### **REQUEST FOR SUSPENSION FROM TRADING**

Dear Ash

#### **Top Shelf International Holdings Limited (ASX:TSI) – request for suspension from trading pursuant to Listing Rule 17.2**

Top Shelf International Holdings Limited (**TSI** or **the Company**) requests that trading in the Company's shares on the Australian Securities Exchange (**ASX**) be suspended from the open of trading today (Friday, 27 September 2024).

The Company is in the process of negotiating with its senior lender and its largest creditors, but as a result of those continuing negotiations will not be in a position to release audited financial statements on Monday, 30 September 2024 as required by ASX LR 4.5.1. The Company continues to progress discussions with a number of parties regarding the provision of funding and potential transactions to address its short- to medium-term operating needs and the repayment of outstanding creditors. The Company will continue to closely review its operating strategy while it is suspended from trading to ensure that efficiency and profitability is optimised and a robust and appropriate funding structure is in place.

For the purposes of ASX Listing Rule 17.2, TSI provides the following information:

- the suspension is requested in order to allow the Company to review its operating strategy and finalise a funding pathway (as outlined above) while conserving cash. Continued trading of TSI securities is likely to be materially prejudicial to finalisation of that funding pathway;
- it is expected that TSI's ordinary shares will be suspended from quotation until such time as the Company has finalised its review of its operating strategy and a funding pathway is finalised, which is expected to occur in Q4 CY2024; and

- TSI is not aware of any reason why the suspension should not be granted.

Yours sincerely
