The Remuneration Report is contained in the 2024 Annual Report (available at www.ecofibre.com).

Explanatory Notes

The Explanatory Notes that follow form part of the Notice of Meeting and provide important information regarding the items of business to be considered at the AGM.

The Directors recommend that Shareholders read these Explanatory Notes before determining voting on the Resolutions in the Notice of Meeting. If you have any questions regarding the matters set out in these Explanatory Notes, please contact the Company Secretary, your stockbroker, your accountant, your solicitor or other professional adviser.

This Notice of Meeting has been prepared in accordance with Australian laws, disclosure requirements and accounting standards. These laws, disclosure requirements and accounting standards may be different to those in other countries.

The distribution of this Notice of Meeting may, in some countries, be restricted by law or regulation. Accordingly, persons who come into possession of this Notice of Meeting should inform themselves of, and observe, any such restrictions.

To assist the Company to conduct the Meeting, the Company may collect personal information including names, contact details and shareholding details of Shareholders and the names of persons appointed by Shareholders to act as a proxy at the Meeting. Personal information of this nature may be disclosed by the Company to its share registry, print and mail service providers, and the Company's advisors and relevant agents. Shareholders have certain rights to access their personal information that has been collected and should contact the Company Secretary if they wish to access their personal information.

Consideration of Reports

The laws in Australia require public companies to lay before the AGM the company's financial report (or statements) and the report of the Directors and Auditor for the year.

This item does not require a formal resolution to be put to the Meeting. However shareholders will be given a reasonable opportunity to ask questions about, or make comments on, the Reports and the management of the Company.

Shareholders can access a copy of the Company's 2024 Annual Report at www.ecofibre.com.

Voting Items

Resolution 1, relating to the Remuneration Report, is advisory only and does not bind the Directors or the Company.

Resolution 2, relating to the election of Directors, is an ordinary resolution which is carried if a simple majority of votes cast on the resolution by Shareholders entitled to vote on the Resolution are in favour.

Resolution 1 – Adoption of the Remuneration Report

Background

Shareholders will have a reasonable opportunity at the meeting to ask questions about or make comments on the Company's 2024 Remuneration Report.

The Remuneration Report is contained in the Company's 2024 Annual Report, and starts on page 35. You can view the 2024 Annual Report on the Company's website (www.ecofibre.com) or by contacting Ecofibre's share registry, Link Market Services.

Section 250R(2) of the Corporations Act requires that the section of the Directors' Report dealing with the remuneration of Directors and other key management personnel be put to the vote of Shareholders for adoption by way of a non-binding vote. The vote is only advisory, however, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies of the Company for future years.

Voting Consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on the Remuneration Report resolution are voted against adoption of the Remuneration Report and at the first of those annual general meetings, a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

The Chairman of the meeting intends to vote undirected proxies in favour of the adoption of this resolution.

Board recommendation

The Directors abstain, in the interests of good governance, from making a recommendation in respect of Resolution 1.

Resolution 2 – Election of Director: Prof. Bruce Robinson

Background

ASX Listing Rule 14.5 requires the Company to hold an election of Directors at each AGM and that at least one director stand for election or re-election at the AGM.

In addition, Clause 15.6 of the Constitution requires that, at the close of each AGM one-third of the Directors retire. The Directors to retire by rotation at an annual general meeting are those Directors who have been longest in office since their last election.

Pursuant to Clause 17.1(h) of the Constitution, the Company's managing director is not subject to retirement by rotation and is not to be taken into account in determining the rotation of retirement of Directors.

There are three Directors of the Company who are subject to re-election. Vanessa Wallace was elected at the 2023 AGM, and therefore either Prof Robinson or Michele Anderson is eligible for re-election in 2024. Only one person needs to stand for re-election, and that person is Prof. Robinson.

The Board reviews the performance of the director seeking re-election at the AGM, and considers that Bruce Robinson continues to make valuable contributions to the Board and the Company.

Bruce Robinson, AC
Non-Executive Director

Bruce has been a director of Ecofibre Limited since March 4, 2021. The Board has determined that Bruce is an independent director.

Bruce has over 25 years leadership experience as a board director, academic physician and scientist across research, healthcare and medicine, and tertiary education. He has extensive experience covering academia, government, public and private health providers, research institutes and philanthropic organisations.

Bruce is currently a director of ASX listed companies Cochlear and MaynePharma, and also a director of QBiotics, a drug development company.

From 2015 – 2021, Professor Robinson chaired the Australian Government's National Health and Medical Research Council, and the Medical Benefits Schedule Review Task Force.

The Chairman of the meeting intends to vote undirected proxies in favour of this resolution.

Board recommendation

The Board (Bruce Robinson abstaining) recommends that Shareholders vote in favour of the resolution.
