EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2024 Annual General Meeting (“**Meeting**”) to be held virtually, at 11.00am (AEDT) on Thursday, 24 October 2024.

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2024 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at +61 3 9650 9866, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website www.3denergi.com.au/ or via the Company's announcement platform on ASX under the ASX Code “TDO”. Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on the 2024 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company’s 2024 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2024 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 and 7 for voting exclusions on this Resolution.

Resolution 2: Re-election of Mr Leo De Maria as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, at least one Director must retire from office and provides that such Directors are eligible for re-election at the meeting. Mr De Maria retires by rotation and, being eligible, offers himself for re-election.

Mr De Maria is a Chartered Accountant with extensive experience in company management, financial management, mergers and acquisitions and risk management.

Board Recommendation

The Board (with Mr De Maria abstaining), recommends that shareholders vote in favour of the re-election of Mr De Maria.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

There are no voting exclusions applicable to this Resolution.

Resolution 3: Ratification of prior issue of Shares

Background.

The Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 66,100,000 fully paid ordinary shares (**Shares**) in the Company issued on 23 February 2024 at an issue price of \$0.05 (5 cents) per Share on the terms as announced on 20 February 2024.

The Shares were issued without Shareholder approval out of the Company's 15% placement capacity pursuant to Listing Rule 7.1 and 10% placement capacity pursuant to ASX Listing Rule 7.1A.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applies. The issue of the Shares was within the Company's available placement capacity under ASX Listing Rules 7.1.

ASX Listing Rule 7.1A provides that a Company may seek shareholder approval at its annual general meeting to issue additional quoted securities up to 10% of its issued capital, provided that it is an eligible entity (Eligible Entity).

An Eligible Entity is one that, as at the date of the relevant annual general meeting –

- (a) it must have a market capitalisation of \$300 million or less.
- (b) it must not be included in the S&P/ASX 300 Index.

At the time the approval was obtained (the Company's last Annual General Meeting on 24 November 2023), the Company was an Eligible Entity.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 and 7.1A if the issue did not breach ASX Listing Rule 7.1 and 7.1A at the time and shareholders subsequently approve it. The issue of the Shares was within the Company's ASX Listing Rules 7.1 and 7.1A placement capacity and the Company now seeks ratification from Shareholder for the issue pursuant to ASX Listing Rule 7.4 so as to refresh its capacity to make further issues (if required) without shareholder approval under Listing Rules 7.1 & 7.1A.

If this Resolution is approved, the prior issue of 66,100,000 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1 and 7.1A. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 66,100,000 Shares counting towards the 25% threshold for the purposes of ASX Listing Rules 7.1 & 7.1A.

If this Resolution is not approved, the prior issue of 66,100,000 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1 and 7.1A. The Company will therefore have the 66,100,000 Shares as counting towards the 25% threshold for the purposes of ASX Listing Rule 7.1 and 7.1A. This will limit the Company's placement capacity under the Listing Rule 7.1 and 7.1A.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) The Shares were issued to sophisticated and professional investors, who are not related parties, identified by the book build conducted by the lead manager, Ethicus Advisory Partners Pty Ltd. Nero Resource Fund Pty Ltd became a substantial shareholder from participating in the Placement. There were no other participants in the Placement that were investors, required to be disclosed under ASX Guidance Note 21;
- (b) the number and class of securities issued was 66,100,000 fully paid ordinary shares in the Company;
- (c) the Shares were issued on 23 February 2024;
- (d) the Shares were issued at a price of \$0.05 (5 cents) per Share; and
- (e) the purpose of the issue was to raise funds for the continuation of exploration activities centring on the Otway Basin and for general working capital purposes.

Board Recommendation

The Board recommends that shareholders vote in favour of Resolution 3.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 for voting exclusions on this Resolution.

Resolution 4: Approval of 10% Placement Facility

Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of this resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% Capacity under Listing Rule 7.1.

ASX Listing Rules Information

Summary of Listing Rule 7.1A

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that the Company can issue without the approval of the Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**15% Capacity**).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to 25%.

An 'eligible entity' for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue equity securities without Shareholder approval provided for in LR 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Formula for Calculating the 10% Placement Facility – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D)–E

- A** is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement:
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula stated above.

Type and Number of Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue the following class(es) of quoted equity securities:

ASX Security Code and Description	Total Number
TDO: ORDINARY FULLY PAID	331,473,557

Specific information required by Listing Rule 7.3A

Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Annual General Meeting;
- (b) the time and date of the Company's next Annual General Meeting; and
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Minimum Issue Price and Cash Consideration – Listing Rule 7.1A.3

The equity securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purposes of the Funds Raised

The purposes for which the funds raised by an issue under the 10% Placement Facility under rule 7.1A.2 may be used by the Company for the Company's current business and/or general working capital.

Risk of Economic and Voting Dilution

If this resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this Annual General Meeting; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of its quoted ordinary securities as at 10 September 2024 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Dilution Table

Variable 'A' in Listing Rule 7.1A.2	Dilution Scenario	Assumed Issue Prices, based on:		
		50% decrease in Current Share Price \$0.0325	Current Share Price \$0.065	100% increase in Current Share Price \$0.130
Current Variable A 331,473,557 Shares	10% Voting Dilution	33,147,356 Shares		
	Funds raised	\$1,077,289	\$2,154,578	\$4,309,156
50% increase in current Variable A 497,210,336 Shares	10% Voting Dilution	49,721,034 Shares		
	Funds raised	\$1,615,934	\$3,231,867	\$6,463,734
100% increase in current Variable A 662,947,114 Shares	10% Voting Dilution	66,294,711 Shares		
	Funds raised	\$2,154,578	\$4,309,156	\$8,618,312

This dilution table has been prepared on the following assumptions:

- (a) The Company issues the maximum number of equity securities available under the 10% Placement Facility;
- (b) No convertible security is exercised and converted into ordinary securities before the date of the issue of the Equity Securities;
- (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.

- (e) The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (f) The issue of equity securities under the 10% Placement Facility consists only of ordinary securities. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (g) The Current Share Price is \$0.065 being the closing market price of the ordinary securities on ASX on 10 September 2024.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous Issues under Listing Rule 7.1A.2

The table below shows the total number of equity securities issued in the past 12 months preceding the date of the Annual General Meeting under Listing Rule 7.1A.2, and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12-month period.

Number of equity securities on issue at commencement of 12-month period	265,804,557
Equity securities issued in the prior 12-month period under Listing Rule 7.1A.2*	26,537,355
Percentage of equity securities represent of total number of equity securities on issue at commencement of 12-month period	9.98%

*For full details of issues of equity securities made by the Company under listing rule 7.1A.2 since the date of the last Annual General Meeting, see Annexure A.

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented, and eligible to vote.

Directors Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
