About Johns Lyng Group Limited

Johns Lyng Group Limited (JLG) is an integrated building services group delivering building and restoration services across Australia and the US. JLG's core business is built on its ability to rebuild and restore a variety of properties and contents after damage by insured events including impact, weather and fire events. Beginning in 1953, JLG has grown into an international business with over 2,300 employees servicing a diversified client base comprising major insurance companies, commercial enterprises, local and state governments, body corporates/owners' corporations and retail customers. JLG defines itself by delivering exceptional customer service outcomes every time.
