IMPORTANT NOTICES AND DISCLAIMER

IMPORTANT: you must read the following before continuing.

This presentation (Presentation) has been prepared by Activeport Group Ltd (ACN 636 569 634) (Company or Activeport) for the purpose of providing an overview of its current prospects and proposed development strategy to recipients (Recipient).

By reviewing or retaining these materials, or attending or participating in this Presentation, you acknowledge and represent that you have read, understood and accepted the terms of this "Important Notices and Disclaimer". The information in this Presentation does not purport to be all-inclusive or to contain all information which a Recipient may require in evaluating a possible investment in the Company or that would be required in a prospectus or product disclosure statement or the offering document prepared in accordance with the requirements of Australian law or laws of any other jurisdiction. The Recipient acknowledges that circumstances may change and the Presentation may become outdated as a result. The Presentation should be read in conjunction with the Company's other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange, which are available at www.asx.com.au. The information contained in this Presentation is not investment or financial product advice (nor tax, accounting or legal advice) and is not intended to be used for the basis of making an investment decision. The information contained in this Presentation has been prepared without taking into account the investment objectives, financial situation or particular needs of any particular person. Before making an investment decision, investors should consider the appropriateness of the information having regard to their own investment objectives, financial situation and needs and seek independent professional advice appropriate to their jurisdiction and circumstances.

While the information contained in the Presentation has been prepared in good faith, to the maximum extent permitted by law, neither ActivePort or any of its directors, officers, agents, employees or advisors give any representation or warranty, express or implied, as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this Presentation. Accordingly, to the maximum extent permitted by law, none of ActivePort, its directors, employees or agents, advisers, nor any other person accepts any liability whether direct or indirect, express or limited, contractual, tortious, statutory or otherwise, in respect of, the accuracy or completeness of the information or for any of the opinions contained in this Presentation or for any errors, omissions or misstatements or for any loss, howsoever arising, from the use of this Presentation. An investment in ActivePort securities is subject to investment and other known and unknown risks, some of which are beyond the control of ActivePort or its directors. ActivePort does not guarantee any particular rate of return or the performance of ActivePort securities.

Past performance information given in this Presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

Future Matters:

This Presentation contains certain "forward-looking statements". These can be identified by words such as "may", "should", "anticipate", "believe", "intend", "estimate", "expect" and similar expressions. These forward-looking statements include all matters that are not historical facts. Forward-looking statements are based on:

- assumptions regarding ActivePort's business strategies, plans and objectives of management for future operations and development and the environment that ActivePort will operate; and
- current views, expectations and beliefs as at the date they are expressed, and which are subject to various risks and uncertainties and other factors many of which are beyond the control of ActivePort.

Such forward-looking statements involve known and unknown risks, uncertainties and other factors which because of their nature may cause the actual results or performance of ActivePort to be materially different from the results or performance expressed or implied by such forward-looking statements.

Such forward-looking statements are based on numerous assumptions regarding ActivePort's present and future business strategies and the political, regulatory and economic environment in which ActivePort will operate in the future, which may not be reasonable, and are not guarantees or predictions of future performance. No representation or warranty is made that any of these statements or forecasts (express or implied) will come to pass or that any forecast result will be achieved. Forward-looking statements speak only as at the date of this Presentation and to the maximum extent permitted by law, ActivePort and its Related Parties disclaim any obligation or undertaking to release any updates or revisions to information to reflect any change in any of the information contained in this Presentation (including, any assumptions or expectations set out in this Presentation).

All figures in this Presentation are A\$ unless stated otherwise and all market shares are estimates only. A number of figures, amounts, percentages, estimates, calculations of value and fractions are subject to the effect of rounding. Accordingly, the actual calculations of these figures may differ from figures set out in this Presentation.
