To receive and consider the Annual Report, the Financial Report and the reports and statements of the Directors and of the Auditor for the year ended 30 June 2024.

Note: There is no requirement for Shareholders to approve these reports.

Item 2 - Ordinary Business

1. Adoption of Remuneration Report

To consider and, if thought fit, to pass the following Resolution as a **non-binding ordinary resolution**:

"To adopt the Remuneration Report set out in the Directors' Report for the year ended 30 June 2024."

Please note that the vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

Voting exclusion statement on Resolution 1:

A vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of, the following persons:

- a member of the Key Management Personnel (KMP) whose remuneration details are included in the 2024 Remuneration Report; or
- b) a closely related party of such a KMP (including close family members and companies the KMP controls).

However, a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described above and either:

- a) the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution: or
- b) the vote is cast by the chair of the Meeting and the appointment of the chair as proxy:
 - i. does not specify the way the proxy is to vote on the resolution; and
 - ii. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

In accordance with section 250BD of the Corporations Act 2001 (Cth), a vote must not be cast on Resolution 1 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

 - ii. the holder votes on Resolution 3 in accordance with directions given by the beneficiary to the holder to vote in that way.

4. Approval of 10% Placement Facility

- a) a person who may participate in the 10% Placement Facility; or
- b) an associate of such a person who may participate in the 10% Placement Facility.

Additionally, in accordance with ASX Listing Rule 14.11, the Company will also disregard any votes cast in favour of Resolution 4 by or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity).

- a) Harry Konstantinou; or
- b) an associate of Mr Konstantinou

However, this does not apply to a vote cast in favour of Resolution 5 by:

- a) a person as proxy or attorney for a person who is entitled to vote on Resolution 5, in accordance with the directions given to the proxy or attorney to vote on Resolution 5 in that way; or
- b) the Chair of the Meeting (but only to the extent that the Chair is not Harry Konstantinou or an associate of Mr Konstantinou) as proxy or attorney for a person who is entitled to vote on Resolution 5, in accordance with a

 - ii. the holder votes on Resolution 5 in accordance with directions given by the beneficiary to the holder to vote in that way.

In accordance with section 250BD of the Corporations Act 2001 (Cth), a vote must not be cast on Resolution 5 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

6. Increase in Maximum Aggregate Non-Executive Director Fees

To consider and, if thought fit, to pass the following Resolution as an **ordinary resolution** of the Company:

"That, for the purposes of ASX Listing Rule 10.17 and in accordance with Article 13.4 of the Company's Constitution, the maximum aggregate amount per annum available for payment as remuneration to the Non-Executive Directors of the Company be increased in any financial year by A\$300,000, from A\$500,000 per annum to A\$800,000 per annum, with effect from 24 October 2024."

Voting exclusion statement on Resolution 6:

In accordance with ASX Listing Rule 14.11 the Company will disregard any votes cast in favor of Resolution 6 by or on behalf of any Director of the Company or any of their associates.

However, this does not apply to a vote cast in favour of Resolution 6 by:

- a) a proxy or attorney for a person entitled to vote on Resolution 6 in accordance with a direction given to the proxy or attorney to vote in that way; or
- b) the Chair of the Meeting as proxy for a person entitled to vote on Resolution 6 in accordance with a direction given to the Chair to vote on the Resolution as the Chair of the Meeting decides; or

 - ii. the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

In accordance with section 250BD of the Corporations Act 2001 (Cth), a vote must not be cast on Resolution 6 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolution 1, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolutions 2, 3, 5 & 6 are ordinary resolutions, which require a simple majority of votes cast by Shareholders present and entitled to vote on the resolution.

Resolution 4 is to be voted on as a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the resolution must be in favour of the resolution.

1.2 Action to be taken by Shareholders

All Shareholders are invited and encouraged to attend the Meeting (either in person or online). If Shareholders are unable to attend the meeting, the attached Proxy Form should be completed, signed and returned to the Company in accordance with the instructions contained in the Proxy Form and the Notice. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting (either in person or online), but the person appointed as the proxy must not exercise the rights conferred by the Proxy Form, and attendance at the Meeting will make any proxy vote invalid.

- d. the independence of the Auditor in relation to the conduct of the audit.

The Chair will also give the Auditor a reasonable opportunity to answer written questions submitted by Shareholders that are relevant to the above matters.

3. Resolutions

3.1 Resolution 1 – Adoption of Remuneration Report

The Remuneration Report for the year ended 30 June 2024 outlines the remuneration arrangements of the Company in accordance with the requirements of the Corporations Act and its regulations. The report details the remuneration arrangements for Key Management Personnel which includes Non-Executive Directors, the Managing Director and key senior executives. The report is set out in the 2024 Annual Report which is also available on the Company's website at https://investors.vivaleisure.com.au/investor-centre/?page=annual-reports.

The Board is committed to ensuring that the remuneration structure for Key Management Personnel is closely aligned to the strategy and business objectives of the Company, with a focus on driving a performance culture and delivering results that are acceptable to Shareholders. It is the Board's objective to deliver a Remuneration Report which explains the way in which financial rewards for Key Management Personnel drive the Company's short-term and long-term performance.

Shareholders will be given a reasonable opportunity at the Meeting to raise questions and make comments on the Remuneration Report.

The vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Directors will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The Company encourages all Shareholders to cast their vote on Resolution 1.

In summary, the Remuneration Report:

- (a) explains the Board's policies in relation to the nature and level of remuneration paid to Directors and Key Management Personnel of the Company;
- (b) discusses the link between the Board's policies and the Company's performance; and
- (c) sets out remuneration details for each Director and for each member of the Company's senior executive management team.

A voting exclusion statement applies to this resolution, as set out in this Notice of Meeting.

Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3.2 Resolution 2 – Re-Election of Louise Bolger as Non-Executive Director

Resolution 2 is an ordinary resolution which seeks approval for the re-election of Louise Bolger as a Non-Executive Director of the Company. Ms Bolger was appointed as a Non-Executive Director of the Company on 5 July 2021 and was re-elected by shareholders at the AGM on 28 October 2021. Pursuant to clause 13.3 of the Company Constitution and ASX Listing Rule 14.5, Ms Bolger is required to retire as Non-Executive Director and stand for re-election at this meeting, being the third annual general meeting since her election.

Details of the experience and qualifications of Ms Bolger is as follows:

Louise has 20 years' executive experience in the technology, financial services and telecommunications sectors, with an extensive background in complex commercial transactions. As a General Counsel and Company Secretary Louise has advised CEOs, leadership teams and Boards of ASX-listed companies on complex legal, commercial, governance, compliance and risk matters.

Louise served on the Board of Superloop Limited (ASX: SLC) as a Non-executive Director and has held positions on industry and not-for-profit Boards. She holds a Bachelor of Laws (Hons) and Bachelor of Arts from Griffith University and is a member of the Australian Institute of Company Directors and a Fellow of the Governance Institute of Australia.

The Board has considered whether Ms Bolger has any interest, position or relationship that may interfere with her independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Principles and Recommendations (4th edition). The Board considers that Ms Bolger (if elected), will continue to be an independent Director.

Recommendation

The Directors (excluding Ms Bolger due to her personal interest) unanimously recommend Shareholders vote in favour of this Resolution 2.

3.3 Resolution 3 – Ratification of Placement

On 7 June 2024, the Company announced details of a fully underwritten institutional placement of 11,034,483 fully paid ordinary shares at a price of \$1.45 per share, to raise approximately \$16 million (**Placement**).

The Placement was issued on 7 June 2024 using the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

Proceeds from the Placement were used towards several strategic acquisitions to facilitate the Company's expansion into new and existing markets, as previously announced to shareholders: https://investors.vivaleisure.com.au/investor-centre/

Specific information about the Placement

Under ASX Listing Rule 7.1, a listed entity must obtain ordinary shareholder approval if it wants to issue, or agree to issue, more than 15% of its equity securities over any 12-month period, based on the number of fully paid ordinary securities it had on issue at the start of that 12-month period. As described above, the Placement was made within the 15% limit permitted under ASX Listing Rule 7.1 and without shareholder approval, thereby reducing the Company's remaining available capacity.

ASX Listing Rule 7.4.2 provides that shareholders may approve an issue of, or agreement to issue, securities after the fact so that the securities issued are regarded as having been made with approval for the purpose of ASX Listing Rule 7.1.

The Company is seeking approval of Resolution 3 for the purposes of ASX Listing Rule 7.4 to enable the Company to refresh its issuing capacity under ASX Listing Rule 7.1, thereby providing the Company with the flexibility to issue further securities under ASX Listing Rule 7.1 if the need arises in the next 12-months.

If shareholders approve Resolution 3, the issue will be excluded in calculating Viva Leisure's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the issue of the shares.

If shareholders do not approve Resolution 3, the issue will be included in calculating Viva Leisure's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the issue of the shares.

For the purposes of ASX Listing Rule 7.5, the following information is provided:

- shares under the Placement have been issued to:
 - a range of institutional, sophisticated and professional investors, all unrelated parties of the Company who qualify under the requirements of sections 9 and 708 of the Corporations Act and who were identified by Unified Capital Partners Pty Ltd as lead manager to the issue;
 - international resident investors to whom an offer of the Placement shares did not require disclosure under the laws of the relevant jurisdiction; and
 - o the number of shares issued under the Placement was 11,034,483.
- the shares issued under the Placement are fully paid ordinary shares which rank equally with all other existing shares from the date of issue.
- the shares under the Placement were issued on 7 June 2024.
- the shares issued under the Placement were issued at a price of A\$1.45 per

share.

- the net proceeds raised from the Institutional Placement are being used for the purposes of strategic growth initiatives.
- a Voting Exclusion Statement accompanies Resolution 3 in the Notice of Meeting.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

3.4 Resolution 4 - Approval of 10% Placement Facility

General

ASX Listing Rule 7.1 generally limits the amount of equity securities that a listed entity can issue without the approval of its Shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A certain listed companies may seek Shareholder approval by special resolution to issue equity securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12-month period (10% Placement Facility). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

A company is eligible to seek Shareholder approval for this additional placement capacity under ASX Listing Rule 7.1A if it satisfies both of the following criteria at the date of the meeting at which that approval is sought:

- a. it has a market capitalisation of \$300 million or less; and
- b. it is not included in the S&P/ASX 300 Index.

The Company currently satisfies both the above criteria, and it is anticipated that it will satisfy both these criteria at the date of the AGM. If on the date of the AGM, the Company no longer meets this eligibility criteria, this Resolution 4 will be withdrawn.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to below).

The Company may use the funds raised from the issue of Equity Securities under the 10% Placement Facility for such things including but not limited to means to generally expand the Company's business.

Approval of Resolution 4 does not oblige the Company to conduct a placement or use the 10% Placement Facility. The approval would provide the Company with additional flexibility and an ability to move quickly if an opportunity arises which requires additional capital.

Description of ASX Listing Rule 7.1A

Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue both quoted and unquoted classes of Equity Securities, being Shares and unlisted options.

Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval under Listing Rule 7.1A at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary shares on issue 12-months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12-months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (B) plus the number of fully paid ordinary securities issued in the 12-months on the conversion of convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (C) plus the number of fully paid ordinary securities issued in the 12-months under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered prior to 12 months ago; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (D) plus the number of any other fully paid ordinary securities issued in the 12-months with approval under Listing Rule 7.1 or Listing Rule 7.4;
- (E) plus the number of partly paid shares that became fully paid in the 12-months;
- (F) less the number of fully paid shares cancelled in the 12-months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement that have not been subsequently approved by Shareholders under Listing Rule 7.4.

Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 100,982,695 Ordinary Shares and, if Resolution 3 is approved, will have a capacity to issue 15,147,404 Equity Securities under Listing Rule 7.1 without Shareholder approval. Further as at the date of this Notice, following Shareholder approval being obtained under Resolution 4, the Company will have capacity to issue a further 10,098,270 Equity Securities under Listing Rule 7.1A.

However, the actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to above).

Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12-months after the date of the annual general meeting at which the approval is obtained; or
- (b) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX; or
- (c) the time and date of the Company's next AGM if it is held prior to 24 October 2025.

(10% Placement Period)

Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 4, the effect will be to allow the Company to issue equity securities under ASX Listing Rule 7.1A up to 15% capacity for ASX Listing Rules

7.1 and an additional 10% capacity for ASX Listing Rule 7.1A without further Shareholder approval.

If Shareholders do not approve Resolution 4, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval under ASX Listing Rule 7.1A and will remain subject to the 15% capacity limit on issuing equity securities without Shareholder approval under ASX Listing Rule 7.1.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Company will only issue and allot the Equity Securities during the 10% Placement Period, that is, within 12-months of the date of the AGM (ie. By 24 October 2025). The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid the earlier of either of the following events occurring:
 - (i) The time and date of the Company's next AGM if it is held prior to 24 October 2025; or
 - (ii) In the events that Shareholders approve a transaction under under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (b) The Equity Securities must be issued for cash consideration and will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - the date on which the price at which the Equity Securities are to be issued is agreed; or
 - if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The Company may seek to issue the Equity Securities for the following purposes including but not limited to using the funds raised for the growth of its existing business, acquisition of new or existing businesses including costs associated with such acquisitions, assets and investments and also for other means to generally expand the Company's business and general working capital.
 - The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.
- (d) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the [Page 15]

equity securities.

The below table shows the dilution of existing Shareholders on the basis of the closing price of the Company's Shares of \$1.40 each on 6 September 2024 and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in Listing			Dilution	
Rule 7.1A.2		\$0.70	\$1.40	\$2.80

50% increase in number of shares on issue	Fund raised	\$10,603,182.98	\$21,206,365.95	\$42,412,731.90
201,965,390 100% increase in	10% voting dilution	20,196,539	20,196,539	20,196,539
number of shares on issue	Funds raised	\$14,137,577.30	\$28,275,154.60	\$56,550,309.20

The table has been prepared on the following assumptions:

- (i) Resolution 3 is approved;
- (ii) the Company issues the maximum number of equity securities available under the 10% Placement Facility in ASX Listing Rule 7.1A;
- (iii) no unlisted Options in ordinary shares are exercised before the date of issue of ordinary shares under ASX Listing Rule 7.1A;
- (iv) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- (v) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of

the AGM;

- (vi) the table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- (vii) the issue of equity securities under the 10% Placement Facility consists only of shares; and
- (viii) the issue price is \$1.40 per share, being the closing price of the shares on ASX on 6 September 2024.
- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to various factors including but not limited to the following:
 - the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of these assets or investments.

- (f) The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at its 2023 Annual General Meeting held on 26 October 2023.
- (g) The Company has not previously issued or agreed to issue equity securities under ASX Listing Rule 7.1A.2 in the 12-months preceding this AGM.
- (h) A voting exclusion statement is included in the Notice.

Resolution 4 is a special resolution. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the resolution must be in favour of the resolution.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

3.5 Resolution 5 - Approval of Issue of Options to Harry Konstantinou under LTI Plan

Resolution 5 seeks approval from Shareholders for the issue of 307,106 unlisted "zero-priced" Options to Managing Director Harry Konstantinou, or his nominee, and the subsequent issue of Shares upon the exercise of the Options.

Resolution 5 also seeks approval from Shareholders for the purposes of section 200E of the Corporations Act if those Options are accelerated for vesting upon Harry ceasing to be employed by the Company (or a related body corporate).

Neither Harry nor the Company has any intention for Harry to cease employment with the Company, and this Resolution for section 200E purposes is purely to ensure the Company is able to honour the terms of Harry's Options under the LTI Plan.

As CEO and Managing Director, Harry is entitled to participate in the Company's Long-Term Incentive Plan (**LTI Plan**). Under the LTI Plan, Directors, management and key employees identified by the Board can be offered participation in the form of Options including Options with a zero-exercise price, and/or performance rights. Those grants are designed to assist in the reward, retention and motivation of the Company's management and key employees. In the 2024 financial year, Harry was granted 368,428 Zero Priced Options under the terms of the LTI Plan which was supported by the majority vote of Shareholders.

The Board has determined that it is appropriate to grant zero-priced Options to Harry as part of his executive remuneration for FY 2025 being 307,106 Zero Priced Options, subject to achievement of performance hurdles and employment continuity requirements determined by the Board. Options to be issued will vest on satisfaction of the achievement of two separate hurdles. 153,553 Options for part "A" hurdles and 153,553 Options for part "B" hurdles. That is a total of 307,106 Options. The grant of these Options is expected to occur immediately following Shareholder approval, but in any event no later than 12 months after approval.

A copy of the LTI Plan is available upon request from the Company. However, a summary of the key terms of the Options proposed to be issued to Harry under the LTI Plan are provided below:

- each Option will be issued for nil consideration and has a zero exercise price;
- each option has no voting rights and is not entitled to dividends;
- each Option represents a right to an ordinary share in the Company, subject to vesting conditions being met;
- Harry must remain employed by the Company's subsidiary Viva Leisure People
 Pty Ltd (or one of its related entities) as at 31 August 2027 in order for those
 Options to vest and become exercisable without further Board approval;
- the exercise of the Options is also subject to the satisfaction of certain performance hurdles which are determined by the Board. The table below describes the performance hurdles and vesting condition that the Board has determined will apply to the Options proposed to be issued to Harry:

Performance Hurdle: Part A

Earnings per Share (EPS) Compound Annual Growth Rate (CAGR)

The percentage of Options that vest for each % EPS CAGR is illustrated in the following table:

EPS CAGR from the financial year ended 30 June 2024 (base year)* until the financial year ending 30 June 2027 (CAGR over three financial years ending 30 June 2027	Percentage of Options that vest

10% to 15% (Within target range)	50% - 100% (on a straight line basis)
Greater than 15% (Above maximum target)	100%

*For the purposes of this Performance Hurdle, Earnings per Share means the Basic EPS calculated based on the FY 2024 audited financial results, excluding the impacts of AASB 16. The nominated Basic EPS for this period is 11.22 cents.

The Basic EPS may be adjusted for items which the Board, in its discretion, considers should be excluded from the EPS result (such as items of a one-off and non-recurring nature).

The Board will test the satisfaction of this Performance Hurdle by 31 August 2027 (following the Company's audited accounts being finalised for FY 2027), and Harry will be notified as to the achievement of the Performance Hurdles by 7 September 2027.

The test against the Part A Performance Hurdles will exclude the effect of AASB 16.

Performance Hurdle Part B	Total Shareholder Return (TSR) Con (CAGR) 20% CAGR of TSR based on the ASX VWAP of VVA for the 15 trading days commencing from 1 July 2024 and tested to the VWAP for the same period in 2027. Last Exercise Date	8 October 2027	

- in the event that Harry ceases employment, then the treatment of his Options will depend on whether he is considered to be a "good leaver" or a "bad leaver" under the LTI Plan rules;
- if a change of control event occurs, the Options may be subject to accelerated vesting in accordance with the LTI Plan rules and subject to the discretion of the Board; and
- the Board has absolute discretion in determining all matters in respect of retesting, hedging of unvested Options, change of control and malus and clawback.

Listing Rules

Under Listing Rule 10.14, the acquisition of securities by a Director under an employee incentive scheme (such as the LTI Plan) requires Shareholder approval.

Accordingly, the Company is seeking approval for the issue of the 307,106 zero-priced Options to Harry for the purposes of Listing Rule 10.14.

In accordance with the Listing Rules, Shareholders are being asked under Resolution 5 to approve the grant of the Options to Harry and, to the extent those Options are exercised, the issue of Ordinary Shares.

Exception 14 in Listing Rule 7.2 provides that Listing Rule 7.1 does not apply where Shareholder approval for an issue of securities is obtained under Listing Rule 10.14.

This means that, if Shareholder approval is obtained for Resolution 5, the issue of the Options and the issue of underlying Shares will not deplete the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders do not approve Resolution 5, the proposed issue of Options to Harry will not proceed. However, to ensure the Company can attract and retain the right talent and align the senior management interests with those of Shareholders, the Board considers it is important for the Company to offer incentives to its directors and executives that are in line with market practice. The Board would need to consider alternative remuneration arrangements.

For the purposes of the specific disclosures required under Listing Rule 10.15, the Company notes as follows:

Name of the person / position	The recipient of the Options will be Managing Director Harry Konstantinou. Harry is a Director of the Company and accordingly, Shareholder approval for Harry to acquire equity securities under an employee incentive scheme is required under Listing Rule 10.14.1.
Proposed number and class of securities to be issued	The proposed number of Options (and subsequently number of Shares) that may be acquired by Harry Konstantinou under the LTI Plan and for which Shareholder approval is required is 307,106 Options.
Current total remuneration package	Harry Konstantinou's total remuneration package in FY 2025 if Resolution 5 is approved will be \$1,694,000. Further details of Harry's remuneration can be found in the Company's Remuneration Report which forms part of the 2024 Annual Report. (https://investors.vivaleisure.com.au/investorcentre/?page=annual-reports)
Number of securities previously issued	In FY2024, Harry was granted (for nil consideration): 368,428 zero-priced Options under the LTI Plan. In FY2023, Harry was granted (for nil consideration): 355,934 zero-priced Options under the LTI Plan. In FY2022, Harry was granted (for nil consideration): 243,000 zero-priced Options under the LTI Plan. In FY 2021 Harry was granted (for nil consideration): 750,000 Premium Priced Options under the LTI Plan In FY 2020 Harry was granted (for nil consideration): 170,000 zero-priced Options under the LTI Plan; In FY 2019, Harry was granted (for nil consideration):

170,000 zero-priced Options under the LTI Plan (these have been forfeited);
1,000,000 Tranche 1 premium priced Options (exercise price of \$1.34 per Option); and
1,000,000 Tranche 2 premium priced Options (exercise price of \$1.43 per Option).

Material terms of the securities	The Options are not quoted on the ASX and carry no voting or dividend rights. Shares issued on vesting of the Options will rank equally with ordinary shares on issue. Options are considered by the Board to be an appropriate equity security under the LTI Plan employee incentive scheme as the vesting of those Options link directly to vesting conditions to be satisfied before fully paid ordinary shares are issued.
The date for issue of the securities	Subject to all necessary Shareholder approval being obtained in accordance with this Notice, the Options will be issued immediately after approval and in any event no later than 12 months after the date of the Meeting.
The price for each security	The Options will be granted for nil consideration and there will be no funds raised from the issue of the Options. Further, as the Options have a zero-exercise price, the Company will not raise funds from the exercise of the Options.
A summary of the material terms of the scheme	A summary of the material terms of the LTI Plan employee incentive scheme is set out in Attachment A .
Terms of any loans to acquire the securities	No loans are proposed to be advanced in relation to the proposed issue of the Options or the exercise of the Options.
Details of securities issued	Details of any securities issued under LTI Plan employee incentive scheme will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTI Plan employee incentive scheme after this resolution is approved and who are not named in this Notice will not participate until approval is obtained
Voting Exclusion Statement	A Voting Exclusion Statement is set out in the Notice.

Corporations Act

Chapter 2E

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties of a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless one of a number of exceptions applies or Shareholder approval is obtained. For the purposes of Chapter 2E, Harry as Managing Director is a related party of the Company, by virtue of sections 228(2) of the Corporations Act.

The Board is satisfied that the "reasonable remuneration" exception in relation to Chapter 2E of the Corporations Act applies to the proposed issue of Options to Harry under the LTI Plan.

Chapter 2D

The Company seeks Shareholder approval pursuant to section 200E of the Corporations Act for accelerated vesting of unvested Options granted to Harry pursuant to this Resolution 5 in the event that Harry ceases to be employed by the Company (or a related body corporate) in limited circumstances. Circumstances where Harry's unvested Options may be accelerated for vesting include upon cessation of employment as a "good leaver" under the LTI Plan rules, as well as cessation of employment due to a change of control event occurring. Unless expressly set out in the LTI Plan rules, the extent of acceleration, if any, is subject to the discretion of the Board exercised in accordance with the LTI Plan rules.

Neither Harry nor the Company has any intention for Harry to cease employment with the Company, and this Resolution for section 200E purposes is purely to ensure the Company is able to honour the terms of Harry's Options under the LTI Plan.

Under section 200B of the Corporations Act, a company may only give a person a "benefit" in connection with the person ceasing to hold a managerial or executive office in the company (or a related body corporate of the Company) (**Termination Benefit**) if it is approved by Shareholders under section 200E of the Corporations Act (or if an exemption applies). The term "benefit" is likely to include the accelerated vesting of Options in the limited circumstances outlined above where Harry ceases to be employed by the Company (or a related body corporate of the Company). The accelerated vesting of Harry's Options, in those limited circumstances, is likely to amount to the giving of a Termination Benefit requiring Shareholder approval. Therefore, Shareholder approval is sought for these purposes.

For the purpose of seeking Shareholder approval under section 200E of the Corporations Act, the following is disclosed:

- The maximum number of Options (for which approval is sought) that may accelerate for vesting upon cessation of Harry's employment is 307,106 being equal to the number of Options for which approval under Listing Rule 10.14 is being sought;
- The value of the "benefit" provided to Harry upon acceleration of unvested Options cannot be calculated in advance. This is because various matters will, or are likely to affect that value including:
 - the number of unvested Options that are accelerated for vesting;
 - the expected remaining term to expiration of the Options, at time of acceleration;

- the price of the Company's shares as at time of acceleration;
- the expected volatility of the price of the Company's shares for the expected remaining term of the Options;
- the expected dividends (if any) on the Company's shares for the expected remaining term of the Options; and
- the risk free interest rate for the expected remaining term of the Options.
- The Company will calculate the value of the benefit at the relevant time based on the above factors and using the appropriate options pricing model to value the accelerated Options.
- A voting exclusion statement for the purposes of section 200E(2A) is included in this Notice.

Directors' recommendation

The Board (except Harry due to his personal interest) considers that the award of securities to Harry Konstantinou is an appropriate incentive and in the best interests of the Company and therefore recommends that Shareholders vote in favour of Resolution 5.

3.6 Resolution 6 - Approval of Increase in Maximum Aggregate Non-Executive Director Fees

In accordance with Article 14.4 of the Company's Constitution and ASX Listing Rule 10.17, Shareholder approval is sought to increase the maximum aggregate amount available to be paid to the Company's Non-Executive Directors as remuneration in any financial year (**the Fee Pool**). Under ASX Listing Rule 10.17, the maximum aggregate amount payable as remuneration to all NEDs of the Company in any year may not exceed an amount determined by shareholders from time to time at a general meeting.

The current Fee Pool of A\$500,000 per annum was approved by Shareholders and disclosed in prospectus materials prior to the Company's IPO in 2019 and has not been increased since then. In the past 5-years, the composition of the Board has continued to evolve, as part of a process aimed at achieving a broad range of skills, experience and expertise suitable to Viva's progress and development, including into new markets. It is proposed that the Fee Pool be increased by A\$300,000 to A\$800,000 per annum, to apply with effect from and including the financial year which commenced 1 July 2024. The Fee Pool is inclusive of statutory entitlements (including superannuation).

It is important that the Company remains able to attract and retain Non-Executive Directors with the appropriate experience, expertise, skills and diversity to oversee the Company's business, strategic direction and risk culture. The Board is continuing to review its composition to ensure that collectively the Non-Executive Directors provide the skill-set appropriate to the scope and complexity of Viva's expanding business. The approval of Resolution 6 would allow for an increase in the number of Directors in the future if the Board determines that it is in the best interests of the Company to procured additional skills and support.

The Board also considers that it is important to provide for appropriate and coordinated Board succession planning, which may require a temporary increase in the number of Non-Executive Directors during a transition period.

If Resolution 6 is approved by Shareholders, the Fee Pool will increase to A\$800,000. If this Resolution 6 is not approved, the Fee Pool will remain at \$500,000. This will mean that the Board will not have the flexibility described above, and any future Non-Executive Director appointments and fees will need to be assessed within the current Fee Pool.

The Company notes that Principle 3.1 of the Remuneration Report (audited) which is contained at page-15 of the *Consolidated Financial Statements for FY24* lodged with the ASX on 14 August 2024 states that "No increase to the total fee pool is proposed this year." The Board has subsequently determined that an increase to the fee pool should be put to Shareholders at this Annual General Meeting to allow for flexibility described above.

The Company will continue to set the actual level of remuneration of its Non-Executive Directors within the Fee Pool after having regard to independent external advice, market practice, Board performance and other appropriate factors. Details of the fees paid to Non-Executive Directors in FY24 are included in the Remuneration Report at pages 25 to 38. The Board intends to review Board and Committee fees in FY25 to ensure fees remain competitive.

No securities in the Company have been issued to any Non-Executive Directors under ASX Listing Rules 10.11 or 10.14 with the approval of Shareholders at any time within the three years before the date of this Notice.

A voting exclusion statement is included for Resolution 6 in the above Notice of Meeting.

Directors' recommendation

In the interests of good governance, the Directors abstain from making a recommendation to Shareholders with respect to Resolution 6.
