004

wheezo® is a registered trademark of Respiri Limited

Forward Looking Statements

Certain statements made in this announcement are forward-looking statements. These forward-looking statements are not historical facts but rather are based on Respiri current expectations, estimates and projections about the industry in which Respiri operates, and its beliefs and assumptions. Words such as "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," "guidance" and similar expressions are intended to identify forward looking statements and should be considered an at-risk statement. Such statements are subject to certain risks and uncertainties, particularly those risks or uncertainties inherent in the process of developing technology and in the endeavour of building a business around such products and services. These statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and other factors, some of which are beyond the control of Respiri, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. Respiri cautions shareholders and prospective shareholders not to place undue reliance on these forward-looking statements, which reflect the view of Respiri only as of the date of this release. The forward-looking statements made in this announcement relate only to events as of the date on which the statements are made. Respiri will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this announcement except as required by law or by any appropriate regulatory authority.
