Completion of \$1.1 billion capital return program

AMP Limited has announced the completion of its on-market share buyback, concluding its \$1.1 billion capital return program.

The program was announced following the sale of AMP Capital in August 2022, and comprised on-market share buybacks and the recommencement of dividends.

AMP will provide an update on its future capital management and dividend policy at the FY 24 Results on 13 February 2025.
