¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

There is a strong commitment to providing a working environment based on the principles of equal opportunity and diversity and ensuring that decisions in the workplace are based on merit and business needs.

The Board:

- reviews the Diversity Statement from time-to-time to ensure consistency with best practice;

Female representation on the Executive team*	30% (adopting the same metric as used for Board representation)

Categories covered include leadership training (including the Coaches as Leaders program), product and system training, as well as compliance and induction.

Recommendation 1.6 – Periodically evaluate Board, Committee and Director Performance

The Company recognises the importance of regular reviews of its effectiveness and performance.

The People and Remuneration Committee is responsible for determining the process for evaluating the performance of the Board, its Committees and individual Directors against both measurable and qualitative indicators.

Recommendation 1.7 – Annually evaluate Senior Executive performance

The Company has a process for periodically evaluating the performance of the CEO and other senior Executives.

The Board, in conjunction with the People and Remuneration Committee, is responsible for approving performance objectives for the CEO and other senior executives and evaluating the performance of each senior executive against these objectives. The objectives are set for each senior executive at the beginning of each financial year and reflect specific financial and non-financial metrics which are aligned to the Company's strategy and values.

The performance of each senior executive in respect of a financial year is generally measured against those metrics.

Remuneration is reviewed annually by the People and Remuneration Committee in line with the financial year and is dependent on each senior executive's performance against their objectives. Any increases to executive remuneration are approved by the Board and effective from 1 July, following the annual performance review.

There is further detail in the Annual Report on the performance objectives and the performance of each of the Executive Key Management Personnel, who were, at 30 June 2024, the CEO and the CFO.

PRINCIPLE 2 – STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE

Recommendation 2.1 – Have a Nomination Committee and disclose its Charter

The Board has a Nomination Committee, which has adopted a Nomination Committee Charter disclosed on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>. The Committee is established in accordance with the Company's constitution and authorised by the Board to assist it in fulfilling its statutory, fiduciary and regulatory responsibilities. It has the authority and power to exercise the role and responsibilities set out in its Charter and under any separate resolutions of the Board.

The Nomination Committee will meet as required to assist and advise the Board on:

The Non-Executive Directors contributed operational knowledge, an understanding of the industry in which the Company operates, knowledge of financial markets, and an understanding of health, safety, sustainability and stakeholder matters that are important to the Company. Recommendation 2.3 – Disclose independence of Directors

As at the date of this Corporate Governance Statement, 4 of 5 of the Directors are Non-Executive, with the Board determining that each of the Non-Executive Directors is independent, other than Mr Abercrombie (who the Board considers is not independent as he indirectly holds 26% of shares on issue in the Company).

The Board's on-going assessment of a Non-Executive Director's independence is based on whether the Director is free of any material relationship (other than as a consequence of being a Director) that could be reasonably considered to interfere with the exercise of their independent judgement and conflict with the interests of the Company.

A "material relationship" includes a direct or indirect relationship that could reasonably be considered to influence, in a material way, a Director's decision in relation to the Company. When considering whether a relationship is "material", the Board will consider the materiality to each of the Company, the Director and the person or organisation with which the Director is related (for example, as a customer or supplier). The Board has not set quantitative materiality thresholds to be used in assessing whether a relationship is a "material relationship" and it considers all relationships on a case-by-case basis.

The Board regularly reviews the independence of each Director. Any Director who considers that he or she has, or may have, a conflict of interest or a material personal interest in any matter concerning the Company is required to give the Directors immediate notice of the interest.

Details of each person who acted as Director during the Reporting Period, including length of service, skills, experience, relevant qualifications and expertise, are set out in the Annual Report.

Recommendation 2.4 – Have a majority of independent Directors

During the Reporting Period, the Board was composed of a majority of independent Non-Executive Directors.

Recommendation 2.5 – Board Chair should be independent

The Chair of the Board, Mr Andrew Abercrombie, is not independent however the Board believes Mr Abercrombie's lengthy experience with, and knowledge of, the Company, including his role as a founding Director, is of significant benefit to the Company, and supports his ongoing role as Chair, notwithstanding that he is not an independent Director.

Recommendation 2.6 – Have a Director induction program, and review Director professional development

Induction is provided to all new Directors, which includes formal discussions with each of the CEO, Chair, and senior executives. The induction materials include information about the Company's strategy, culture, values, key policies, the Company's financial, operational and risk management position, the Company's constitution, the rights and responsibilities of Directors, and the role of the Board and its Committees.

All Directors are expected to maintain the skills required to discharge their obligations. The Company provides professional development opportunities for Directors to develop and maintain their skills and knowledge.

PRINCIPLE 3 – INSTIL A CULTURE OF ACTING LAWFULLY, ETHICALLY AND RESPONSIBLY

Recommendation 3.1 – Articulate and disclose the values

hummgroupp has five clearly articulated values which are embedded into its systems and policies, including the Code of Conduct, being:

- **Feel their world:** Know what drives our customer and makes them tick
- **Famous for delivery:** Get things nailed the first time
- **Focus on impact:** Never lose sight of what you are here to do
- **Feed your mind:** Push yourself to stay up to speed with what's hot and new
- **#FTB (Fight The Bureaucracy):** There's no room for hierarchy – roll your sleeves up and get things done

Every day, humm people (hummassadors) are recognised internally by their peers and leaders and rewarded for how they have demonstrated one or more of the values.

Recommendation 3.2 – Have and disclose a Code of Conduct

Code of Conduct

The Company has a formal Code of Conduct to which all Directors, Officers, Executives and employees of the Company and its subsidiaries are required to adhere, together with a comprehensive range of corporate policies (which are reviewed periodically) which details the framework for acceptable corporate behaviour. The Code of Conduct also applies to hummgroupp's contractors, consultants and associates. Together, the Code of Conduct and supporting policies set out the expectations in relation to a range of areas, including share trading, employment practices and regulatory compliance.

The Code of Conduct outlines the rules of behaviour hummgroupp has established for employees and is recognised as one of the Company's most important documents because *how* things are done is just as important as *what* is done.

hummgroupp's Code of Conduct includes the behaviours that hummgroupp considers to be non-negotiable, which come back to two simple concepts:

- *We're respectful – yes, we're all different, but that's what makes us stronger. We want people to think and look and act differently. We want people to fight the bureaucracy, but we always do that respectfully – whether it's in our conversations or emails, our personal presentation, or our behaviour;*
- *We behave ethically – but we don't do it because we have to, we do it because we want to. We act in line with community standards and expectations – whether that's towards our customers (our buyers and our sellers) or our colleagues.*

A copy of the Code of Conduct is available on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

Any material breaches of the Code of Conduct are considered serious and will be reported to the Board following an appropriate investigation.

Recommendation 3.3 – Have and disclose a Whistleblower Policy

hummgroupp believes in and is committed to having a corporate culture where ethical behaviour is promoted and recognised, and employees and contractors are encouraged to report unethical, unlawful or undesirable conduct without fear of disadvantage, intimidation, reprisals or retaliatory action. This applies even if the report is subsequently determined to be incorrect or is not substantiated (as long as the report is made honestly).

hummgroupp strives to provide its people with a safe environment where they feel comfortable about raising concerns about actual, suspected or anticipated wrongdoing within hummgroupp, and has in place a Whistleblower Protection Policy, which can be found on the Company's website: <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

The Board receives updates on any material matters reported under the policy.

Recommendation 3.4 – Have and disclose an Anti-bribery and Corruption Policy

hummgroupp recognises the importance of having oversight of risks associated with conflicts of interest and, at the extreme, risks associated with bribery and corruption, as each may be indicative of issues within the Company's culture. The Board will continue to have oversight of this area directly or through one of its Committees and will receive reports of any material incidents of bribery or corruption, and consequent actions taken.

A copy of the Company's Anti-Bribery and Corruption Policy is available on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

Policy on trading in Company's Securities

Director and employee share trading is subject to the Company's Securities Trading Policy, which places restrictions on when a Director or employee can deal in securities in the Company. Directors and employees (and their immediate family members and closely connected persons and entities) are only permitted to acquire and sell the Company's shares when they are not in possession of price sensitive information that is not generally available to the market.

During the Reporting Period, the Securities Trading Policy was reviewed and updated for clarity and ease of compliance.

A copy of the Company's Securities Trading Policy is available on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

PRINCIPLE 4 – SAFEGUARD THE INTEGRITY OF CORPORATE REPORTS

Recommendation 4.1 – Have an Audit Committee and disclose its Charter

Audit, Risk & Compliance Committee

The Audit, Risk & Compliance Committee (“ARCC” or “Committee”) is comprised of three independent Non-Executive Directors including the Committee Chair, who was not the Chair of the Board.

The qualifications and experience of the members of the ARCC are set out in the Annual Report along with the number of times the ARCC met throughout the Reporting Period and the attendance of its members. The ARCC Charter is disclosed on the Company’s website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

The ARCC provides advice and assistance to the Board in fulfilling the Board’s responsibilities relating to the Group’s financial risk management and compliance systems and practices, financial statements, financial and market reporting processes, internal accounting and control systems, external audit and such other matters as the Board may request from time to time together with its responsibilities pursuant to the risk and compliance function set out in Recommendation 7.1. In addition, the Committee is responsible for assessing significant estimates and the judgments made during the Reporting Period to ensure the integrity of the Company’s external financial reporting and financial statements, as well as ensuring whistleblower issues are actively followed up.

The ARCC’s audit processes are designed to establish a proactive framework and dialogue in which the Committee, management and external auditors review and assess the quality of earnings, liquidity and the strength of the income statements and balance sheets, and transparency and accuracy of reporting. In fulfilling its responsibilities, the Committee reviews the processes the CEO and CFO have in place to support their declarations to the Board.

Recommendation 4.2 – Board to receive a declaration from the CEO and CFO in advance of approving the Financial Statements

Declarations

In accordance with section 295A of the Corporations Act, for the Reporting Period, the executives primarily and directly responsible to the Directors for the general and overall management of the Company have declared to the Board that:

- the financial records of the Company have been properly maintained in accordance with section 286 of the Corporations Act;
- the financial statements and the notes to the financial statements comply with the Australian Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
- the financial statements and the notes to the financial statements give a true and fair view of the financial position and performance of the Company and consolidated entity.

In addition, the CEO and CFO have stated to the Board in writing that:

- the Company’s financial report is founded on sound systems of risk management and internal compliance and control which implement the policies adopted by the Board; and
- the Company’s risk management and internal compliance and control system is operating effectively in all material respects.

The Company has the following guiding principles to ensure the independence of the external auditor:

1. the Audit Committee will review and assess the independence of the external auditor, including but not limited to any relationships with the Company or any other entity that may impair the external auditor’s judgement or independence in respect of the Company;
2. the Audit Committee will request an annual confirmation of independence from the external auditor, and will track during each year the amount of non-audit work being undertaken by the external auditor;
3. the amount of non-audit work performed by the external auditor will be minimised, with approval from the ARCC (or the Committee Chair in certain specific circumstances) being required before any work is undertaken by the external auditor; and
4. the ARCC will require the rotation of the audit signing partner and the independent review partner every five years. The Company’s external auditor, Ernst and Young (“EY”) has provided the ARCC with a confirmation of its independence for the Reporting Period. The Board has determined that it is satisfied as to the independence of the external auditor in relation to the Reporting Period and the audit of the Financial Report for the Reporting Period.

Recommendation 4.3 – Disclose the process to verify unaudited periodic reporting

All periodic corporate reports for hummgroup that are not otherwise subject to audit or review by an external auditor are reviewed in accordance with an internal verification procedure to ensure the integrity and accuracy of the information included in those reports. This verification procedure involves a systematic checking and signing-off procedure. Where possible, each statement or number is linked back to an independent external or internal source document.

PRINCIPLE 5 – MAKE TIMELY AND BALANCED DISCLOSURE

Recommendation 5.1 – Have and disclose a continuous Disclosure Policy

The Board recognises the importance of keeping the market fully informed of the Company's activities and of communicating openly and clearly with all stakeholders.

The Company has a Disclosure and Communication Policy to ensure compliance with the continuous disclosure requirements in the ASX Listing Rules and the Corporations Act. Specifically, the Disclosure and Communication Policy outlines the corporate governance measures adopted by the Company to further its commitments and provides detailed information regarding hummgroup's:

- continuous disclosure obligations;
- disclosure roles, responsibilities and internal procedures;
- disclosure matters generally;
- market communications; and
- shareholder communications.

The Company has established a Disclosure Committee which manages the Company's compliance with its disclosure obligations and the Disclosure and Communication Policy. The Disclosure Committee is made up of the Company Secretary, CEO and CFO. The Company's Disclosure and Communication Policy is available on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

Information considered to require disclosure is announced immediately through the ASX. Key presentations given by Company personnel to investors and institutions are also lodged first with the ASX. Following the lodgement of an announcement with ASX, key communications are placed on the Company's website. General and historical information about the Company and its operations is also available on the Company's website.

Recommendation 5.2 – Promptly provide the Board with all material market announcements

The Directors of the Board are subscribed to a service which alerts them to the publication of all of the Company's market announcements, including material announcements. In addition, the Board approves or receives notice of all non-pro forma market announcements from Management.

Recommendation 5.3 – Release a copy of investor or analyst presentations to the market

hummgroup believes in keeping its security holders appropriately and equally informed and has a process in place to first submit to the ASX Market Announcements Platform any new and substantive investor or analyst presentations before they are given to the investors or analysts.

In addition, a webcast from management is arranged for the full year and half year results announcements, at which the CEO will give a presentation, which has first been submitted to the ASX Market Announcements Platform and provide investors and analysts with the opportunity to submit questions on that presentation.

PRINCIPLE 6 – RESPECT THE RIGHTS OF SECURITY HOLDERS

Recommendation 6.1 – Provide Company and governance information on the website

It is the Board's aim that the Company maintains effective communications with its shareholders and keeps them fully informed of significant developments and activities of the Company, as well as provides them with the facilities to allow them to effectively exercise their rights as security holders.

This commitment is achieved by:

- complying with the ASX Listing Rules and the Corporations Act continuous disclosure and reporting requirements;
- distribution of the Annual Report to shareholders who notify the Company that they do wish to receive it, as well as publishing Annual Reports and financial statements on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=annual-reports>;
- holding an accessible and informative AGM. The Board requires the external auditor to attend the AGM and be available to answer shareholder questions relating to the audit of the Company's financial statements, the preparation and content of the auditor's report, the accounting policies adopted by the Company, and auditor independence;

In addition, the Company has in place resources to support its investor relations program, which consists of a number of regular communications channels for all current and prospective shareholders, in addition to ad hoc engagements with institutional investors and investment analysts. Recommendation 6.3 – Disclose how security holder participation at meetings is encouraged

PRINCIPLE 7 – RECOGNISE AND MANAGE RISK

Risk management

The Board recognises that risk management and internal controls are fundamental to sound management and that oversight of such matters is a key responsibility of the Board. The Company has a risk management policy framework and governance structure designed to ensure that the risks of conducting business are properly managed. Management is responsible to the Board for identifying, managing, reporting upon and implementing measures to address risk.

Recommendation 7.1 – Have a Risk Committee and disclose its Charter

The Board oversees and reviews the effectiveness of risk management at all levels across the Company and, during the Reporting Period, was assisted and advised in this role by the ARCC.

Audit, Risk and Compliance Committee

The Audit, Risk & Compliance Committee (“ARCC” or “Committee”) is comprised of three independent Non-Executive Directors including the Committee Chair, who was not the Chair of the Board.

The qualifications and experience of the Directors on the ARCC are set out in the Annual Report along with the number of times the ARCC met throughout the Reporting Period and the attendance rates of its members. The ARCC Charter, which sets out the role and responsibilities of the Committee, is disclosed on the Company’s website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.

While ultimate responsibility for risk oversight and risk management rests with the Board, the ARCC provides advice and assistance to the Board to fulfil its corporate governance and oversight responsibilities in relation to how risk is identified, assessed and managed across the Group, including in accordance with the Board approved Risk Appetite Statement, together with its responsibilities pursuant to the audit function set out in Recommendation 4.1. In addition, the Committee was responsible for assessing significant risks and compliance with internal and external requirements during the Reporting Period.

The Company has identified key financial and non-financial risks within the business, as outlined in the Risk Appetite Statement. In the ordinary course of business, management monitors and manages these risks, providing regular reporting on key metrics, including the Company’s risk appetite. Performance in each risk class is presented to and reviewed by the Committee, with clear escalation procedures in place where the Company’s risk profile sits outside appetite.

Recommendation 7.2 – Annually review the risk management framework

The Board delegates the review of the Company’s risk management framework to the ARCC. The Committee structures its meetings to ensure all elements of the Group risk management framework and risk management operations are considered and addressed over the course of the year. This includes identifying where material risks sit across the organisation, where investment has been made in improving risk management capability and processes, and where further enhancements can be made.

Recommendation 7.3 – Make disclosures regarding the internal audit function

hummgroup engages Grant Thornton, an independent external provider, to provide the formal internal audit function. The internal auditor reports to the ARCC, which is also responsible for assessing the internal auditor’s performance.

An annual plan of review and advisory activity to be conducted by the internal auditor is developed with management and approved by the ARCC, with regular reporting provided to the Committee. In camera sessions with the ARCC and internal auditor, excluding management, are conducted at least annually.

Recommendation 7.4 – Disclose if the Company has any material environmental or social risks, and their mitigants

hummgroup does not have any material environmental or social risks and is dedicated to effectively managing all risks faced by the Company, including its exposure to economic, environmental, climate change, or social sustainability risks and is in the process of developing an ESG Policy.

PRINCIPLE 8 – REMUNERATE FAIRLY AND RESPONSIBLY

During the Reporting Period, the Board had a People and Remuneration Committee, whose Charter is available on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>

Recommendation 8.1 – Have a Remuneration Committee and disclose its Charter

During the Reporting Period, the Company's People and Remuneration Committee was comprised of three independent Non-Executive Directors including the Committee Chair, who was not the Chair of the Board.

Details of the number of meetings of the People and Remuneration Committee held during the Reporting Period and of each member's attendance at those meetings are set out in the Annual Report.

The People and Remuneration Committee has responsibility for the performance appraisal process and remuneration policies for the Company's management, with a process in place for Director remuneration to be reviewed from time-to-time.

The CEO's performance evaluation of key executives is periodically reviewed by the People and Remuneration Committee. The CEO's performance evaluation is undertaken by the Board.

The People and Remuneration Committee assisted and advised the Board on remuneration policies and practices for the Board, the CEO, senior management and other persons whose activities, individually or collectively, affect the financial soundness of the Company.

The People and Remuneration Committee's responsibilities include developing, reviewing and making recommendations to the Board on:

- the ongoing appropriateness and relevance of the remuneration framework for the Chair and the Non-Executive Directors (including the process by which any shareholder approved pool of Directors' fees is allocated to Directors);
- the Company's policy on remuneration for the CEO and senior management, any changes to the policy and the implementation of the policy (including any shareholder approvals required);
- the total remuneration packages for the CEO and senior management (including base pay, incentive payments, equity-based awards, superannuation and other retirement rights, employment contracts), any changes to remuneration packages and recommending proposed award after performance evaluation procedures;
- the Company's recruitment, retention and termination policies for the CEO and senior management and any changes to those policies;
- incentive schemes, if appropriate, for the CEO and senior management to encourage them to pursue the growth and success of the entity without rewarding conduct that is contrary to the entity's values or risk appetite;
- equity based plans, if appropriate, for the CEO, senior management and other employees;
- superannuation arrangements for Directors and management;
- monitoring and providing input to the Board regarding:
 - legislative, regulatory or market developments likely to have a significant impact on the Company and legislative compliance in employment issues;
 - the remuneration trends across the Company; and
- major changes to employee benefits structures in the Company.

Recommendation 8.2 – Disclose policies and practices for Non-Executive Directors, Executive Directors, and for Executive Management

Remuneration Report

In accordance with section 300A of the Corporations Act, disclosures in relation to Director and executive remuneration are included in a separate component of the Directors' Report in the Annual Report, entitled Remuneration Report. The Remuneration Report contains details of the Company's remuneration philosophy and structure, including fixed and variable remuneration.

Board remuneration

Remuneration of the Non-Executive Directors is fixed and designed to ensure that Board membership of an appropriate mix and calibre is maintained and aligned with remuneration trends in the marketplace. Remuneration levels and trends are reviewed with the assistance of independent external remuneration consultants when appropriate.

CEO and Executive remuneration

The underlying principles of risk and reward for performance are set out in the Remuneration Report. These principles recognise the different levels of contribution of management to the short-term and long-term success of the Company.

A key element is the principle of reward for performance that is dependent upon both personal and Company performance. Every employee undergoes a formal performance appraisal each financial year, which is used, in part, to determine that employee's remuneration in the financial year ahead.

The CEO's performance is continuously monitored and annually assessed. The assessment is used to determine, in part, the level of "at risk" remuneration paid to the CEO.

Recommendation 8.3 – Have and disclose a policy on limiting economic risk of participating in equity based remuneration programs

As set out above, the Company offers equity-based plans, if appropriate, for the CEO, senior management and other employees. The Company's Securities Trading Policy prohibits participants in equity-based plans from entering into transactions which limit the economic risk of participating in the equity-based plan whilst the relevant interests granted pursuant to an equity-based plan remain unvested. The Company's Securities Trading Policy is disclosed on the Company's website at <https://investors.humm-group.com/Investor-Centre/?page=corporate-governance>.
