Place: Virtual meeting only

THIS IS AN IMPORTANT DOCUMENT

If you are in doubt as to what to do with this document, please immediately see your legal adviser, financial adviser or stockbroker.

Dear Shareholder,

I am pleased to invite you to DGL Group's 2024 Annual General Meeting (AGM) to be held at 11:00am (AEDT) on 20 November 2024. FY24 was DGL's 25th year since the business was founded in 1999, and it will be DGL's fourth AGM as an ASX listed company.

The AGM will be held online only, with Shareholders being able to watch, listen, ask questions and vote via the online webinar.

DGL's AGM is the occasion where shareholders vote on a number of important resolutions which are outlined in this Notice of Meeting. It also provides shareholders with the opportunity to hear directly from the founder and CEO and the Board, and to ask questions.

Financial Statements, Directors' Report and Independent Auditor's Report

The first item of business will be to receive and consider the Financial Statements, the Directors' Report and the Independent Auditor's Report for the year ended 30 June 2024. There is no requirement for the shareholders to approve these reports.

Remuneration Report

The second item of business seeks approval of the Remuneration Report, set out on pages 26 – 29 of DGL's 2024 Annual Report. The Remuneration Report includes information on Directors' and executives' remuneration and includes an explanation of DGL's remuneration strategy and guiding principles.

Re-election of Director

The third item of business seeks approval for the re-election of Robert Sushames as an Executive Director.

Robert joined the DGL Board in 2021 and has over 25 years' experience in the chemical manufacturing industry and has extensive experience in global procurement and 3PL warehousing and logistics. Robert's executive role is focused on commercial business development and leading DGL's crop protection manufacturing segment.

Employee Incentive Securities Plan

The fourth item of business seeks approval for adoption of an Employee Incentive Securities Plan.

The objective of the Plan is to assist DGL in attracting, motivating and retaining employees and to align employees and shareholders interests by

encouraging direct ownership of shares by employees. It has become common practice for listed companies to have an employee share plan, and the Directors consider DGL will be disadvantaged if an appropriate plan is not put in place.

The Board intends to introduce two programs under the Plan in FY25:

(i) Employee Plan

An offer to all employees to purchase up to \$10,000 worth of shares at a 10% discount to the market value.

The Board considers that it is in all shareholders interests to offer a modest discount to encourage employees to become shareholders and participate in the growth of the Company.

(ii) Performance Rights Plan

An offer of Performance Rights to certain senior executives (the CEO, Chief Financial Officer and Chief Operating Officer) based on 50% of their base salary, where vesting and conversion into shares is subject to specific earnings per share and relative share price performance hurdles over a three-year period.

The Board has been working hard to ensure that executive pay is appropriate and aligned with the objectives of the business. Vesting of the Performance Rights is entirely performance based, ensuring that all shareholders will benefit if the performance targets are met. The Board considers the Performance Rights terms to be conservative relative to market practice.

Approval of the CEO's participation in the Plan is sought separately under the fifth item of business as required under the ASX Listing Rules.

I ask that you consider this letter and the additional detail in the 2024 Annual Report when forming your views on these items of business.

Yours sincerely,

Tim Hosking
Chairman

Voting Exclusions

The Corporations Act and the ASX Listing Rules require that certain persons must not vote, and that DGL must disregard any votes cast by or on behalf of certain persons, on the resolutions to be considered at the AGM. These voting exclusions are described below.

Voting Prohibition for Resolution 1 – Adoption of the Remuneration Report

DGL will disregard any votes cast on the resolution proposed in Resolution 1:

- (a) by or on behalf of any Key Management Personnel (**KMP**) member whose remuneration details are included in the Remuneration Report, or any of their closely related parties, regardless of the capacity in which the votes are cast; or
- (b) by any person who is a KMP member at the date of the AGM, or any of their closely related parties, as a proxy,

unless the votes are cast as a proxy for a person who is entitled to vote on Resolution 1:

- (c) in accordance with their directions on how to vote as set out in the proxy appointment; or
- (d) by the Chair of the AGM in accordance with an express authorisation in the proxy appointment to cast the votes even if Resolution 1 is connected directly or indirectly with the remuneration of a KMP member.

If you are a member of the KMP or a closely related party of a member of the KMP (or are acting on behalf of any such person) and purport to cast a vote on Resolution 1 that vote will be disregarded by DGL (as indicated above). You may also be liable for breach of the voting restrictions in the Corporations Act if you cast a vote that DGL will disregard.

DGL will also apply these voting exclusions to persons appointed as an attorney by a shareholder to attend and vote at the AGM under a power of attorney, as if they were appointed as a proxy.

Voting Prohibitions for Resolutions 3 and 4

A person appointed as a proxy must not vote, on the basis of that appointment, on either of Resolutions 3 and 4 if:

- (a) the proxy is either:
 - (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on Resolutions 3 or 4.

However, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (b) the appointment expressly authorises the Chair to exercise the proxy even though Resolutions 3 or 4 is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Voting Exclusion for Resolution 3 – Adoption of the Employee Incentive Plan

DGL will disregard any votes cast in favour of Resolution 3 by a person who is eligible to participate in the employee incentive scheme or an associate of that person or those persons. However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Exclusion for Resolution 4 – Issue of Performance Rights to Simon Henry

DGL will disregard any votes cast in favour of Resolution 4 by or on behalf of Mr Simon Henry and any other person referred to in Listing Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question or an associate of that person or those persons. However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Explanatory Memorandum

1. Financial statements and reports

The *Corporations Act 2001* (Cth) (**Corporations Act**) requires the financial report (which includes the financial statements and Directors' declaration), the Directors' Report and Auditor's Report to be laid before the AGM. There is no requirement either in the Corporations Act or DGL's constitution for shareholders to approve the financial report, the Directors' Report or the Auditor's Report.

This agenda item is intended to provide shareholders with the opportunity to raise questions on the financial statements and reports contained in DGL's 2024 Annual Report, and on the performance of DGL generally.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on these reports. It is not the purpose of the AGM for the financial statements and reports to be accepted, rejected or modified in any way.

2. Resolution 1 - Adoption of Remuneration Report

The Corporations Act requires DGL to include in the Directors' Report a detailed remuneration report setting out certain prescribed information relating to Directors' and executives' remuneration (**Remuneration Report**) and submit this for adoption by resolution of the shareholders at the AGM.

Please refer to pages 25 - 30 of DGL's 2024 Annual Report, which sets out the Remuneration Report. A copy of the 2024 Annual Report can be found on DGL's website at www.dglinvestors.com/investor-centre/?page=Results-centre or by contacting DGL's share registry, Link Market Services.

The Remuneration Report includes:

- (a) an explanation of DGL's remuneration strategy and guiding principles;
- (b) an explanation of DGL's policies in relation to the nature and amount of the remuneration of the KMP;
- (c) a description of the relationship between such policies and DGL's performance;
- (d) if an element of remuneration is performance based, an explanation why the performance conditions were chosen and how performance is measured against those conditions; and
- (e) remuneration details for the KMP.

During this item, there will be an opportunity for shareholders at the AGM to comment on and ask questions about the Remuneration Report and shareholders are asked to adopt the Remuneration Report.

The vote on the resolution in item 2 is advisory only and will not bind the Directors or DGL. However, the Board recognises the vote is an indication of shareholder sentiment and will take the outcome of the vote into consideration when reviewing DGL's remuneration practices and policies.

Under the Corporations Act, if at least 25% of the votes cast on the resolution in item 2 at the AGM are against adoption of the Remuneration Report, then:

- (a) if comments are made on the Remuneration Report at the AGM, DGL's remuneration report for the financial year ending 30 June 2025 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for taking no action; and
- (b) if subsequently, at DGL's 2025 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for that financial year are cast against its adoption, DGL will be required to put to shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of all Directors (other than any managing director) of DGL (**Spill Meeting Resolution**). The Spill Meeting must be held within 90 days of the date of the 2025 Annual General Meeting. For any Spill Meeting Resolution to be approved, more

than 50% of the votes cast on the resolution must be in favour of it. If a Spill Meeting Resolution is passed, all of the Directors (other than any managing Director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

Recommendation

Noting that each Director has a personal interest in their own remuneration from DGL (as described in the Remuneration Report), and that each Director (or any closely related party of a Director) is excluded from voting their shares on item 2 (as described in the *Voting Exclusions* section above), the Directors unanimously recommend that shareholders vote in favour of item 2 to adopt the Remuneration Report.

The resolution in item 2 is put to the shareholders at the AGM in fulfilment of the obligations of DGL under section 250R(2) of the Corporations Act.

3. Resolution 2 - Re-election of Robert Sushames as a director

The Company's constitution and ASX Listing Rule 14.4 provides that a director of an entity must not hold office without re-election past the third annual general meeting following the director's appointment or three years, whichever is longer. ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Mr Sushames was appointed as an Executive Director of the Company on 1 April 2021 and was last re-elected as a Director at the annual general meeting held on 2 December 2021. Under this Resolution, Mr Robert Sushames has elected to retire by rotation and, being eligible, seeks re-election as a Director.

Mr Sushames has over 25 years' experience in manufacturing and the crop protection chemical industry. He has experience in global procurement and commercial management as well as operations of chemical processing plants, contract manufacturing and 3PL Warehousing and Logistics. Mr Sushames' executive role is focused on commercial business development and operational leadership of DGL's crop protection manufacturing segment.

The Board has determined that Mr Sushames is not an independent Director given his executive position.

Recommendation

The Directors (with the relevant candidate abstaining) unanimously recommend that shareholders vote in favour of the re-election of Robert Sushames.

4. Resolution 3 – Approval of Employee Incentive Securities Plan

4.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of up to a maximum of 14,261,263 Securities under the employee incentive scheme titled "Employee Incentive Securities Plan" (**Plan**).

The maximum of 14,261,263 Securities represents the incentive scheme limit of 5% issued capital in accordance with the requirements of the *Corporations Act* 2001, however the Company does not currently intend to issue up to this amount of Securities.

4.2 The Plan

The objective of the Plan is to attract, motivate and retain employees and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide employees with the opportunity to participate in the future growth of the Company through direct ownership of Shares.

The Company's current intention in operating the Plan is for it to fulfil two functions, those being:

(a) **General Employee offer**

This offer will entitle employees of the Company to participate in the Plan by purchasing up to \$10,000 worth of Shares at a discount of 10% to the 10-day volume weighted average price of Shares.

(b) **Executive Performance Rights offer**

This offer is intended to incentivise certain senior executives of the Company through the issuance of Securities with heavily performance-based hurdles that align the executives with the success of the Company and its Shareholders. Performance Rights will initially be offered to the Chief Executive Officer, the Chief Financial Officer and the Chief Operating Officer based on 50% of their base salary, where vesting and conversion into Shares is subject to specific earnings per share and relative share price performance hurdles over a 3-year period.

The vesting performance hurdles are intended to ensure that all shareholders benefit if the performance targets are met. The issue of Performance Rights to the CEO, Simon Henry, is subject to separate shareholder approval in Resolution 4.

If the relevant Vesting Conditions are not met, the Securities will not vest or convert into Shares and there will be no dilutionary impact on Shareholders.

4.3 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

4.4 Listing Rule 7.2 (Exception 13(b))

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

4.5 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 4.6 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, other than directors, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

4.6 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS

5. Resolution 4 – Issue of Performance Rights to Mr Simon Henry

5.1 General

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Henry is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Henry) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for Mr Henry is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue.

SCHEDULE 1 – TERMS AND CONDITIONS OF PLAN

A summary of the material terms of the Plan is set out below.

Eligible Participant	Eligible Participant means a person that is a ‘primary participant’ (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Performance Rights, Options or Shares (Securities).
Maximum number of Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Performance Rights or Options (Convertible Securities) offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation. The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)), following Shareholder approval, is 14,261,263 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (d) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan;

	<p>(e) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;</p> <p>(f) is not entitled to receive any dividends declared by the Company; and</p> <p>(g) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).</p>
Restrictions on dealing with Convertible Securities	<p>Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board.</p> <p>A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.</p>
Vesting of Convertible Securities	<p>Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.</p>
Forfeiture of Convertible Securities	<p>Convertible Securities will be forfeited in the following circumstances:</p> <p>(a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group);</p> <p>(b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited;</p> <p>(c) where there is a failure to satisfy the vesting conditions in accordance with the Plan;</p> <p>(d) on the date the Participant becomes insolvent; or</p> <p>(e) on the Expiry Date,</p> <p>subject to the discretion of the Board.</p>
Listing of Convertible Securities	<p>Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.</p>
Exercise of Convertible Securities and cashless exercise	<p>To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p>

	<p>An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
Timing of issue of Shares and quotation of Shares on exercise	<p>Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.</p>
Restriction periods and restrictions on transfer of Shares on exercise	<p>If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions:</p> <p>(a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act;</p> <p>(b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and</p> <p>(c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.</p>
Rights attaching to Shares on exercise	<p>All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.</p>
Change of control	<p>If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event.</p>
Participation in entitlements and bonus issues	<p>Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.</p>
Adjustment for bonus issue	<p>If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.</p>

Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	If a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.
