About Aspermont

Aspermont is the leading media services provider to the global resource sectors. Aspermont has built a commercial XaaS model for B2B media which distributes high value content to a growing global audience. This versatile model can be scaled to serve new business sectors in new countries and languages. As Aspermont global (paid) audiences continue to grow, this opens new opportunities to monetise Aspermont's vast data base which is being addressed by new hires to expand the group knowledge capital and capabilities.

Aspermont is listed on the Australian Stock Exchange and quoted on the Frankfurt Stock Exchange. It is also quoted on Tradegate and other regional German exchanges. The company has offices in UK, Australia, Brazil, USA, Canada, Singapore, and the Philippines.
