Voting online

We encourage you to vote online at <https://investorcentre.linkgroup.com/login>. To log in you will need your holder number and the postcode for your shareholding. These can be found on the top right-hand corner of your Voting Form.

Online voting closes at 09:30am (AEDT) on Monday, 18 November 2024, 48 hours before the commencement of the meeting. Shareholders viewing the Meeting online through live stream are unable to vote.

Voting Form

The Voting Form allows Shareholders who are not attending the Meeting to either lodge their vote directly or appoint a proxy to vote on their behalf.

Direct voting

By completing Section [A] of the Voting Form, you are voting your shares directly and you are not appointing a third party, such as a proxy, to act on your behalf. Shareholders should complete their voting directions by selecting 'for' or 'against' for each item on the Voting Form. Do not complete the 'abstain' box if you are voting directly, as it will result in an invalid vote.

If a Voting Form is submitted and no direction is given on an item, or if Section [A] and Section [B] are both completed on the Voting Form, your vote may be passed to the Chair of the Meeting as your proxy.

Appointing a proxy

A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote for the Shareholder. The person appointed as proxy may, but does not need to be, a Shareholder of the Company. To appoint your proxy, complete Section [B] of the Voting Form.

If you are entitled to cast two or more votes, you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you appoint two proxies, each will require a separate Voting Form. If you require a second Voting Form, please contact the share registry on 1300 554 474. If you appoint two proxies and the appointment does not specify the proportion or number of votes that each proxy may exercise, each proxy may exercise half of the votes.

If you complete and submit your Voting Form and do not indicate the name of your proxy on the Voting Form or the person named does not attend the Meeting or attends but does not vote on the resolution as directed, the Chair of the Meeting will be taken to be your proxy by default and must vote in accordance with your directions.

You should complete your voting directions to your proxy by selecting 'for' or 'against' each item on the Voting Form. If you do not instruct your proxy on how to vote, the proxy may, subject to the voting restrictions outlined below, vote as he or she sees fit at the Meeting. Except where the Chair of the Meeting is your proxy, if you nominate a member of the Company's key management personnel (which includes each of the other directors) or their associate as your proxy, the proxy will not be able to vote on item 2 (adoption of the Remuneration report), item 5 (CEO Long Term Incentive Award) or item 6 (increase in the Non-Executive Directors' aggregate fee pool), unless you direct them how to vote.

Please refer to the Voting Form for instructions on completion and lodgement. In order for the appointment of a proxy to be valid, the Voting Form must be received by the Company at least 48 hours before the time for holding the Meeting (i.e.: by **09:30am (AEDT) on Monday 18 November 2024**). Voting Forms received after this time will be invalid.

Where the Voting Form is executed under a power of attorney, the original or an attested copy of the power of attorney or other authority (if any) under which it is signed must also be lodged with the Company at least 48 hours before the time for holding the Meeting.

How the Chair intends to vote undirected proxies

If you nominate the Chair of the Meeting as your proxy (or the Chair becomes your proxy by default), then by completing and submitting the Voting Form without any voting directions, you are expressly authorising the Chair of the Meeting to exercise your proxy as he sees fit, including on resolutions relating to remuneration.

The Chair of the Meeting intends to vote all available proxies on, and in favour of, all of the proposed resolutions.

Voting restrictions

Certain voting restrictions apply in relation to item 2 (Adoption of Remuneration Report), item 5 (CEO Long Term Incentive Award) and item 6 (increase in the Non-Executive Directors' aggregate fee pool). Please refer to the Explanatory Notes for details of the voting restrictions.

Corporate representative

A Shareholder that is a body corporate, or a body corporate which has been appointed as a proxy, may appoint an individual to act as its representative and to vote in person at the Meeting in accordance

with the Corporations Act. The representative must provide evidence of their appointment, including any authority under which it is signed, unless previously given to the Company or the Company's share registry. The authorisation may be effective either for this Meeting only or for all meetings of the Company.

Powers of Attorney

A Shareholder entitled to attend and vote may appoint an attorney to act on their behalf at the Meeting. An attorney may, but need not be, a Shareholder of the Company.

An attorney may not vote at the Meeting unless the instrument appointing the attorney, and the authority under which the instrument is signed or a certified copy of the authority, are received by the Company at least 48 hours before the Meeting in the manner specified below.

Lodgement of Voting Forms, powers of attorney and authorities

The appointment of a proxy or attorney for the Meeting is not effective unless the instrument appointing the proxy or attorney, and the original or a certified copy of the power of attorney or other authority (if any) under which the instrument is signed, are received by the Company at least 48 hours before the Meeting, being **09:30am (AEDT) on Monday 18 November 2024**. Any instruments (including Voting Forms) received after that time will not be valid for the scheduled Meeting.

Where the Chair of the Meeting considers it appropriate, the Chair of the Meeting may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, if Shareholders have already decided how they will cast their vote, they are encouraged to cast a direct vote online or lodge a proxy by **09:30am (AEDT) on Monday 18 November 2024** even if they plan to attend in person.

Recommendation

The directors (with Ms Sarah Brennan abstaining) unanimously recommend that Shareholders vote in favour of the election of Ms Sarah Brennan.

5 Approval of the CEO and Managing Director Long Term Incentive Award

Item 5 proposes to seek Shareholder approval to grant 47,968 performance rights (**Performance Rights**) to Mr Matt Heine as his Long-Term Incentive (LTI) Award for FY2025 in accordance with the Company's Equity Incentive Plan. Under ASX Listing Rule 10.14, a listed company must not issue

securities to a director under an employee incentive scheme unless it obtains the approval of its shareholders. As Mr Matt Heine is a director of the Company, Shareholder approval is being sought for this purpose.

During the year, the Board reviewed Netwealth's remuneration framework in preparation for the changed requirements of APRA Prudential Statement CPS 511, which will be applicable to Netwealth from FY2025 onwards. As a result of these changes Mr Matt Heine's LTI will have a greater proportion of performance remuneration deferred for a longer period of time based on the proportion of his duties and responsibilities that is related to NSS as an APRA-regulated registerable superannuation entity licensee.

The Performance Rights will vest subject to satisfaction of 'gateway' conditions (**Gateway Conditions**) and performance conditions (**Performance Conditions**) and are also and subject to deferral requirements discussed below. Mr Matt Heine will be entitled to one fully paid ordinary share in the Company for each Performance Right that vests.

The Company uses Performance Rights because they create share price alignment between executives and ordinary shareholders, but do not provide the executives with the full benefit of share ownership (such as dividend and voting rights) unless and until the Performance Rights vest.

The Performance Conditions are tested over three financial years, from 1 July 2024 to 30 June 2027, being FY2025, FY2026 and FY2027 (**Performance Period**).

A proportion of Mr Matt Heine's Performance Rights is subject to deferral of vesting based on the performance-based remuneration requirements of CPS511 and, in future the Financial Accountability Regime (**Deferred Rights**).

Further information of the key terms of the LTI award, including the Performance Conditions, Deferred Rights and dealing conditions is set out below.

Gateway Conditions and Performance Conditions for Performance Rights

The Performance Rights are subject to two Gateway Conditions which require Mr Matt Heine to achieve an overall grading in his annual values assessment of "Aligned" or above in each year in the Performance Period and he must satisfy his risk gateway in each year in the Performance Period.

If he fails to meet the Gateway Conditions, unless the Board determines otherwise, all of his Performance Rights will lapse. If he meets the Gateway Conditions, the percentage of his Performance Rights that vest depends on achievement of the following 3 Performance Conditions.

The Performance Conditions and their weightings are:

- 35% on Earnings per Share performance;
- 35% on Total Shareholder Return performance; and
- 30% on execution of Board-approved business plans.

Further information about each of the Performance Conditions is set out below.

Earnings Per Share (EPS) Performance Condition

35% of the Performance Rights are subject to an EPS condition based on the Company's Compound Annual Growth Rate (**CAGR**) in EPS over the Performance Period. CAGR EPS measures the annual growth rate of earnings generated by the Company attributable to each share on issue on a fully diluted basis over the Performance Period.

The percentage of the Performance Rights that are eligible to vest under this Performance Condition, if any, will be determined by the CAGR of the Company's EPS over the Performance Period. If the EPS CAGR is less than the threshold EPS CAGR, then 0% of the Performance Rights subject to the EPS Performance Condition will be eligible to vest. If the CAGR is at the threshold EPS CAGR, then 50% of the Performance Rights subject to the EPS Performance Condition will be eligible to vest. If the CAGR EPS is at or above the target EPS CAGR, then all of the Performance Rights subject to the EPS Performance Condition will be eligible to vest. If the EPS CAGR performance is between the 'threshold' and 'target' percentage then a proportionate amount of the Performance Rights vest under this Performance Condition.

Calculation of CAGR EPS and achievement against the EPS Performance Condition will be determined by the Board in its absolute discretion, having regard to any matters that it considers relevant. For these purposes, the Board may make such adjustments that it, in its discretion, considers appropriate to give the LTI its intended effect (including any adjustments for unusual or non-recurring items that the Board considers appropriate). Target and eligible vesting outcomes will be disclosed in the FY2027 Remuneration Report.

Total Shareholder Return (TSR) Performance Condition

35% of the Performance Rights are subject to a TSR Performance Condition based on the Company's TSR ranking percentile of companies in the ASX 300 Diversified Financials Index over the Performance Period. TSR measures the total return generated by owning a company's stock over a specified period of time. The TSR ranking percentile measures Netwealth's TSR performance relative to a broader market index, namely the ASX 300 Diversified Financials Index.

The percentage of the Performance Rights that are eligible to vest under this Performance Condition, if any, will be determined by Netwealth's TSR ranking over the Performance Period. The TSR must be positive for any Performance Rights to be eligible to vest under this Performance Condition. If the TSR ranking is below the 50th percentile, then 0% of the Performance Rights subject to the TSR Performance Condition will be eligible to vest. If the TSR ranking is at the 50th percentile, then 50% of the Performance Rights that are subject to the TSR Performance Condition will be eligible for vest. If the TSR ranking is at or above the 75th percentile, then all of the Performance Rights subject to the TSR Performance Condition will be eligible to vest. If the ranking is between the 50th percentile and the 75th percentile, a proportionate amount of the Performance Rights that are subject to the TSR Performance Condition will be eligible to vest under the TSR Performance Condition.

Calculation of TSR percentile and achievement against the TSR Performance Condition will be determined by the Board in its absolute discretion, having regard to any matters that it considers relevant. For these purposes, the Board may make such adjustments that it, in its discretion, considers appropriate to give the LTI its intended effect.

Contribution to effective execution of Board-approved business plans Performance Condition

30% of the Performance Rights are based on the individual contribution to, and the achievement of the specific strategic initiatives outlined in the Board approved annual business plans over the Performance Period. The Board approves a business plan for each year in the Performance Period. The Board assesses the delivery of the specific strategic initiatives outlined in the annual business plans and determines the individual contribution to, and the achievement of the specific strategic initiatives.

Testing of Performance Conditions

The Performance Conditions will be tested at the end of the Performance Period. Any Performance Rights that are not eligible to vest will automatically lapse.

The number of the Performance Rights that are eligible to vest under the Performance Conditions will be determined by the Board in its absolute discretion, having regard to any matters that it considers relevant.

Performance Rights that are eligible to vest and are not Deferred Rights will vest immediately after the Performance Period.

Vesting of Deferred Rights

The proportion of Performance Rights that are Deferred Rights is based on the Board's assessment of the proportion of Mr Matt Heine's duties and responsibilities that is referable to NSS during the Performance Period. This assessment has or will be done for each financial year in the Performance Period. The Board has assessed that, for FY2025, this proportion is 53%. Separate assessments will be done for FY2026 and FY2027. The three assessments will then be averaged and the average will be the proportion of the Performance Rights that are Deferred Rights.

Deferred Rights will vest on a pro rata basis over three financial years, from 1 July 2027 to 30 June 2030, being FY2028, FY2029 and FY2030 (**Deferral Period**). On a pro rata basis, one third of the Deferred Rights will vest after FY2028, one third of the Deferred Rights will vest after FY2029 and one third of the Deferred Rights will vest after FY2030.

The Deferred Rights are also subject to an ongoing gateway condition which requires Mr Matt Heine, whilst an employee of the Company during the Deferral Period, to satisfy his behavioural gateway in each financial year during the Deferral Period.

If Mr Matt Heine fails to meet the ongoing gateway condition for the Deferral Period, unless the Board determines otherwise, all of the Deferred Rights will lapse.

Dealing restrictions

Any dealing in respect of a Performance Right is prohibited, unless the Board determines otherwise or the dealing is required by law. The Board intends to exercise its discretion to lift a dealing restriction only in special circumstances.

Other key terms applying to the LTI award

Cessation of employment - If Mr Matt Heine ceases employment with the Company, his entitlement to the Performance Rights will depend on the timing and circumstances of cessation and the status of the Performance Rights:

- In the event of resignation or termination for cause, all of Mr Matt Heine's Performance Rights that are not eligible to vest at the time of cessation will lapse, unless the Board determines otherwise.
- Where the Performance Rights are eligible to vest at the time of cessation, they will continue to be held until the end of the applicable Deferral Period or Deferral Periods subject to the original award terms, unless the Board determines otherwise.
- If Mr Matt Heine ceases employment for any other reason (including due to death, total and permanent disability or serious illness) then all of his Performance Rights that are eligible to vest, will continue to be held until the end of the applicable Deferral Period or Deferral Periods subject to the original award terms, unless the Board determines otherwise.

Forfeiture – The Rules of the Company's Equity Incentive Plan contain a mechanism for the Board, in the event of malus by the employee to forfeit the Performance Rights, including any Deferred Rights, even if vested, and clawback shares, or require the repayment of any cash amounts paid (e.g: cash received on the sale of shares or payment of dividends).

Dividends and voting rights – Performance Rights, including any Deferred Rights, do not carry any dividend or voting rights prior to vesting and exercise. Shares allocated on vesting of Performance Rights carry the same dividend and voting rights as other shares issued by the Company.

- cast in favour of the resolution by a person referred to in ASX Listing Rules 10.14.1, 10.14.2. or 10.14.3 who is eligible to participate in the Equity Incentive Plan; and
- cast as a proxy by a person who is a member of the KMP on the date of the Meeting or their closely related parties.

However, the Company will not disregard a vote if it is cast:

- as proxy or attorney for a person entitled to vote on the resolution in accordance with a direction given to the proxy or attorney to vote that way; or
- by the Chair of the Meeting, as proxy for a person entitled to vote, in accordance with an express authorisation to vote as the proxy decides; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

6 Increase in the Non-Executive Directors' aggregate fee pool

Rule 7.3 of the Company's Constitution provides that the aggregate remuneration of Non-Executive Directors must not exceed the amount fixed from time to time by ordinary resolution passed by the Company's Shareholders. The Board wishes to increase the Non-Executive Directors' Fee Pool by \$200,000 to \$1,500,000 p.a. ASX Listing Rule 10.17 requires that shareholder approval must be obtained to increase this amount.

The existing Fee Pool is sufficient to cover all existing Non-Executive Directors' fees, but it does not provide for any additional director, additional remuneration for additional director duties on behalf of the Company, or potential future increases in directors' fees to align with market rates. By increasing the Fee Pool, it allows for the appointment of an extra Non-Executive Director if appropriate, for additional directors' duties taken on by current directors on behalf of the Company or for a future increase to directors' fees to meet market standards.

This increase is in line with other Non-Executive Directors' Fee Pools of comparable companies.

The Company last increased the total aggregate amount payable to Non-Executive Directors by \$300,000 to \$1,300,000 p.a. following the approval received from Shareholders at Netwealth's 2023 Annual General Meeting. Since then, the Board has appointed Sarah Brennan as an additional Non-Executive Director, Michael Heine has transitioned from an Executive to Non-Executive Director and there has been fee increases for Non-Executive Directors effective from 01 July 2024. The total annual fees now paid to Non-Executive Directors is \$1,300,000, the existing Fee Pool amount.

If Shareholders approve this resolution, the total Fee Pool will be increased to \$1,500,000 p.a. If Shareholders do not approve this resolution, the total aggregate amount will remain at \$1,300,000 p.a.

No securities have been issued to Non-Executive Directors under ASX Listing Rules 10.11 and 10.14 in the last three years.

Recommendation

Given the interest of the directors in this item, the Board makes no recommendation in relation to item 6.

A voting restriction applies to item 6. The Company will disregard any votes on item 6:

- cast in favour of the resolution by or on behalf of a director of the Company or their associates (regardless of the capacity in which the vote is cast); and
- cast as proxy by a person who is a member of the KMP on the date of the Annual General Meeting or their closely related parties.

However, votes will not be disregarded if they are cast:

- as proxy or attorney for a person entitled to vote in accordance with a direction given to the proxy or attorney to vote in that way;
- by the Chair of the Meeting as proxy for a person entitled to vote, in accordance with an express authorisation to vote as the proxy decides; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

- the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
- the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.
