2.1 Proxies

A Proxy Form is attached to this Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person (subject to the voting exclusions detailed in this Notice). In order to cast a vote, Shareholders will need to either attend the Meeting in person or have submitted a valid proxy by the due date. There will be no online voting at the Meeting.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. Where the proportion or number is not specified, each proxy may exercise half of the votes.

If a Shareholder appoints a body corporate as its proxy, and the body corporate wishes to appoint an individual as its representative, the body corporate should provide that person with a certificate or letter executed in accordance with the Corporations Act authorising him or her to act as that body corporate's representative. The authority may be sent to the Company or its share registry in advance of the Meeting or handed in at the Meeting when registering as a corporate representative.

Proxy Forms must be received by the Company no later than 4:00pm (AWST) on Sunday, 24 November 2024, being at least 48 hours before the Meeting. Proxy Forms received later than this time will be invalid.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Voting Prohibition by Proxy holders (Remuneration of Key Management Personnel)

A vote on Resolutions 1, 8 to 13 (inclusive) and 15 must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel (details of whose remuneration are included in the Remuneration Report); or
- (b) a Closely Related Party of such member.

However, a person described above may cast a vote on Resolutions 1, 8 to 13 (inclusive) and 15 as a proxy if the vote is not cast on behalf of a person described in subparagraphs (a) or (b) above and either:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on Resolutions 1, 8 to 13 (inclusive) and 15; or
- (b) the person is the Chairperson and the appointment of the Chairperson as proxy does not specify the way the proxy is to vote on Resolutions 1, 8 to 13 (inclusive) and 15, but expressly authorises the Chairperson to exercise the proxy even if Resolutions 1, 8 to 13 (inclusive) and 15 are connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

4 Resolution 1 – Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Remuneration Report is detailed on pages 31 to 45 of the Annual Report and is available on the Company's website at <https://auraenergy.com.au/>.

The Remuneration Report sets out the remuneration policy for the Company and the remuneration arrangements in place for Directors and other members of Key Management Personnel.

The Board is committed to an appropriately structured remuneration framework, underpinned by guiding remuneration principles, focused on driving a performance culture over the short, medium and long term to deliver satisfactory returns to Shareholders.

The Remuneration Report:

- (a) sets out the components of executive and non-executive Director's remuneration, including any associated performance conditions (if any);
- (b) defines the Company's remuneration objectives and structure for fixed and variable short and long term remuneration frameworks; and
- (c) confirms the remuneration of the Directors and other members of Key Management Personnel for the year ended 30 June 2024.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors or the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Shareholders will have the opportunity to remove the whole Board except the Managing Director (if applicable) if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company received its 'first Strike' against its 2023 remuneration report at the 2023 annual general meeting. The Board and the Remuneration and Nomination Committee have reviewed the

Company's remuneration framework and, have taken the following actions in response to the first Strike:

- (a) the Company did not issue any further Options or Loan Funded Shares during the 2024 financial year;
- (b) the Board engaged with independent remuneration consultant, Gallagher International - Reward Consulting (**Gallagher**), to provide improvements to the Company's long term incentive program to better align key value creators with shareholders' interests whilst also meeting the market-based expectations of executives; and
- (c) the Board will also continue to ensure that future incentives and remuneration policy frameworks are in accordance with the Corporate Governance Principles.

Shareholders should note that whilst the vote on Resolution 1 is advisory only, if 25% or more of the votes cast on Resolution 1 are against adopting the Remuneration Report, a vote on Resolution 15 (Spill Resolution) will be required to be put to the Meeting.

The operation and consequences of a Spill Resolution are set out in Section 14.

Please note if the Remuneration Report receives a Strike at this Meeting, then this may result in the re-election of all Directors (other than the Managing Director) if Resolution 15 is passed.

The Chairperson will allow reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report.

Resolution 1 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 1.

If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though Resolution 1 is connected directly or indirectly with the remuneration of members of the Key Management Personnel, which includes the Chairperson.

The Board abstains, in the interests of good corporate governance, from making a recommendation in relation to Resolution 1.

The Board has considered Mr Mitchell's independence and considers that he is an independent Director.

If Resolution 2 is passed, Mr Mitchell will be re-elected and will continue to act as a Director.

If Resolution 2 is not passed, Mr Mitchell will not be re-elected and will cease to act as a Director.

Resolution 2 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 2.

5.2 **Board Recommendation**

Based on Mr Philip Mitchell's skills and significant experience, the Board (excluding Mr Mitchell) supports the re-election of Mr Mitchell and recommends that Shareholders vote in favour of Resolution 2.

7 Resolution 4 – Ratify prior issue of Offtake Restructure Shares to refresh 15% Placement Capacity

7.1 General

As announced on 15 August 2024, the Company (via its 85% owned subsidiary, Tiris Ressources SA) completed the restructure of the uranium offtake agreement with Curzon Uranium Limited (**Curzon**) pursuant to a final restructure agreement and new offtake agreement (**Restructured Offtake Agreement**). The Restructured Offtake Agreement restructures the historical uranium offtake agreement announced on 29 January 2019 in relation to the Company's Tiris Project and is on the same terms as those previously announced on 9 May and 16 April 2024.

Refer to the Company's announcements dated 29 January 2024, 9 May, 16 April and 15 August 2024 for further details.

In accordance with the terms of the Restructured Offtake Agreement, Curzon agrees to purchase, take and pay for, or pay for if not taken, the product produced from the ore mined at the Tiris Project. The Restructured Offtake Agreement provides for a fixed volume of 300,000lbs per annum of uranium concentrate to be delivered over seven years, totalling 2.1Mlbs U₃O₈.

The pricing terms are subject to when the Company makes a final investment decision (**FID**) on the Tiris Project. 150,000lbs of the annual volume will be priced based on the prevailing uranium spot price at time of delivery (**Market Price**) less a discount, and 150,000lbs of the annual volume will be priced on a fixed basis (**Fixed Price**) to be determined as follows:

- (a) **Case A:** FID made on or before 31 March 2025 – Curzon may nominate year 1 as being 2026 or 2027 and will pay an average Fixed Price of US\$74.75/lb U₃O₈, Market Price subject to a 4% discount;
- (b) **Case B:** FID made after 31 March 2025 but on or before 30 September 2025 – Curzon may nominate year 1 as being any of 2027, 2028 or 2029 and will pay an average Fixed Price of US\$72.25/lb U₃O₈, Market Price subject to a 4% discount;
- (c) **Case C:** FID made after 30 September 2025 but on or before 15 August 2030 – Curzon may nominate year 1 as being any of 2028, 2029, 2030, 2031, 2032 or 2033 and will pay an average Fixed Price of US\$65.25/lb U₃O₈, with a further US\$1.25/lb U₃O₈ decline in Fixed Price for each year of delay in the FID post 2025, Market Price subject to a 5% discount; and
- (d) **Case D:** FID made after 15 August 2030; year 1 will be the 12-month period commencing on the production start date and Curzon will be paid a 1% royalty on net revenues up to total value of US\$30 million.

In consideration for Curzon agreeing to the restructure of the offtake arrangements, the Company agreed to provide Curzon a restructuring fee of approximately US\$3.5 million, payable in cash or Shares. Curzon elected to receive the fee in Shares. Accordingly, the Company issued 29,914,530

Shares to Curzon at an issue price of A\$0.18 per Share, in satisfaction of the restructuring fee for the Restructured Offtake Agreement (**Offtake Restructure Shares**).

The Offtake Restructure Shares issued to Curzon are subject to a voluntary escrow period ending on the date that Tiris Ressources SA commences commercial operations at the Tiris Project. The escrow restrictions are subject to certain release events occurring (including (without limitation) a takeover, scheme of arrangement and in accordance with applicable law) and are otherwise on terms considered standard for an agreement of this nature.

The Company issued the 29,914,530 Offtake Restructure Shares to Curzon on Friday, 16 August 2024 without Shareholder approval pursuant to the Company's 15% Placement Capacity under Listing Rule 7.1.

Refer to the Company's ASX announcements dated 15 and 19 August 2024 for further details.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 (and for all other purposes) of the issue of the 29,914,530 Offtake Restructure Shares (issued under the Company's 15% Placement Capacity under Listing Rule 7.1).

Resolution 4 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 4.

7.2 **Listing Rules 7.1 and 7.4**

Listing Rule 7.1 provides that the Company is entitled to issue or agree to issue Equity Securities up to 15% of its issued share capital through placements during any 12-month period, subject to specific restrictions, without needing prior Shareholder approval (**15% Placement Capacity**).

Listing Rule 7.4 provides that if the Company in general meeting ratifies the previous issue of Equity Securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those Equity Securities will be deemed to have been made with Shareholder approval for the purpose of Listing Rule 7.1.

The issue of the Offtake Restructure Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% Placement Capacity, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date the Offtake Restructure Shares were issued.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 4 seeks Shareholder ratification for the Offtake Restructure Shares under and for the purposes of Listing Rule 7.4 (and for all other purposes).

If Resolution 4 is passed, the Investor Shares will be excluded in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date the Offtake Restructure Shares were issued.

If Resolution 4 is not passed, the Offtake Restructure Shares will be included in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date the Offtake Restructure Shares were issued.

7.3 **Specific information required by Listing Rule 7.5**

The following information in relation to Resolution 4 is provided to Shareholders for the purposes of Listing Rule 7.5:

- (a) The Offtake Restructure Shares were issued to Curzon (and/or its nominee(s)).
- (b) 29,914,530 Offtake Restructure Shares were issued pursuant to Listing Rule 7.1, ratification of which is sought pursuant to Resolution 4.

- (c) The Offtake Restructure Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Offtake Restructure Shares were issued on Friday, 16 August 2024.
- (e) The Offtake Restructure Shares issued for nil cash consideration. The Offtake Restructure Shares were issued to Curzon in satisfaction of the Company's obligation to pay Curzon the restructuring fee of US\$3.5 million (in lieu of a cash settlement) for the Restructured Offtake Agreement. Accordingly, no funds were raised from the issue of the Offtake Restructure Shares.
- (f) The Offtake Restructure Shares were issued (in lieu of cash) as consideration for Curzon entering into the Restructured Offtake Agreement. A summary of the material terms of the Restructured Offtake Agreement are detailed in Section 7.1. In connection with the issue of the Offtake Restructure Shares, the Company also entered into the escrow arrangement with Curzon described in Section 7.1.
- (g) A voting exclusion statement is included in this Notice for Resolution 4.

7.4 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 4.

8 Resolutions 5 and 6 – Ratify prior issue of Placement Securities to refresh 15% Placement Capacity

8.1 General

As detailed in Section 7.1, the Company (via Tiris Ressources SA) and Curzon entered into the Restructured Offtake Agreement replacing the prior contractual arrangements in relation to the offtake arrangements for the product mined at the Tiris Project. Refer to Section 7.1 for further details of the Restructured Offtake Agreement.

In connection with the Restructured Offtake Agreement, the Company agreed to undertake a private placement to Curzon to raise approximately US\$3.5 million (A\$5.4 million), pursuant to which the Company issued to Curzon (and/or its nominee(s)):

- (a) 29,914,530 Shares at an issue price of A\$0.18 per Share (**Curzon Placement Shares**); and
- (b) 5,982,906 unlisted Options, exercisable at A\$0.20 per Option and expiring on 1 September 2025 (**Curzon Placement Options**),

(together, the **Curzon Placement Securities**).

50% of the Curzon Placement Shares (being, 14,957,265 Curzon Placement Shares) issued to Curzon (and/or its nominee(s)) are subject to a voluntary escrow period ending on the earlier of the date that the Company announces a Board approved FID in respect of the Tiris Project and 30 June 2025. The escrow restrictions are subject to certain release events occurring (including (without limitation) a takeover, scheme of arrangement and in accordance with applicable laws) and are otherwise on terms considered standard for an agreement of this nature.

The terms and conditions of the Curzon Placement Options are detailed in Schedule 2.

The Company issued the 29,914,530 Curzon Placement Shares to Curzon (and/or its nominee(s)) on Friday, 16 August 2024 without Shareholder approval pursuant to the Company's 15% Placement Capacity under Listing Rule 7.1.

The Company issued the 5,982,906 Curzon Placement Options to Curzon (and/or its nominee(s)) on Thursday, 15 August 2024 without Shareholder approval pursuant to the Company's 15% Placement Capacity under Listing Rule 7.1.

Refer to the Company's ASX announcements dated 15 and 19 August 2024 for further details.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 (and for all other purposes) of the issue of the 29,914,530 Curzon Placement Shares (issued under the Company's 15% Placement Capacity under Listing Rule 7.1).

Resolution 6 seeks Shareholder ratification pursuant to Listing Rule 7.4 (and for all other purposes) of the issue of the 5,982,906 Curzon Placement Options (issued under the Company's 15% Placement Capacity under Listing Rule 7.1).

Resolutions 5 and 6 are ordinary resolutions.

The Chairperson intends to exercise all available undirected proxies in favour of Resolutions 5 and 6.

8.2 **Listing Rules 7.1 and 7.4**

A summary of Listing Rule 7.1 is provided in Section 7.2.

The issue of the Curzon Placement Securities does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% Placement Capacity, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the relevant date the Curzon Placement Securities were issued.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolutions 5 and 6 seek Shareholder ratification for the Curzon Placement Securities under and for the purposes of Listing Rule 7.4 (and for all other purposes).

If Resolution 5 or 6 is passed, the Curzon Placement Securities (and Shares issued on exercise of the Curzon Placement Options) will be excluded in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the relevant date the Curzon Placement Securities were issued.

If Resolution 5 or 6 is not passed, the Curzon Placement Securities (and Shares issued on exercise of the Curzon Placement Options) will be included in calculating the Company's 15% Placement Capacity in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the relevant date the Curzon Placement Securities were issued.

8.3 **Specific information required by Listing Rule 7.5**

The following information in relation to Resolutions 5 and 6 is provided to Shareholders for the purposes of Listing Rule 7.5:

- (a) The Curzon Placement Securities were issued to Curzon (and/or its nominee(s)).
- (b) The Curzon Placement Securities comprised the issues of:
 - (i) 29,914,530 Curzon Placement Shares issued pursuant to Listing Rule 7.1, ratification of which is sought pursuant to Resolution 5; and
 - (ii) 5,982,906 Curzon Placement Options issued pursuant to Listing Rule 7.1, ratification of which is sought pursuant to Resolution 6.
- (c) The Curzon Placement Shares were issued at a deemed issue price of A\$0.18 per Share. The Curzon Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Curzon Placement Options have an exercise price of A\$0.20 each and expire on 1 September 2025. The terms and conditions of the Curzon Placement Options are detailed in Schedule 2. The Shares to be issued on exercise of the Curzon Placement Options will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue.

- (e) The Curzon Placement Shares were issued on Friday, 16 August 2024. The Curzon Placement Options were issued on Thursday, 15 August 2024.
- (f) The Curzon Placement Shares were issued in consideration for an issue price of \$0.18 per Share, raising a total of \$5,384,615.40 (before costs). The Curzon Placement Options were issued for nil cash consideration, as they are free attaching Options issued to Curzon in connection with the private placement.
- (g) Funds raised from the issue of Curzon Placement Shares were, or will be used towards funding the Tiris Project through to the Company announcing a FID on or before Q1 2025. No funds were raised from the issue of the Curzon Placement Options, as they are free attaching Options issued to Curzon in connection with the private placement. In connection with the issue of the Curzon Placement Shares, the Company also entered into the escrow arrangement with Curzon described in Section 8.1.
- (h) A voting exclusion statement is included in this Notice for Resolutions 5 and 6.

8.4 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolutions 5 and 6.

9 Resolution 7 – Approval of 10% Placement Facility

9.1 General

A summary of Listing Rule 7.1 is provided in Section 7.2.

In addition to the 15% Placement Capacity in Listing Rule 7.1, Listing Rule 7.1A enables an Eligible Entity (as defined below) to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% Placement Capacity under Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a market capitalisation equal to or less than \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$130.27 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 10 October 2024). If on the date of the Meeting, the Company's market capitalisation exceeds \$300,000,000 or the Company has been included in the S&P/ASX 300 Index, then Resolution 7 will no longer be effective and must be withdrawn.

The Company is seeking Shareholder approval to have the ability to issue Equity Securities under the 10% Placement Facility. The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c)).

If Resolution 7 is passed, the Company will be able to issue Equity Securities under Listing Rule 7.1A up to 10% of its issued share capital over a 12-month period after the annual general meeting, in addition to the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 7 is not passed, the Company will not be able to access the 10% Placement Facility to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval under Listing Rule 7.1.

Resolution 7 is a special resolution and therefore requires approval of at least 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 7.

9.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

(b) Equity Securities

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of this Notice, has on issue two quoted classes of Equity Securities, being Shares and listed Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (refer to Section 9.2(f)), a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue at the commencement of the relevant period:

- (A) plus the number of Shares issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (B) plus the number of Shares issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (I) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (II) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- (C) plus the number of Shares issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (I) the agreement was entered into before the commencement of the relevant period; or
 - (II) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or 7.4;
- (D) plus the number of any other Shares issued in the relevant period with approval under Listing Rule 7.1 or 7.4;
- (E) plus the number of partly paid ordinary shares that became fully paid in the relevant period;
- (F) less the number of Shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% Placement Capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% Placement Capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 848,462,427 Shares (including 22,000,000 Loan Funded Shares) and, subject to Resolutions 4, 5 and 6 (inclusive) being approved by Shareholders, therefore has a capacity to issue:

- (i) 125,725,406 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being obtained under Resolution 7, 84,846,243 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c)).

(e) **Minimum Issue Price**

The issue price of Equity Securities to be issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (ii) if the securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the entity's next annual general meeting; or
- (iii) the time and date of the approval by holders of the Eligible Entity's ordinary securities of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the **10% Placement Period**).

9.3 **Effect of Resolution**

The effect of Resolution 7 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A, during the 10% Placement Period without using the Company's 15% Placement Capacity under Listing Rule 7.1.

9.4 **Specific information required by Listing Rule 7.3A**

In accordance with Listing Rule 7.3A, information is provided as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of listed Options, only if the listed Options are exercised). There is a risk that:
- (i) the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,
- which may have an effect on the amount of funds raised by the issue of the Equity Securities.
- (c) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A(2) as at 10 October 2024.
- (d) The table also shows:
- (i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
 - (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.075 50% decrease in Issue Price	\$0.15 Issue Price	\$0.3 100% increase in Issue Price
Current Variable A 848,462,427 Shares	10% Voting Dilution	84,846,243	84,846,243	84,846,243
	Funds raised	\$6,363,468	\$12,726,936	\$25,453,873
50% increase in current Variable A 1,272,693,641 Shares	10% Voting Dilution	127,269,364	127,269,364	127,269,364
	Funds raised	\$9,545,202	\$19,090,405	\$38,180,809
100% increase in current Variable A 1,696,924,854 Shares	10% Voting Dilution	169,692,485	169,692,485	169,692,485
	Funds raised	\$12,726,936	\$25,453,873	\$50,907,746

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement Capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - (vii) The issue price is \$0.15, being the closing price of the Shares on ASX on 10 October 2024.
- (e) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
 - (f) The Company may seek to issue the Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such an acquisition), continued exploration, feasibility study expenditure on the Company's current assets, development capital and/or general working capital.
 - (g) The Company will comply with the disclosure obligations under Listing Rules 3.10.3 and 7.1A(4) upon the issue of any Equity Securities.
 - (h) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to the factors, including but not limited to, the following:
 - (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
 - (i) No potential subscribers under the 10% Placement Facility have been determined as at the date of this Notice but, may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.
 - (j) In the 12 months preceding the date of the Meeting, the Company has issued a total of 62,347,868 Equity Securities under Listing Rule 7.1A.2 which represents approximately 7.35% of the total number of Equity Securities on issue at 10 October 2024. Details of each issue of Equity Securities by the Company during the 12 months preceding the date of the Meeting under Listing Rule 7.1A.2 are set out below:

Date of issue	Issued to, or basis of issue	Equity Securities issued	Issue price per Equity Security	Discount of issue price to closing	Total cash consideration, amount of case
----------------------	-------------------------------------	---------------------------------	--	---	---

				market price on date of agreement	spend and use of funds, or intended use of funds for remaining cash
25 March 2024	Professional and sophisticated investors, identified by Bell Potter Securities Ltd and Petra Capital Pty Ltd (joint lead managers).	62,347,868 Shares	A\$0.18 per Share	18.2% discount to the last closing price of \$0.22 per Share on 14 March 2024.	A\$11,402,616 (before costs) which have been, or will be, used to progress pre-development activities at the Tiris Project, support development of the Häggån Project and provide additional working capital.

- (k) The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2023 annual general meeting.
- (l) A voting exclusion statement is included in this Notice for Resolution 7.
- (m) At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.

9.5 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 7.

10 Resolution 8 – Issue of Sign-On Options to Mr Andrew Grove

10.1 General

On 30 January 2024, the Company announced that it had entered into an executive employment agreement with Mr Andrew Grove in respect of his engagement as Managing Director and Chief Executive Officer, commencing 30 January 2024 (**Executive Agreement**). Refer to the Company's ASX announcement dated 30 January 2024 for further details.

In connection with the appointment of Mr Grove and supported by the advice of independent remuneration consultant, Gallagher, the Company has agreed, subject to obtaining Shareholder approval, to grant 1,500,000 zero priced incentive Options (**Sign-On Options**) to Mr Grove (and/or his nominee(s)).

Arthur J. Gallagher & Co. known as "Gallagher" is one of the leading insurance brokerage, risk management, and human capital consultant companies in the world. Gallagher employs over 52,000 people providing services in more than 130 countries.

The Sign-On Options will be granted at nil cost as part of the sign-on remuneration package of Mr Grove, subject to time-based vesting only, consistent with the good faith conversations that occurred at the time the Executive Agreement was executed.

The Sign-On Options will only vest and become exercisable into Shares at any time prior to the expiry date of 25 November 2029, subject to Mr Grove remaining employed or engaged by the Company on the date which is two years from the date the Sign-On Options are granted.

Subject to Shareholder approval (which is being sought pursuant to Resolution 8), the Company proposes to grant the Sign-On Options to Mr Grove (and/or his nominee(s)) on or around 26 November 2024 (being, the date of the Meeting). There will be no incremental vesting of any Sign-On Options during the two-year period. The exercise of any vested Sign-On Options is subject to Mr Grove remaining employed or engaged by the Company on the date the Sign-On Options are exercised.

Refer to Schedule 3 for the terms of the Sign-On Options.

Resolution 8 seeks Shareholder approval pursuant to and in accordance with Listing Rule 10.11 and Chapter 2E of the Corporations Act (including section 208 of the Corporations Act) to grant up to 1,500,000 Sign-On Options to Mr Grove (and/or his nominee(s)).

Resolution 8 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 8.

10.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company to give a financial benefit to a related party of the public company, the public company must:

- (a) obtain the approval of the public company's members in the manner in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The grant of Sign-On Options (and their exercise into Shares) constitutes giving a financial benefit as Mr Grove is a related party of the Company by virtue of being the Managing Director and Chief Executive Officer.

The Directors believes that the grant of the Sign-On Options constitutes reasonable remuneration and in line with the good faith discussions prior to Mr Grove's appointment. However, in the interests of good governance, given all the Directors are proposed to receive Options (refer to Resolutions 9, 10, 11, 12 and 13), the Board has determined to seek Shareholder approval pursuant to section 208 of the Corporations Act for the grant of the Sign-On Options pursuant to Resolution 8.

10.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (a) related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in the ASX's opinion, the issue or agreement should be approved by Shareholders

unless it obtains shareholder approval.

The grant of Sign-On Options to Mr Andrew Grove (and/or his nominee(s)) falls within paragraph (a) above (being Listing Rule 10.11.1) and therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 8 seeks the required Shareholder approval to grant 1,500,000 Sign-On Options to Mr Andrew Grove (and/or his nominee(s)), under and for the purposes of Listing Rule 10.11.

If Resolution 8 is passed, the Company will be able to proceed with the grant of the Sign-On Options to Mr Grove (and/or his nominee(s)). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.11 (exception 14 under Listing Rule 7.2). Accordingly, if Resolution 8 is passed, the grant of Sign-On Options (and Shares issued on exercise of the relevant Sign-On Options) will not be included in calculating the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to proceed with the grant of the Sign-On Options to Mr Grove (and/or his nominee(s)), and the Company may consider alternative forms of remuneration with Mr Grove.

10.4 Specific information required by Listing Rule 10.13 and section 219 of the Corporations Act

The following information in relation to Resolution 8 is provided to Shareholders for the purposes of Listing Rule 10.13 and section 219 of the Corporations Act:

- (a) The Sign-On Options will be granted to Mr Andrew Grove (and/or his nominee(s)).
- (b) Mr Grove falls within category 10.11.1 of the Listing Rules, as he is the Managing Director and Chief Executive Officer of the Company. Any party Mr Grove nominates to receive Sign-On Options would be expected to fall within the category 10.11.4 of the Listing Rules as an associate of Mr Grove.
- (c) The maximum number of Sign-On Options to be granted to Mr Grove (and/or his nominee(s)) is 1,500,000 Options pursuant to Resolution 8.
- (d) The current remuneration package of Mr Grove is detailed below:

Name	Cash salary (A\$)	Share Based Payments (A\$) ²	Total (A\$) ³
Andrew Grove	425,000 ¹	-	425,000

Notes:

- 1. Inclusive of superannuation.
- 2. This amount is exclusive of the Sign-On Options and Incentive Options proposed to be granted to Mr Grove (and/or his nominee(s)) subject to Shareholder approval pursuant to Resolutions 8 and 9, respectively.
- 3. Remuneration in respect of Mr Grove's engagement as Managing Director and Chief Executive Officer in accordance with the Executive Agreement.

- (e) As at the date of this Notice, Mr Grove holds the following interests in the Company's securities:

Name	Shares	Loan Funded Shares	Options
Andrew Grove	555,556	-	416,667

Notes:

- 1. Refer to Annual Report for further details.
- 2. Figure comprises Shares and Options acquired pursuant to the second tranche of the Company's March placement announced on 18 March 2024. The Shares and Options were approved by Shareholders at the Company's general meeting on 21 May 2024.

- (f) A summary of the terms and conditions of the Sign-On Options is detailed in Schedule 3.
- (g) The Sign-On Options are proposed to be granted as part of Mr Grove's sign-on remuneration package, consistent with the good faith conversations that occurred at the time the Executive Agreement was executed. The Board believes the grant of Sign-On Options is a cost effective way to incentivise (in part) Mr Grove for the performance of his duties as Managing Director and Chief Executive Officer, which will allow the Company to spend a greater

proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Grove.

- (h) The value of the Sign-On Options (including the financial benefits inherent in the proposed issue of Sign-On Options) is as follows:

	Number of Sign-On Options	Value per Sign-On Option (A\$)	Total Value (A\$)
Andrew Grove	1,500,000	0.155	232,500

Notes:

1. Based on an underlying Share price of A\$, being the spot price on the Grant Date of 24 September 2024.
2. The valuation assumes that Mr Grove remains employed or engaged by the Company for the two year period commencing from the date the Sign-On Options are granted.
3. The valuation imputes a total value of A\$232,500 to the Sign-On Options. The value may go up or down after the date of valuation as it will depend on the future price of a Share.

- (i) The Sign-On Options will be granted for nil cash consideration (and no amount is payable upon the exercise of the Sign-On Options) as they are proposed to be granted as part of Mr Grove's sign on remuneration package.
- (j) The Company will grant the Sign-On Options to Mr Grove (and/or his nominee(s)) no later than one month after the date of the Meeting.
- (k) No funds will be raised by the grant of the Sign-On Options as they are being granted for nil cash consideration.
- (l) The historical quoted price information for the Company's listed securities for the last twelve months is as follows:

Shares	Price (A\$)	Date
Highest	0.3275	21 November 2023
Lowest	0.1050	6, 9 and 10 September 2024
Last	0.15	10 October 2024

- (m) The exercise of the Sign-On Options to be issued to Mr Grove will result in a dilution of all other Shareholders' holdings in the Company of 0.17% based on issued Shares as at the date of this Notice and 0.16% on a fully diluted basis.
- (n) Mr Andrew Grove has an interest in Resolution 8 and therefore believes it inappropriate to make a recommendation.
- (o) The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolution 8.
- (p) A voting exclusion statement is included in this Notice for Resolution 8.

10.5 Board Recommendation

The Board (excluding Mr Grove due to his personal interest in Resolution 8) recommends that Shareholders vote in favour of Resolution 8.

11 Resolution 9 – Issue of Incentive Options to Mr Andrew Grove

11.1 General

Resolution 9 seeks Shareholder approval pursuant to and in accordance with Listing Rule 10.11 and Chapter 2E of the Corporations Act (including section 208 of the Corporations Act) to grant up to 4,941,860 zero priced incentive Options (**Incentive Options**) to Mr Andrew Grove (and/or his nominee(s)) as part of his incentive-based remuneration package as Managing Director and Chief Executive Officer of the Company.

The Company in consultation with independent remuneration consultant, Gallagher, has considered the remuneration structures of several of its ASX and AIM listed peer companies to determine a suitable quantum and structure of an incentive-based remuneration plan for Mr Grove. As a result of this review, the Company believes that the grant of the Incentive Options is a fair and reasonable incentive-based remuneration package, and is aligned with the achievement of strategic objectives to create and drive Shareholder value.

The objective of the grant of the Incentive Options is to retain and appropriately incentivise Mr Grove's performance and is consistent with the strategic goals and targets of the Company. It is considered that the grant of the Incentive Options will provide Mr Grove with the opportunity to participate in the future growth of the Company. Under the Company's current circumstances, the Board (excluding Mr Grove) considers that the grant of Incentive Options is a cost effective and efficient reward and incentive for Mr Grove, as opposed to alternative forms of incentive such as the payment of cash compensation only.

The number of Incentive Options to be granted to Mr Grove (and/or his nominee(s)) is 4,941,860, calculated as the amount equivalent to 150% of his total fixed remuneration (being A\$425,000) / VWAP of Shares over the 30 Trading Days up to and including 24 September 2024 (being, A\$0.129). The Board has determined the value of the Incentive Options is A\$739,841.

The Company has included a Share price growth gateway of A\$0.20 per Share as a pre-condition to the vesting of any Incentive Options, designed to align the Company's key personnel with growing Shareholder value, being one of the key business objectives of the Company over the next four years. The Board recognises the importance of retaining all key personnel in the business and providing the appropriate incentives in order to deliver the Company's objectives and drive Shareholder value. The Board believes Mr Grove's role as Managing Director and Chief Executive Officer will be critical to delivering these objectives.

All of the Incentive Options will only vest and become exercisable into Shares if Mr Grove **remains employed or engaged** by the Company, and if the challenging performance measures below are achieved:

- (a) Performance Milestones – the satisfaction of the following performance milestones during the three-year performance period of 1 July 2024 to 30 June 2027 (**Performance Period**), each of which constitutes a **Performance Milestone**:

The Incentive Options expire on 30 June 2029. The exercise of any vested Incentive Options is subject to the applicable Performance Milestone having been satisfied during the Performance Period (measured at the end of the Performance Period), the Share Price Gateway having been satisfied during the Gateway Period and Mr Grove remaining employed or engaged by the Company on the date of exercise. Mr Grove's Incentive Options will otherwise be dealt with in accordance with the terms and conditions in Schedule 4.

Resolution 9 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies in favour of Resolution 9.

11.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is detailed in Section 10.2.

The grant of Incentive Options (and their exercise into Shares) constitutes giving a financial benefit as Mr Grove is a related party of the Company by virtue of being the Managing Director and Chief Executive Officer.

³ To be verified by independent, external audit from a reputable firm of consulting engineers.

The Directors believes that the grant of the Incentive Options constitutes reasonable remuneration and an appropriate incentive to Mr Grove. However, in the interests of good governance, given all the Directors are proposed to receive Options (refer to Resolutions 8, 10, 11, 12 and 13), the Board has determined to seek Shareholder approval pursuant to section 208 of the Corporations Act for the grant of the Incentive Options pursuant to Resolution 9.

11.3 Listing Rule 10.11

A summary of Listing Rule 10.11 is detailed in Section 10.3.

The grant of Incentive Options to Mr Andrew Grove (and/or his nominee(s)) falls within Listing Rule 10.11.1 and therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 9 seeks the required Shareholder approval to grant 4,941,860 Incentive Options to Mr Andrew Grove (and/or his nominee(s)), under and for the purposes of Listing Rule 10.11.

If Resolution 9 is passed, the Company will be able to proceed with the grant of the Incentive Options to Mr Grove (and/or his nominee(s)). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.11 (exception 14 under Listing Rule 7.2). Accordingly, if Resolution 9 is passed, the grant of Incentive Options (and Shares issued on exercise of the relevant Incentive Options) will not be included in calculating the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 9 is not passed, the Company will not be able to proceed with the grant of the Incentive Options to Mr Grove (and/or his nominee(s)), and the Company may consider alternative forms of remuneration with Mr Grove.

11.4 Specific information required by Listing Rule 10.13 and section 219 of the Corporations Act

The following information in relation to Resolution 9 is provided to Shareholders for the purposes of Listing Rule 10.13 and section 219 of the Corporations Act:

- (a) The Incentive Options will be granted to Mr Andrew Grove (and/or his nominee(s)).
- (b) Mr Grove falls within category 10.11.1 of the Listing Rules, as he is the Managing Director and Chief Executive Officer of the Company. Any party Mr Grove nominates to receive Incentive Options would be expected to fall within the category 10.11.4 of the Listing Rules as an associate of Mr Grove.
- (c) The maximum number of Incentive Options to be granted to Mr Grove (and/or his nominee(s)) is 4,941,860 Options pursuant to Resolution 9.
- (d) The current remuneration package of Mr Grove is detailed below:

Name	Cash salary (A\$)	Share Based Payments (A\$) ²	Total (A\$) ³
Andrew Grove	425,000 ¹	-	425,000

Notes:

1. Inclusive of superannuation.
2. This amount is exclusive of the Sign-On Options and Incentive Options proposed to be granted to Mr Grove (and/or his nominee(s)) subject to Shareholder approval pursuant to Resolutions 8 and 9, respectively.
3. Remuneration in respect of Mr Grove's engagement as Managing Director and Chief Executive Officer in accordance with the Executive Agreement.

- (e) As at the date of this Notice, Mr Grove holds the following interests in the Company's securities:

Name	Shares	Loan Funded Shares	Options
Andrew Grove	555,556	-	416,667

Notes:

1. Refer to Annual Report for further details.

2. Figure comprises Shares and Options acquired pursuant to the second tranche of the Company's March placement announced on 18 March 2024. The Shares and Options were approved by Shareholders at the Company's general meeting on 21 May 2024.

- (f) A summary of the terms and conditions of the Incentive Options is detailed in Schedule 4.
- (g) The Incentive Options are proposed to be granted to provide a cost effective way to incentivise (in part) Mr Grove for the performance of his duties as Managing Director and Chief Executive Officer, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Grove.
- (h) The Board has determined the fair market based calculation of the Incentive Options determined on the basis of the assumptions detailed below. The total number of Incentive Options to be granted to Mr Grove was calculated based on 150% of Mr Grove's total fixed remuneration and the 30 day VWAP Share price of A\$0.129. The value of the Incentive Options (including the financial benefits inherent in the proposed issue of Incentive Options) is as follows:

	Number of Incentive Options	Value per Incentive Option (A\$)	Total Value (A\$)
Andrew Grove	4,941,860	0.129	739,841

Notes:

1. Based on an underlying Share price of A\$0.129, being the 30 day VWAP of Shares over the period up to and including 24 September 2024.
 2. The valuation assumes that Mr Grove remains employed or engaged by the Company, all applicable Performance Milestones having been satisfied during the Performance Period and the Share Price Gateway having been satisfied during the Gateway Period.
 3. The valuation imputes a total value of A\$739,841 to the Incentive Options. The value may go up or down after the date of valuation as it will depend on the future price of a Share.
- (i) The Incentive Options will be granted for nil cash consideration (and no amount is payable upon the exercise of the Sign-On Options) as they are proposed to be granted as part of Mr Grove's incentive-based remuneration package.
- (j) The Company will grant the Incentive Options to Mr Grove (and/or his nominee(s)) no later than one month after the date of the Meeting.
- (k) No funds will be raised by the grant of the Incentive Options as they are being granted for nil cash consideration.
- (l) The historical quoted price information for the Company's listed securities for the last twelve months is as follows:

Shares	Price (A\$)	Date
Highest	0.3275	21 November 2023
Lowest	0.1050	6, 9 and 10 September 2024
Last	0.15	10 October 2024

- (m) The exercise of the Incentive Options to be issued to Mr Grove will result in a dilution of all other Shareholders' holdings in the Company of 0.58% based on issued Shares as at the date of this Notice and 0.53% on a fully diluted basis.
- (n) Mr Andrew Grove has an interest in Resolution 9 and therefore believes it inappropriate to make a recommendation.
- (o) The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolution 9.

(p) A voting exclusion statement is included in this Notice for Resolution 9.

11.5 Board Recommendation

The Board (excluding Mr Grove due to his personal interest in Resolution 9) recommends that Shareholders vote in favour of Resolution 9.

12 Resolutions 10, 11, 12 and 13 – Issue of Options to Non-Executive Directors

12.1 General

Resolutions 10, 11, 12 and 13 seek Shareholder approval, pursuant to and in accordance with Listing Rule 10.11 and Chapter 2E of the Corporations Act (including section 208 of the Corporations Act) to grant an aggregate of 1,395,350 zero priced incentive options to non-executive Directors, Messrs Philip Mitchell, Bryan Dixon, Patrick Mutz and Warren Mundine (together, the **Non-Executive Directors**) (and/or their respective nominee(s)) (**Director Options**).

The Company is proposing to grant:

- (a) 465,116 Options to Mr Philip Mitchell (and/or his nominee(s)) pursuant to Resolution 10;
- (b) 310,078 Options to Mr Bryan Dixon (and/or his nominee(s)) pursuant to Resolution 11;
- (c) 310,078 Options to Mr Patrick Mutz (and/or his nominee(s)) pursuant to Resolution 12; and
- (d) 310,078 Options to Mr Warren Mundine (and/or his nominee(s)) pursuant to Resolution 13.

The Non-Executive Directors will be granted Director Options at nil cost as part of their remuneration package and expire on 30 June 2029. The Director Options will only vest and become exercisable into Shares if the relevant Non-Executive Director remains in their position as a Non-Executive Director on the date which is three years from the vesting commencement date of 1 July 2024. There will be no incremental vesting of any Director Options during the three-year period. The exercise of any vested Director Options is subject to the relevant Non-Executive Director remaining employed or engaged as a Director on the date the Director Options are exercised.

The structure, vesting condition and the calculations of the number of Director Options to be issued has been determined by the Board in consultation with independent remuneration consultant, Gallagher.

The number of Director Options to be granted to each Non-Executive Director was calculated as the amount equivalent to 100% of the relevant Non-Executive Director's total fixed remuneration / VWAP of Shares over the 30 Trading Days up to and including 24 September 2024 (being, A\$0.129). The Board has determined the value of the Director Options for Non-Executive Directors is A\$216,279 in aggregate.

The Board considers the grant of Director Options is a cost-effective and efficient way for the Company to retain and appropriately incentivise Messrs Mitchell, Dixon, Mutz and Mundine for their continued performance as Directors, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Non-Executive Directors.

The terms and conditions of the Director Options are detailed in Schedule 5.

Resolutions 10, 11, 12 and 13 are ordinary resolutions.

The Chairperson intends to exercise all available undirected proxies in favour of Resolutions 10, 11, 12 and 13.

12.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is detailed in Section 10.2.

The grant of the Director Options to each of Messrs Mitchell, Dixon, Mutz and Mundine (and/or their respective nominee(s)) constitutes giving a financial benefit and Messrs Mitchell, Dixon, Mutz and Mundine are all related parties of the Company by virtue of being Directors.

The Board is unable to form a quorum to consider whether one of the exceptions detailed in sections 210 to 216 of the Corporations Act applies to the grant of the Director Options due to Messrs Mitchell, Dixon, Mutz and Mundine having an interest in the outcome of Resolutions 10, 11, 12 and 13. Accordingly, the Board has determined to seek Shareholder approval pursuant to section 208 of the Corporations Act for Resolutions 10, 11, 12 and 13.

12.3 **Listing Rule 10.11**

A summary of Listing Rule 10.11 is detailed in Section 10.3.

The grant of Director Options to the Non-Executive Directors (and/or their respective nominee(s)) falls within Listing Rule 10.11.1 and therefore requires the approval of Shareholders under Listing Rule 10.11.

If Resolution 10, 11, 12 or 13 is passed, the Company will be able to proceed with the grant of the relevant Director Options to the relevant Non-Executive Director (and/or their respective nominee(s)). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.11 (exception 14 under Listing Rule 7.2). Accordingly, the grant of Director Options (and Shares issued on exercise of the relevant Director Options) will not be included in calculating the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 10, 11, 12 or 13 is not passed, the Company will not be able to proceed with the grant of the relevant Director Options to the relevant Non-Executive Director (and/or their respective nominee(s)) and the Company may need to consider alternative arrangements which may include a cash payment made in accordance with the Company's ordinary remuneration process.

12.4 **Specific information required by Listing Rule 10.13 and section 219 of the Corporations Act**

- Subject to various vesting conditions. The Company has not issued any new Loan Funded Shares during the 2024 financial year.
- Figure comprises Options acquired pursuant to the second tranche of the Company's March placement announced on 18 March 2024. The Options were approved by Shareholders at the Company's general meeting on 21 May 2024.

- (f) A summary of the terms and conditions of the Director Options is detailed in Schedule 5.
- (g) The purpose of granting the Director Options is to remunerate (in part) the Non-Executive Directors for the provision of director services and to provide a cost effective way for the Company to align the Non-Executive Directors interests with the interest of Shareholders, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Non-Executive Directors.
- (h) The Board has determined the fair market based calculation of the Director Options determined on the basis of the assumptions detailed below. The total number of Director Options to be granted to each Non-Executive Director was calculated based on 100% of the relevant Non-Executive Director's total fixed remuneration and the 30 day VWAP Share price of A\$0.129. The value of the Director Options (including the financial benefits inherent in the proposed issues of Director Options) is as follows:

	Number of Director Options	Value per Director Option (A\$)	Total Value (A\$)
--	----------------------------	---------------------------------	-------------------

Philip Mitchell	465,116	0.129	72,093
Bryan Dixon	310,078	0.129	48,062
Patrick Mutz	310,078	0.129	48,062
Warren Mundine	310,078	0.129	48,062

Notes:

1. Based on an underlying Share price of A\$0.129, being the 30 day VWAP of Shares over the period up to and including 24 September 2024.
2. The valuation assumes that each Non-Executive Director remains in their position as Non-Executive Director for the three year period commencing from the vesting commencement date of 1 July 2024.
3. The valuation imputes a total value of A\$216,279 to the Director Options for all of the Non-Executive Directors. The value may go up or down after the date of valuation as it will depend on the future price of a Share.

- (i) The Director Options will be granted for nil cash consideration (and no amount is payable upon the exercise of the Director Options) as they are intended to remunerate (in part) the Non-Executive Directors for the performance of their duties as Directors.
- (j) The Company will grant the Director Options to the Non-Executive Directors (and/or their respective nominee(s)) no later than one month after the date of the Meeting.
- (k) No funds will be raised by the grant of the Director Options as they are being granted for nil cash consideration.

Last	0.15	10 October 2024

- (m) The exercise of the Director Options to be issued to the Non-Executive Directors will result in a dilution of all other Shareholders' holdings in the Company of 0.16% based on issued Shares as at the date of this Notice and 0.15% on a fully diluted basis.

12.5 Board Recommendation

The Board (excluding Mr Mitchell due to his personal interest in Resolution 10) recommends that Shareholders vote in favour of Resolution 10.

The Board (excluding Mr Dixon due to his personal interest in Resolution 11) recommends that Shareholders vote in favour of Resolution 11.

The Board (excluding Mr Mutz due to his personal interest in Resolution 12) recommends that Shareholders vote in favour of Resolution 12.

The Board (excluding Mr Mundine due to his personal interest in Resolution 13) recommends that Shareholders vote in favour of Resolution 13.

13 Resolution 14 – Section 195 Approval

In accordance with section 195 of the Corporations Act, a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a 'material personal interest' are being considered.

Messrs Philip Mitchell, Bryan Dixon, Patrick Mutz and Warren Mundine have a material personal interest in the outcome of Resolutions 8, 9, 10, 11, 12 and 13 (inclusive).

In the absence of this Resolution 14, the Directors may not be able to form a quorum at directors meetings necessary to carry out the terms Resolutions 8, 9, 10, 11, 12 and 13 (inclusive).

The Directors accordingly exercise their right under section 195(4) of the Corporations Act to put the issue to Shareholders to resolve.

Resolution 14 is an ordinary resolution.

14 Resolution 15 – Spill Resolution (Conditional Resolution)

14.1 General

In accordance with section 250V of the Corporations Act, if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company must put to vote at the second annual general meeting a resolution (**Spill Resolution**) on whether all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's 2023 remuneration report received a Strike at the 2023 annual general meeting. Resolution 15 is a conditional item of business and is subject to the result of Resolution 1.

If Resolution 1 receives a 'no' vote of 25% or more at the Meeting, this will constitute a second Strike and Resolution 15 will be voted on.

If Resolution 1 receives a 'no' vote of less than 25% at the Meeting, then there will be no 'second Strike' and Resolution 15 will not be put to the Meeting. Any votes cast on the Spill Resolution prior to the withdrawal of the Spill Resolution will be treated as invalid.

Resolution 15 is an ordinary resolution.

The Chairperson intends to exercise all available undirected proxies against Resolution 15.

If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 15, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though Resolution 15 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

14.2 Effect of Spill Resolution if passed

If the Spill Resolution is put to the Meeting and more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene another general meeting within 90 days of passing of the Spill Resolution (**Spill Meeting**). All of the Directors (other than the Managing Director) who were

in office when the Directors' Report for the financial year ended 30 June 2024 was approved (including the Remuneration Report) will cease to hold office immediately before the end of the Spill Meeting but may stand for re-appointment.

If the Spill Meeting is held, pursuant to section 250V(1)(b) of the Corporations Act, the following non-executive Directors would cease to hold office immediately before the end of the Spill Meeting unless they are re-elected at the Spill Meeting:

- (a) Mr Philip Mitchell;
- (b) Mr Warren Mundine;
- (c) Mr Bryan Dixon; and
- (d) Mr Patrick Mutz.

If Messrs Philip Mitchell and Patrick Mutz are re-elected under Resolutions 2 and 3, respectively, those Directors will still be required to vacate office and stand for re-election at the Spill Meeting if Resolution 15 is passed.

Shareholders will vote on the re-appointment of the Directors listed above and/or election of new Directors at the Spill Meeting.

In accordance with section 250X of the Corporations Act, if there would be fewer than three Directors after the Spill Meeting, two positions will be filled by the Directors who have the highest percentage of votes favouring appointment (even if less than half the votes cast on the resolution at the Spill Meeting were in favour of their appointment).

14.3 **Additional information**

In deciding how to vote on the Spill Resolution (if Resolution 1 receives a 'second Strike' and Resolution 15 is to be put to a vote), the Board suggests that Shareholders consider the Company's response to the 'first Strike' received at the 2023 annual general meeting (please refer to Section 4). The Board considers that it currently has the right mix of skills and experience. Accordingly, if the Spill Resolution is passed, the potential change to the Board composition has the ability to negatively impact the implementation of the Company's strategic objectives.

If Resolution 15 is put to Shareholders at the Meeting and you do not want a Spill Meeting to be held, you should vote against Resolution 15. If you want a Spill Meeting to be held, you should vote in favour of Resolution 15.

14.4 **Board Recommendation**

The Board unanimously recommends that Shareholders vote against Resolution 15.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **4:00pm (AWST) on Sunday, 24 November 2024.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
