Explanatory statement

This Explanatory Statement has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's 2024 AGM.

The purpose of the Explanatory Statement is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the Resolutions. The Directors recommend that Shareholders read this Explanatory Statement before determining whether or not to support the Resolutions.

The Notice of Meeting contains only ordinary resolutions. An ordinary resolution requires a simple majority of votes cast by Shareholders entitled to vote on a Resolution. This includes voting via proxies.

Capitalised terms used in this Explanatory Statement have the meaning given to them in the Glossary.

Questions and Comments

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Company's Annual Report and reports of the Directors' and Auditor for the year ended 30 June 2024.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or comment on the management of the Company and the reports included as part of the Company's Annual Report.

The Chairperson will also give Shareholders a reasonable opportunity to ask the Auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the Independent Audit Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

Shareholders who would like to submit a written question, including to the Company's Auditor, should send questions to the Company Secretary at au.governance@Praemium.com. All qualifying questions will be addressed at the AGM. Please note that all questions must be received at least five business days before the AGM, that is by no later than Wednesday, 13 November 2024.

Unless the Company's Share Registry has been notified otherwise, Shareholders will not be sent a hard copy of the Annual Report. All Shareholders can download the Annual Report, which contains the Financial Statements for the year ended 30 June 2024, from the Company's website at <https://www.praemium.com/au/about-us/shareholders/financial-reports/>.

Resolution 1 – Remuneration Report

Section 250R(2) of the *Corporations Act 2001* (Cth) (**Corporations Act**) requires Shareholders to vote on an advisory resolution that the remuneration report (**Remuneration Report**) be adopted.

The Remuneration Report details the remuneration policies for Praemium Limited and each of its subsidiaries and reports the remuneration arrangements for Directors and Key Management Personnel (identified for the purposes of the Accounting Standards). The Remuneration Report is included in the Company's 2024 Annual Report.

The Remuneration Report includes "details of short-term incentive bonuses awarded as remuneration to each Key Management Personnel..." It should be noted that the amount included under this category for 2024 in the Remuneration Report relates to performance in FY2023, with the amount being paid in FY2024. Based on two key measures of the Company's performance in FY2024, namely revenue growth and EBITDA, performance hurdles for the payment of short-term incentive bonuses were not met and 100% of the available bonus for each Key Management Personnel in FY2024 was forfeited. This will be reflected in the FY2025 Remuneration Report.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company. The Board will however, consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Under the Corporations Act, if holders of 25% or more of Shares present and eligible to vote at the Meeting vote against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to

vote at the second of those AGMs on a further resolution (**Spill Resolution**) that another meeting be held within 90 days, at which meeting, all of the Company's Directors (other than any Managing Director) must go up for re-election.

Shareholders will recall that at the 2023 AGM, holders of more than 75% of the Shares present and eligible to vote approved the 'Remuneration Report Resolution' and therefore, there will be no requirement for a Spill Resolution at this AGM.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or make comments on the Remuneration Report.

Special voting restrictions apply in relation to this Resolution (see Other Information below).

Recommendation

The Directors make no recommendation to Shareholders on Resolution 1 given their personal interest in their own remuneration.

Resolution 2 – Re-election of Director – Stuart Robertson

Stuart Robertson was appointed to the Board as the Non-Executive director in May 2017.

Stuart has broad experience in business advisory, investment banking, wrap platforms, alternative investments and funds management. He held senior roles at BT Funds Management, KBC Investments Limited and Zurich Financial Services in Australia, London and New York and is currently a Director at Ellerston Capital Limited.

Stuart is the non-executive chairman of Solvar Ltd, formerly Money3 Corporation Limited. He has held this role since November 2018 and been a director since January 2016.

Stuart chairs the Group's Audit, Risk & Compliance Committee and is a member of the Group's Remuneration & Nomination Committee. Stuart is a Chartered Accountant, Fellow of FINSIA, Member of the Australian Institute of Company Directors and holds an MBA from the MGSM.

Having regard to the ASX Corporate Governance published guidelines (4th edition), the Board is not aware of any interest, position or relationship that might influence, or might reasonably be perceived to influence, Mr Robertson's capacity to bring independent judgement to bear on issues before the Board or otherwise act in the best interests of the Company as a whole and considers that Mr Robertson is an independent Director.

Recommendation

The Directors, with Mr Robertson abstaining given his personal interest in the outcome of Resolution 2, recommend that Shareholders vote in **FAVOUR** of Resolution 2.

Resolution 3 – Re-election of Director – Claire Willette

Claire Willette was appointed to the Board as the Non-Executive director in November 2021.

Her career has spanned national security, emerging technologies and critical infrastructure sectors, with a focus on developing governance frameworks, supply chain planning, risk management and performance/program management. Claire brings a wealth of experience as a senior executive in the United States Department of Defense, the Australian Department of Defence and in the private sector, most recently with Boeing. Claire has managed a wide variety of projects both in scale and complexity, including whole-of-government initiatives and national projects.

Claire is an Associate of, and sat on the Board of Directors for, the Australian Risk Policy Institute and is a Senior Expert Advisor to the International Standards Committee in the areas of Risk, Resilience and Business Continuity.

Claire is a member of the Group's Audit, Risk & Compliance Committee and Remuneration & Nomination Committee. She has a BA from George Mason University (US) and a Masters of International Relations from Cambridge University (UK).

Having regard to the ASX Corporate Governance published guidelines (4th edition), the Board is not aware of any interest, position or relationship that might influence, or might reasonably be perceived to influence, Claire's capacity to bring independent judgement to bear on issues before the Board or otherwise act in the best interests of the Company as a whole and considers that Ms Willette is an independent Director.

Recommendation

The Directors, with Ms Willette abstaining given her personal interest in the outcome of Resolution 3, recommend that Shareholders vote in **FAVOUR** of Resolution 3.

Resolution 4 – Issue of performance rights to Chief Executive Officer (Mr Anthony Wamsteker)

Background

The Praemium Directors and Employee Benefits Plan (**Plan**), is designed to attract, motivate, and retain key executives and employees and to align the interests of those executives and employees with the interests of Shareholders by matching rewards with the performance of the Company. The Plan was last approved at the Company's 2023 annual general meeting.

Under the Plan, eligible participants are invited to receive performance rights or other securities in the Company which are generally subject to performance-based vesting conditions. The number of performance rights allocated to each participant is set by the Board based on individual circumstances and performance.

The Board is responsible for administering the Plan in accordance with the Praemium Directors and Employee Benefits Plan Rules (**Plan Rules**) and the terms and conditions of the specific grants to participants in the Plan. The operation of the Plan is subject to compliance with the Listing Rules, Corporations Act and other applicable laws.

The Company is proposing to issue a maximum of 2,000,000 performance rights to Mr Wamsteker.

Each performance right will entitle Mr Wamsteker, or his nominee, to receive, upon vesting and exercise, one fully paid ordinary share in the Company at no cost, subject to satisfaction of the applicable conditions and performance hurdles (or waiver of such conditions and performance hurdles at the discretion of the Board).

The Board believes that part of Mr Wamsteker's remuneration should be performance-based and at risk and should involve equity interests in the Company. This approach is consistent with best practice in executive remuneration and corporate governance. In addition, the Company has chosen to issue Performance Rights to Mr Wamsteker for the following reasons:

- to focus on the long-term outcomes required by the Board;
- to align the rewards of Mr Wamsteker with Shareholders' interests by payment in equity; and
- provide an incentive to satisfy performance hurdles over a period which are measured on Shareholder value and provide a counterbalance for any tendency to focus on short term outcomes.

Shareholder approval

Shareholder approval for the issue of the Performance Rights to Mr Wamsteker is sought for all purposes under the Corporations Act and the Listing Rules, including in particular, sections 200B and 200E of the Corporations Act and Listing Rule 10.14.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by Shareholders in accordance with section 200E or an exemption applies. Section 200B of the Corporations Act applies to managerial or executive officers of the Company or any of its subsidiaries, which includes Mr Wamsteker. The term 'benefit' has a wide operation and, in effect, includes the automatic or accelerated vesting of the Performance Rights under the rules of the Plan Rules.

It is proposed, therefore, that this resolution will also approve, under section 200E of the Corporations Act, any 'termination benefit' that may be provided to Mr Wamsteker under the Plan Rules in relation to the performance rights to be granted to him, in addition to any other termination benefits that may be provided to Mr Wamsteker under the Corporations Act. The termination benefit that may be given under the Plan Rules is the early vesting of the performance rights (and the receipt of Shares upon exercise of the performance rights) if Mr Wamsteker ceases employment with the Company due to death, disability, bona fide redundancy or other reason with the approval of the Board.

The value of such benefits cannot presently be ascertained but matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- the number of performance rights held by Mr Wamsteker prior to cessation of employment;

- the number of performance rights that vest (which could be all of the performance rights held by Mr Wamsteker). The Board's decision as to the number of performance rights that vest will depend on, among other things, the circumstances of Mr Wamsteker's cessation of employment (for example, whether due to death, disability, redundancy or other reasons approved by the Board), the Board's assessment of Mr Wamsteker's performance in the period up to cessation of employment, the degree to which the performance conditions have been met at the relevant time, and the duration of Mr Wamsteker's employment; and
- the market price of Shares on ASX at the time the performance rights vest.

The number of performance rights that could vest upon Mr Wamsteker ceasing employment, where the Board determines to permit performance rights to vest, will not exceed the maximum number of performance rights held by Mr Wamsteker.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);
- an associate of a director of the company (Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 to Listing Rule 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders, unless it obtains the approval of its shareholders.

The proposed issue of the performance rights falls within Listing Rule 10.14.1 (as Mr Wamsteker is a Director) and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

If approval from Shareholders is obtained in accordance with Listing Rule 10.14, the Company will be able to issue the performance rights within three years after the date of the Meeting.

If Resolution 4 is not passed by Shareholders, then the performance rights will not be issued and the Board would consider alternate long-term incentive remuneration arrangements for the CEO which may include a cash award and may be subject to the same terms and vesting conditions as for the performance rights.

Further, if Resolution 4 is approved for the purposes of Listing Rule 10.14, pursuant to Listing Rule 7.2 (Exception 14) a grant of performance rights or an issue of Shares (upon the vesting and exercise of those performance rights) will not reduce the Company's 15% placement capacity under Listing Rule 7.1 and separate approval of Resolutions 4 is not required under Listing Rule 7.1. In addition, approval under Listing Rule 10.14 is an exception to the prohibition on a company issuing shares to related parties without member approval under Listing Rule 10.11.

Resolution 4 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

Information required by Listing rule 10.15

The performance rights will be granted to Mr Wamsteker, the Company's CEO. No other Directors are entitled to participate in the issue of securities under this approval.

Remuneration details

Mr Wamsteker receives fixed remuneration and variable remuneration via short-term and long-term incentive arrangements. The details of Mr Wamsteker's current remuneration package is set out below.

Base Salary	\$700,000 (inclusive of superannuation).
Short-Term Incentive	Mr Wamsteker is entitled to receive an STI equal to up to 50% of his base salary, subject to satisfying prescribed milestones. The final milestones have not yet been set.
Long-Term Incentive	Up to 2 million performance rights (as proposed by this Resolution 4 and assuming this Resolution 4 is passed)

Further information regarding Mr Wamsteker's total remuneration package is set out in the Remuneration Report.

Mr Wamsteker has previously been granted 1,200,000 performance rights under the Plan. These performance rights have since lapsed as the relevant performance conditions were not satisfied.

Key terms of grant

The performance rights are issued on the terms set out in this Explanatory Statement and on the terms as summarised in Annexure A.

The key terms of the grant of the performance rights proposed to be made to Mr Wamsteker under the Plan are set out below.

Table 1

A full copy of the Plan Rules is available upon request from the Company Secretary.

Instrument	Quantum	Performance Period	Vesting Date (subject to achievement or waiver of Performance Conditions)
Performance Rights (LTI)	Up to 2 million	1 October 2024 – 30 September 2027	30 September 2027

Maximum number of performance rights

The maximum number of performance rights that may be acquired by Mr Wamsteker if shareholder approval is provided at the Meeting is set out in Table 1 above. There are no performance rights currently on issue to Mr Wamsteker.

The Company has had the performance rights valued independently by SLM Corporate, who have advised that the performance rights have an estimated fair value of \$857,435. SLM Corporate used the Geometric Brownian Motion model and Monte Carlo Simulation to determine the fair value of the performance rights. Key inputs, but not limited to, are summarised below:

- share price of \$0.585;
- risk-free rate of 3.538%;
- volatility factor of 60.15%; and
- vesting period of 3 years.

The actual value that Mr Wamsteker will receive from this grant cannot be determined until the end of the measurement period above and will depend on the extent to which the performance conditions are achieved, and the Company's share price at the time of vesting.

The grant value was set by the Board having regard to Mr Wamsteker's overall remuneration package, the nature of his position, the purpose of the LTI component in the Company's remuneration strategy and the director's assessment regarding current market practice.

The performance rights will be accounted for using the principles set out in the Australian Accounting Standards Board AASB 2, Share-Based Payment.

Date of Grant

If Shareholder approval is obtained, the performance rights will be granted and issued as soon as practicable following the Meeting and in any event within 3 years after the date of the Meeting.

Price of performance rights

The performance rights will be issued at no cost to Mr Wamsteker. Once the performance conditions are met (or waived) and if the performance rights vest there will be no exercise price payable upon the exercise/conversion of the performance rights into Shares.

No loan will be provided by the Company in relation to the grant of the relevant performance rights (including the Shares issued on the vesting and exercise of those performance rights) to Mr Wamsteker.

Performance /vesting hurdles relating to the performance rights

The number of performance rights that will vest will be determined by the Company's Total Shareholder Return (TSR) as compared with the TSR for each entity in the S&P ASX 300 index as at the grant date. TSR is

measured by the change in share price plus dividends paid over the performance period. The measurement of TSR and comparison to entities in the S&P ASX 300 will be conducted by an independent expert.

At the end of the relevant measurement period, the TSR performance condition will be measured to determine the proposed number of performance rights that will vest. Vesting conditions may also be waived at the discretion of the Board.

The link between achievement of the performance conditions set by the Board and the percentage of the performance rights which vest pursuant to the relevant performance condition during the measurement period is represented in the following table:

Performance against the relevant condition(s)	Quantum of performance rights subject to performance conditions that vest (%)
The Company's TSR performance relative to entities in the S&P ASX 300 is at or below the 50 th percentile at the end of the 3-year LTI cycle, that being 30 September 2027	NIL
The Company's TSR performance relative to entities in the S&P ASX 300 is between the 50 th percentile and 75 th percentile at the end of the 3-year LTI cycle, that being 30 September 2027	50% plus progressive vesting on a straight-line basis, such that an additional 2% of LTI awards vest for every 1% ranking increase from the 50 th percentile
The Company's TSR performance relative to entities in the S&P ASX 300 is at or above the 75 th percentile at the end of the 3-year LTI cycle, that being 30 September 2027	100%

Vesting of performance rights is also subject to Mr Wamsteker remaining employed by the Company or not having resigned on the relevant vesting date.

Change of control

In the event of a change of control of the Company, subject to the ASX Listing Rules, all unvested performance rights to be issued to Mr Wamsteker will automatically vest, and all vested but unexercised performance rights to be issued to Mr Wamsteker (including any of such performance rights that have automatically vested as aforementioned) must be exercised at such time determined by the Board or they will lapse.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. For the purposes of Chapter 2E, Mr Wamsteker, being a Director, is a "related party" of the Company and the grant of the performance rights (including any Shares issued on the vesting and exercise of those performance rights) will constitute the giving of "financial benefits".

The Board (other than Mr Wamsteker) considers that the grant of the performance rights (including the allocation of Shares on the vesting and exercise of those performance rights) to Mr Wamsteker is an appropriate and reasonable component of his remuneration, and that the financial benefit represented by the grant of the performance rights (including the allocation of Shares on the vesting and exercise of those performance rights) falls within the "reasonable remuneration" exception in section 211 of the Corporations Act. For this reason, the Company is not seeking Shareholder approval of Resolution 4 for the purposes of Chapter 2E of the Corporations Act.

Other information

Details of any securities (being, performance rights and Shares upon the vesting and exercise of performance rights) issued under the Plan will be published in each annual report relating to a period in which the securities have been issued, along with a statement that approval for the issue of those securities was obtained under Listing Rule 10.14.

Any additional persons who become entitled to participate in the Plan after Resolution 4 is approved and who were not named in this Notice, will not participate until Shareholder approval is obtained under Listing Rule 10.14.

Recommendation

The Directors, with Mr Wamsteker abstaining given his personal interest in the outcome of Resolution 4, recommend that Shareholders vote in **FAVOUR** of Resolution 4.

Other information

Entitlement to attend and vote

In accordance with Reg 7.11.37 of the *Corporations Regulations 2001 (Cth)*, the Board has determined that persons who are registered holders of Shares in the Company as at 7:00pm (AEDT) on Monday, 18 November 2024 will be entitled to attend and vote at the AGM.

If more than one joint holder of Shares is present at the AGM (whether personally, by proxy, or by attorney, or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register of Shareholders will be counted.

Voting restrictions

Special voting restrictions in relation to Resolution 1

- (b) the Restricted Voter is the Chairperson of the Meeting and the appointment of the Chairperson of the Meeting as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chairperson to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; or
- (c) the Restricted Voter is acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided that:
 - i. the beneficiary provides written confirmation to the Restricted Voter that they are not excluded from voting and are not an Associate of a person excluded from voting, on the resolution; and

The Chairperson intends to vote all available proxies in favour of Resolution 1.

Special voting restrictions in relation to Resolution 4

- i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Resolution 4; and
- ii. the holder votes on Resolution 4 in accordance with the directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition Statement:

A person appointed as a proxy must not vote on the basis of that appointment, on Resolution 4 if:

- (a) the proxy is either:
 - i. a member of the Key Management Personnel; or

- (b) the appointment does not specify the way the proxy is to vote on Resolution 4.

Accordingly, if you have appointed the Chairperson (either directly or by default) as your proxy and you have not directed him how to vote, you are authorising the Chairperson to exercise the proxy in respect of Resolution 4 notwithstanding that the Chairperson or KMP may benefit.

The Chairperson intends to vote all available proxies in favour of Resolution 4.

- appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the AGM.

If satisfactory evidence of appointment as corporate representative is not received before the meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

If a Shareholder is entitled to cast two or more votes the Shareholder may appoint two proxies and may specify the percentage of votes each proxy is appointed to exercise. If the proxy appointments do not specify the proportion of the member's voting rights that each proxy may exercise, each proxy may exercise half of the member's votes.

If you appoint someone other than the Chairperson of the Meeting as your proxy and give them voting instructions, the Corporations Act provides that the Chairperson of the Meeting must cast those proxy votes on your behalf if your nominated proxy does not do so.

A proxy need not be a Shareholder.

The Proxy Form (and, if the appointment is signed by the appointer's attorney, the authority under which it was signed or a certified copy of the authority) must be received by the Company's Share Registry, Link Market Services, by 11:00am (AEDT) on Monday, 18 November 2024.

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote by marking either "For" "Against" or "Abstain" for that item of business. If you sign the enclosed Proxy Form and do not mark Box A or Box B, you will have appointed the Chairperson of the Meeting as your proxy.

However, as noted in the Explanatory Statement, the treatment of the performance rights proposed to be issued to Mr Wamsteker have its own prescribed terms on the occurrence of a 'Change of Control Event'.
Administration	The Plan is administered by the Board. The Board may make regulations and determine procedures to administer and implement the Plan and may also terminate or suspend the operation of the Plan at its discretion.
Amendment	The Board may at any time amend the rules governing the operation of the Plan or waive or modify the application of the rules in relation to any participant.
Termination	The Plan may be terminated or suspended at any time by a resolution of the Board, provided the termination or suspension does not materially adversely affect the rights of persons holding Shares or options issued under the plan at that time.
