MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced the award of new contracts and extensions totalling approximately \$160 million.

Monadelphous has been awarded two one-year contract extensions for fixed plant maintenance services and sustaining capital projects across Rio Tinto’s iron ore operations in the Pilbara region of Western Australia. The Company has also secured a fabrication, supply, installation and commissioning contract at Rio Tinto’s Tom Price mine, with work expected to be completed mid-2025.

In addition, the Company has secured a new three-year contract for the provision of minor project works at South32’s Worsley Alumina operations in Western Australia, on the back of the maintenance and shutdown services contract extension announced last month. Monadelphous has been providing services at Worsley Alumina for almost 20 years.

Finally, Inteforge, Monadelphous’ fabrication business, has secured a contract for the supply and fabrication of structural steelwork and pipe racks for Iluka’s Eneabba Rare Earth’s Refinery Project in Western Australia, with work scheduled for completion in mid-2025.
