Response to media article

TPG Telecom Limited (ASX: TPG) refers to an article in the Australian Financial Review on 4 August 2024, stating that TPG is in discussions with Vocus Group in relation to the possible sale of its fibre network.

At the TPG Annual General Meeting on 3 May 2024, TPG confirmed previous statements that it would continue assessing value-optimising alternatives for its fixed infrastructure assets as part of a strategic review. Vocus Group and TPG have engaged in non-exclusive discussions as part of that strategic review process.

Securityholders should be aware that TPG's discussion with Vocus Group in 2023 did not lead to a transaction and there is no certainty a transaction will eventuate from the current discussions.

TPG will keep the market updated in accordance with its continuous disclosure obligations.
