

REQUEST FOR EXTENSION OF SUSPENSION

Beston Global Food Company Ltd (ASX:BFC) (**Beston** or the **Company**) requests an extension to the existing suspension of trading in the Company's securities. The Company is not yet in a position where it is capable of making an announcement about its funding arrangements.

In accordance with Listing Rule 17.2, the Company requests the suspension be extended until the Company is capable of making the announcement, which it currently expects to be before 2 September 2024.

- Beston is currently in negotiations on its funding arrangements and a potential corporate transaction to address the funding needs of the Company. Interest has been provided by a party which is currently undertaking due diligence on the Company to determine if an offer will be finalised as indicated. Such a transaction is necessary for Beston's continued financial viability.
- The timetable for coming out of suspension is predicated on finalisation of the terms of a potential transaction and completion of documentation. The Company expects it will be in a position to provide an update by 2 September 2024.
- In Beston's opinion, continued trading of the Company's securities is likely to be materially prejudicial to its ability to seek support from various parties to finalise necessary arrangements.
- Beston is not aware of any reason why the suspension should not be granted, nor is it aware of any other information that is necessary to inform the market about the suspension.

This request has been authorised by the Board of BFC.
