¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

2. ASX Corporate Governance Principles and Recommendations

The ASX Corporate Governance Council has developed and released its fourth edition of the corporate governance recommendations for Australian listed entities (**ASX Recommendations**) in order to promote investor confidence and to assist companies to meet stakeholder expectations. The recommendations are not prescriptions, but guidelines. However, under the ASX Listing Rules, Aeeris is required to provide an annual Corporate Governance Statement disclosing the extent to which it has followed the ASX Recommendations in the relevant reporting period. Where Aeeris does not follow a recommendation, it must identify the recommendation that has not been followed and give reasons for not following it and must also disclose what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

The Company's current departures from the ASX Recommendations are included in Section 9 below.

The key aspects of the Company's corporate governance practices are summarised below. These charters and policies are available on its website at <https://www.aeeris.com/corporate-governance.html>.

In light of the Company's size and nature, the Board considers that the current board and governance structures are cost effective and practical methods of directing and managing the Company. As the Company's activities develop in size, nature and scope, the size of the Board and the implementation of additional corporate governance policies and structures will be reviewed.

3. Board of Directors

The Directors bring to the Board relevant experience and skills, including industry and business knowledge, financial management and corporate governance experience. 3.3. Role of the Board and management

The Board's role is to act in the best interests of the Company as a whole and is accountable to shareholders for the overall direction, management and corporate governance of the Company.

The Company has clearly defined the respective roles and responsibilities of the Board and management which are detailed in the Board Charter. The Board Charter also sets out the matters expressly reserved to the Board and those delegated to management.

The Chief Executive Officer and Chief Operations Officer are responsible for the day-to-day management of the Company, supported by the Company's senior executives. However, the ultimate responsibility for governance and strategy resides with the Board.

3.4. Board performance

The Company believes it is important that the Board reviews its own performance to ensure it is performing to a high level. Under the Board Charter, the Board must conduct an annual performance review. The Charter sets out the process for this review.

The Company undertook an informal Board review in FY24.

3.5. Professional Development

The Board reviews whether the Directors have the skills, knowledge and familiarity with the entity and its operating environment required to fulfil their role on the Board and its Committees effectively and, where gaps are identified, it may consider what training or development could be undertaken to fulfil those gaps.

3.6. Company Secretary

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board. The role of the Company Secretary is set out in more detail in the Board Charter.

4. Diversity

Aeris is committed to ensuring an inclusive workplace that encourages and embraces diversity. The Company has a Diversity Policy which provides a framework for the Company to achieve workplace diversity and includes requirements for the Board to set measurable objectives. The Diversity Policy is available on the Company's website.

The Board has not established measurable targets for achieving gender diversity across the Company at this stage due to the Company's size and its development stage. It will review gender diversity and measurable targets as it grows.

The respective proportions of men and women on the Board, in senior executive positions and across the Company are as below:

| | Men | Women |
|---------------------------|------------|--------------|
| Board | 75% | 25% |
| Senior Executives* | 62% | 38% |

5. Senior Executives

For each senior executive, the Company has:

- written agreements which set out the terms of their appointment;
- policies and practices regarding their remuneration; and
- a process for periodically evaluating their performance.

The COO oversees senior executives and reports to the Board. He has regular discussions with his executives on performance, behaviours and support. Overall performance is assessed on job knowledge and requirements of the position, achievement of out-come related performance goals

and any key strategic projects for the relevant financial year, and demonstrated behaviour of the Company's values.

Performance evaluations on each of the Company's senior executives were completed during the period.

6. Board Committees

To assist the Board in discharging its duties efficiently and effectively, it has established an Audit and Risk Committee (and will establish a Nomination and Remuneration Committee when appropriate for the Company). This Committee operates within its Board approved Charter which sets out the roles, responsibilities, membership requirements and meeting procedures for the committee.

The Audit and Risk Committee has three members, two of whom are independent, and is chaired by a non-executive director who is not the Chairman of the Board. A copy of the charter of the Audit and Risk Committee is available on the Company's website

Mr. Nathan Young is Chair of the Audit and Risk Committee and Mr. Bryce Reynolds and Ms. Elissa Hansen are members of the Committee. Information about the number of times the committee has met and who attended the meetings is set out in the Annual Report.

7. Nomination

Aeris does not have a nomination committee. The Board as a whole is responsible for Board succession issues and to ensure the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to discharge its duties and responsibilities effectively.

Given the size of the Company, the Board believes this is an appropriate way in which to deal with this aspect of the Company's governance at this time.

7.1. Board Skills Matrix

The Board believed that its membership should comprise directors with an appropriate mix of diversity of skills, professional experience, knowledge and expertise that all directors individually and the Board collectively to:

- Discharge their responsibilities and duties;
- Understand the Company's business and the industry and markets in which the Company operates so as to set the strategic direction of the Company to maximise shareholder value; and
- Assess the performance of management in implementing those strategic objectives.

The Board reviews the balance of skills, experience, independence, knowledge and diversity of the Board and is committed to ensuring that the directors collectively have the appropriate skills mix. In selecting new directors, the Board considers its current composition to ensure there is a range of skills and experience required to enable the Board to fulfil its responsibilities.

The skills and experience of the Directors are set out in the matrix below:

| Experience | Industry |
|--------------------------|--------------------|
| Corporate Advisory | Investment Banking |
| M&A transactions | Environmental |
| Corporate Finance | Defence |
| Entrepreneurial activity | Publishing |
| Funds Management | TMT |
| Software Development | Resources |
| Corporate Governance | |

In addition to the skills and experience set out above, the Board considers that each Director has the ability to:

- Act with honesty and integrity
- Focus on the material issues
- Think strategically and take an organisation-wide perspective
- Understand the external environment and deal with pressure from external sources
- Influence effectively at the board table
- Respect alternative viewpoints
- Hold management accountable

7.2. Independence of the Board

The Board assesses the independence of Non-executive Directors against the definition of independent Director and the factors set out in Box 2.3 of the ASX Corporate Governance Principles and Recommendations.

Currently the Board comprises two independent directors. Given the Company's background, the nature and size of its business and the current stage of its development, the Board believes that this is both appropriate and acceptable at this time. The Board will review its composition periodically and has the intention to appoint appropriate independent Directors as required.

The Chairman, Bryce Reynolds is not considered to be an independent director as he is also a director of the Company's corporate adviser however, the Board considers the Chairman is suitably skilled to perform this role due to his experience and expertise and the size and complexity of the Company.

These are described in the Remuneration Report within the Company's Annual Report. The Remuneration Report also includes a summary of our policies and practices regarding the remuneration of Directors.

14. Compliance with Recommendation

Aeris has complied with 32 of the 35 ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (relevant to the Company) during the period. Given the nature and scale of the Company, the Board believes its compliance with the Recommendations to be appropriate at this time.

The three Recommendations the Company did not comply with fully during the year are:

- Recommendation 1.5. Whilst the Board has adopted a Diversity Policy it has not set measurable objectives for gender diversity across the Company. Given the size and development stage of the Company, the Board believes this is appropriate at this time;
- Recommendation 2.4: The Company's Board Charter requires that, where practical, the majority of the Board should be independent. The Board is currently comprised of two independent and two non-independent directors. This is not consistent with Recommendation 2.4 of the ASX Recommendations where the recommendation is for the majority of the Board to be independent however, the Directors believe that they are able to objectively analyse the issues before them in the best interests of all Shareholders and in accordance with their duties as Directors. See Section 7.2 above for further information on Director independence.
- Recommendation 2.5. Mr. Bryce Reynolds is Chairman of the Board. Mr. Reynolds is not considered to be an independent director as he is also a director of the Company's corporate adviser which is not consistent with Recommendation 2.5 which recommends that the Chair of a listed entity be an independent director and, in particular, not the same person as the CEO. The Board considers the Chairman, who is not the same person as the CEO, is suitably skilled to perform this role, notwithstanding his non-independence, due to his experience and expertise and is capable of doing so in an objective manner and in the best interests of all shareholders.
