

**ASX Release**

**2 October 2024**

### **FY24 R&D Tax Incentive rebate received**

**Melbourne, Australia;** Acrux Limited (ASX:ACR) is pleased to announce it has received its FY24 R&D Tax Incentive rebate ('RDTI') from the Australian Tax Office ('ATO') totalling \$2,728,021 and the associated short term funding facility provided by Radium Capital has been repaid in full.

Furthermore, the ATO has advised Acrux that its application for a new Overseas Finding for a recently commenced development project has been successful. This means that additional FY24 and future overseas expenditure on this project is eligible for the RDTI. Accordingly, an amendment will be submitted which will add to the FY24 RDTI already received.

The RDTI is an Australian Federal Government program under which companies may receive cash rebates for eligible research and development expenditure.

Authorised for release by the Board of Acrux Limited.
